How to View Holds

1. Log in to your MyLeo
2. Click MyLeo on the top menu
3. Click Student Resources
4. Click View Holds
5. This screen shows your Hold Types, the duration, the reason for them, and what processes the hold affects

-For example: Reg Hold- Fiscal Office, Nov 27, 2007, Dec 31, 2009, past due balance, Fiscal Office, Registration. This means you have a registration hold (it blocks you from being able to register via online or through your advising center) from the Fiscal Office (or Cashier) that was put on Nov 27, 2007 because you owe a past due balance.

-This means you need to contact them and find out the procedure you need to follow in order to clear up the hold.
