**OTHER EMPLOYMENT**

The Senior Conference Assistant is primarily assigned to work in the residence hall. A SCA may work elsewhere on campus with the understanding that their primary responsibility is as a SCA. Campus employment may not conflict with assigned camp schedules or exceed 10 hours a week or allowed by Human Resources. If a conflict arises, the SCA is expected to make arrangements with other employment and put their SCA position first. Failure to do this will result in disciplinary action, which may include termination. SCAs have the privilege of working on-campus 6am-9pm. A Job Agreement must be filled out prior to accepting a job.

**DISMISSAL/APPEAL PROCESS**

1. The SCA’s performance is evaluated on an ongoing basis by the CC. If after review, performance, time commitment, and/or attitude are judged to be inadequate, the CC will meet with the SCA, outline the concerns and give her/him opportunity to improve. If a SCA fails to sufficiently improve, she/he will be informed in writing prior to the end of that semester that she/he will not be rehired. Depending on the severity, termination could be immediate.
2. Failure to abide by University rules and regulations as stated in the Handbook for Residential Living and Learning, and The Student’s Guidebook, may result in immediate dismissal.
3. Failure to meet specific job obligations, or the SCA’s supervisor determining that the SCA’s continuance would jeopardize the health or well-being of the staff and/or guests, may be grounds for immediate dismissal.
4. The supervising Conference Coordinator will make a termination decision after consulting with the Associate Director of Residential Living and Learning. If the terminated SCA feels that an unfair decision is rendered, she/he may appeal to the Director of Residential Living and Learning by submitting written grounds for appeal within five (5) working days of receiving notification of termination. The appeal review decision of the Director of Residential Living and Learning shall be final and binding.
