Dear Dr. Jones:

Thank you for your letter of September 11, 2014, notifying SACSCOC of a change in your mission statement. The amended mission statement of the University was approved by the Texas A&M University System Board of Regents on September 3, 2014.

As a part of its preparation for a new strategic planning process, the University made a comprehensive review of the mission statement. A review of the changes indicates that the changes were editorial in nature and do not represent any major change in the mission of the University. **We acknowledge this information and will add it to the file.**

Best regards,
