Texas A&M–Commerce is committed to promoting an academic, recreational, and social experience for students with disabilities that is fully inclusive and accessible. Students with disabilities are encouraged to participate in all aspects of campus life. Student Disability Resources and Services (SDRS) offers accommodations counseling, disability-related resources, access to adaptive technology, assistive equipment, and academic/non-academic accommodations. Although SDRS does not offer disability evaluations, tutoring, personal attendants, or scholarships, we can provide referral information. Also, SDRS works closely with the Division of Assistive and Rehabilitative Services (DARS). See our FAQs webpage for more information on disability services, sign language interpreter services, testing services, and adaptive technology.
