Texas Teacher Residency Program
A Partnership Linking Mesquite ISD and Texas A&M University-Commerce

Seeking candidates who will spend a year as a Science or Mathematics teacher apprentice in a clinical instructor’s classroom while earning a Master of Education in the Art of Teaching.

Become a Texas Teacher Resident (T-Res) and acquire the knowledge and skills needed to be an effective Science or Mathematics teacher in the classroom and a generous stipend plus partial tuition reimbursement for your Master’s degree. This is your opportunity to change the lives of students in diverse communities and Texas public schools! Whether you are an undergraduate student preparing to earn a Master’s degree in education or a professional who is changing careers, we encourage you to apply to become a Texas Teacher Resident.
