The IEP website can be found by going to the TAMUC main page at [http://www.tamuc.edu/](http://www.tamuc.edu/) and clicking on the about us tab.

Click the link on the left hand side of the page for Institutional Effectiveness & Planning.

Each tab offers a variety of information.
Institutional Effectiveness & Accountability

Texas A&M University-Commerce is dedicated to improving the performance of all components of the University—our students, faculty, staff, administrators, and the people of Texas deserve our best, and our continually striving for the best.

2012 Student Learning Outcomes

Accountability Reports
- 2012 Report
- 2011 Report
- 2010 Report
- 2009 Report

Institutional Effectiveness & Accountability houses the student learning outcomes and accountability reports.

Student learning outcomes are broken out by college & department.

Program & Program Review

Degree Programs at TAMUC

Accreditations

Program Review Procedure

Program Review Documents

2012 Program Reviews (Coming January)

Previous Graduate Program Reviews

- Program & Program Review is where the Data viewer is located. This houses tables with enrollment, degree, course history, course retention and semester credit hour information. The program review policy can be found on this tab as well.
Select a department in the drop down box to see the data.

Once a department has been selected from the drop down list, you can navigate between the reports by selecting the appropriate tab below.
Our Fact book can tables can be found on the University Statistics page.

Studies & Analysis Surveys

National Survey of Student Engagement

2000 Survey of Organizational Excellence
