Tasks
- **GOALS – Action Survey**
- **Mission Statement**

The EIR Accessibility Committee was established to coordinate efforts to improve accessibility of Texas A&M University-Commerce’s web resources, digital course content and information systems, as well as to integrate accessibility standards for A&M Commerce procurement process.

The EIR Accessibility is guided by

- System Regulation 29.01.04 Accessibility of Electronic and Information Resources
- 29.01.04.R1 Accessibility of Electronic and Information Resources
- Texas Administrative Codes 206 & 213
- Texas Government Code 2054
- Section 508 of the Rehabilitation Act of 1973

The EIR Accessibility Committee and its sub groups works to develop accessibility guidelines, research new tools and best practices on accessibility, provide educational resources for A&M-Commerce staff and faculty, compile reports for university leadership and direct individuals with questions on accessibility to appropriate guidance and resources.

Committee membership is currently composed of members from CITE, SRDS, the University Libraries, CFEI and multiple departments at A&M-Commerce.
