Dali Hatanville, Senior Recruiter, Student Disability Resources & Services  
Tim Murphy, CIO, Center for IT Excellence

- Discussed the President’s Task Force for Instructional Materials Accessibility  
  - Task Force is chaired by Adolfo Benavides and Mary Hendrick. A sub-committee was formed tasked to provide recommendations and standards
- Assistive Technology Lab  
  - Collaboration efforts between the Library, College of Education – Special Education, Student Disability Resources & Services and Center for IT Excellence to build the Assistive Technology (AT) Lab on the second floor of the library. The library has donated space and will renovate the space for the AT Lab, College of Education Special Ed will manage the lab and use as a teaching tool for students and allow students to use and test AT equipment, Student Disability Resources & Services recommended AT equipment most frequently used by students, Center for IT Excellence donated funds to purchase AT equipment.
- EIR Accessibility Committee for System Members  
  - The EIR Accessibility Committee member from system members have begun meeting quarterly to collaborate and share resources.
- Siteimprove  
  - Discussed asking CMS Editors to look at siteimprove report on broken links, misspelling, or accessibility issues on their department site. We will be contacting CMS editors to review the report.
- GOALS  
  - Implement Survey has been completed in December.  
  - Support Survey will open in April 2016.

Action Items:  
- Subcommittee Chair answer assessment questions  
- Complete GOALS Support Survey
Meeting adjourned 3:30pm.
