SCHOLARSHIP SUCCESS

Financial Aid & Scholarships
Tommy Aguilar
Outreach Advisor
Scholarships are a type of “gift aid” and do not require repayment. You should always find out if you are eligible for any gift aid before you consider borrowing money.

Note: You generally do not have to complete a FAFSA for scholarship eligibility consideration, but it’s still a good idea. Scholarships may or may not be partly based on financial need.
**Keep Digging for Scholarships**

- Check with your college financial aid office.
- Visit the local library.
- Ask local businesses and organizations.
- Use online scholarship searches.
  - [www.Fastweb.com](http://www.Fastweb.com)
**Good Neighbor Scholarship Exemption!**

- **Contact International Student Services Office**
  - 903-886-5052 or 903-886-5054

- Exempts tuition only!!

- Eligibility: Students from other nations of the western hemisphere (other than Cuba).

- Required Documentation: Coordinating Board must approve eligible students. Students are selected by the Coordinating Board according to school and geographic priorities.

- Deadline is March 15.
Make sure to fill out and submit your Scholarship Application in MyLeo each year.

Check your myLeo email account often

Complete Scholarship application in the Scholarships Folder of your MyLeo.

Application Deadline is March 15th

Make sure you read your award letters there could be additional requirements needed before your Scholarship will apply to your account.
