Rules of the Trail

1. **Ride Open Trails**: Respect trail closures. Do not trespass on private land.
2. **Leave No Trace**: Be sensitive to the dirt beneath you. Wet and muddy trails are more vulnerable to damage than dry ones. When the trail is soft, consider other riding options. This also means staying on existing trails and not creating new ones. Don't cut switchbacks. Be sure to pack out at least as much as you pack in.
3. **Control Your Bicycle**: Inattention for even a moment could put yourself and others at risk. Ride within your limits.
4. **Yield Appropriately**: Do your utmost to let your fellow trail users know you're coming — a friendly greeting or bell ring are good methods. Try to anticipate other trail users as you ride around corners. In general, strive to make each pass a safe and courteous one.
5. **Never Scare Animals**: Animals are easily startled by an unannounced approach, a sudden movement or a loud noise. Give animals enough room and time to adjust to you. Running cattle and disturbing wildlife are serious offenses.
6. **Plan Ahead**: Know your equipment, your ability and the area in which you are riding and prepare accordingly. Strive to be self-sufficient: keep your equipment in good repair and carry necessary supplies for changes in weather or other conditions. **Always wear a helmet and appropriate safety gear**. Participation can be hazardous.
7. **No motorized vehicle or equine use allowed on trail system.**

Having a signed waiver on file is a condition of entry.
