Preferred method of submittal is to PDF completed application and email to EducationalLeadership@tamuc.edu with: Last Name, CWID & Internship Application in subject line.
Department of Educational Leadership  
Texas A&M University-Commerce

Course Description

The purpose of the principal internship is to bridge the gap between theory and practice and students’ academic and experiential learning. In the internship, students will engage in self-assessment of strengths, weaknesses, areas of particular interest and will increasingly assume responsibility for their continuing professional development by planning for and completing a program of field-based experiences. This is accomplished as students plan for and complete a program of field experiences. Prerequisites for Internship: all EDAD courses completed or co-registration simultaneously with EDAD 554.

Course Goals and Objectives

This internship should provide opportunities to work with and to learn from administrators in schools. Through field-based experiences, the student has the opportunity to strengthen his or her qualifications and gain experience. Through careful planning, the student should be able to accomplish the following:

1. To experience the realities of educational administration by applying classroom knowledge to actual administrative situations.
2. To gain practical experience in applying administrative skills, techniques, and theory by working with a professional administrator.
3. To refine a philosophy of education as a result of the internship experience.
4. To gain additional experience and confidence in his or her professional abilities.
5. To provide authentic administrative assistance in the work setting.
6. To increase one’s visibility as a potential administrator in the eyes of those who could be helpful in advancing the intern toward their career objectives.

Application Deadlines

EDAD 614 principal internship in educational administration is a component of the principal certification. This course is one full semester for 3 semester credit hours. The deadline for applying for the internship and submitting the internship proposal is July 1 for the Fall semester or November 1 for the Spring semester.

Completing the Internship Proposal

The internship is one of the most important experiences that you will have during the principal preparation program. The care with which you prepare the Internship Proposal is critical.

1. Identify a campus supervisor and request his/her assistance.
2. Complete the Self Assessment Profile and a resume. Consider your skills, knowledge, and professional experiences in administrative leadership activities, which you will bring to the internship experience. As you engage in self-assessment, consider the administrative skills you do well and those areas where you need more experience. Document your experience and strengths in your resume and the Self-Assessment Profile (Attachment 1) found in the proposal directions. This exercise should provide you, your campus supervisor, and the A&M-Commerce supervisor a good sense of what you bring to the internship. Now, as you consider your needs identify activities and skills you need to develop. Consult with your campus supervisor as you plan the internship proposal.
3. Select a second location. Each student shall complete the internship on at least two or more campuses and levels (i.e. high school, middle school, elementary school) to meet the diversity requirement of the standards. At least eight activity hours should be documented at the second location.
4. Complete a proposal of activities. [See Proposal Format & Required Internship Activities sections.] In addition to the required activities, attachment 2 contains additional examples. Objectives in each of the seven SBEC standards should be included in the proposal. Areas that the student does not have experience in should be the focus of activities selected rather than ones that have been previously experienced.
5. Request approval for your plan from your campus supervisor. Once you have completed the Self-Assessment Profile, your resume, and your internship proposal, submit and explain the proposal package to your campus supervisor/site administrator. Secure his or her signature on the proposal. Share the “Recommendations for Site Administrators” for the supervisor as detailed in Attachment 7.

6. Preferred method of submittal is to PDF completed application and email to EducationalLeadership@tamuc.edu with: Last Name, CWID & Internship Application in subject line by the deadline of July 1 for the Fall semester or November 1 for the Spring semester.

7. The intern will be assigned to an A&M-Commerce supervisor and to a section number. After you are given a section number, register for the course. The supervisor will review the internship proposal and may make changes to the proposal. The A&M-Commerce supervisor may adapt requirements to align with the specific internship situation. Once all parties have agreed on the proposal, the intern will begin to implement the proposal. The proposal should be considered a fluid document that may change during the internship.

Role of the Campus Supervisor/Site Administrator

The role of the cooperating principal as a supervisor and mentor to the intern is the critical factor in making the internship a success. The guidance and counsel is of the utmost importance in helping the intern’s activities to be fulfilling and appropriate. The functions of the campus supervisor include, but are not limited to:

1. Agreeing to act as supervisor/mentor to the intern.
2. Reviewing the internship materials found in the Principal Internship Program booklet.
3. Conferencing with the intern concerning expectations, activities, areas of skills and knowledge development found in the Principal Internship Program booklet.
4. Meeting with the intern to discuss activities, tasks and experiences. Reviewing progress, discussing successes and determining additional growth for the intern.
5. Approving and signing each of the logs created by the intern.
6. Conferring with the A&M-Commerce supervisor on the intern’s growth and achievements during the semester-long internship.

Required Internship Activities for EDAD614

1. Log. Each intern must complete and document a minimum of 160 hours of activities per semester of internship. Interns shall complete a log every six weeks and submit it to the A&M-Commerce internship supervisor. Activities documented in logs shall be supported by artifacts (i.e. meeting agendas, notes, forms, e-mail, reports). Artifacts shall be shared with supervisors during visits or in a final portfolio or collection. For a sample log format, see attachment 3.

2. Reflections. Each intern shall reflect upon experiences and submit reflections every two weeks to their university internship supervisor. Reflections should reflect the student’s ability to connect theory gained in university coursework with field experiences.

3. Professional Development. Each intern shall attend one off-campus staff development activity per semester. These staff development activities should be applicable to campus administration. These should be documented in the log.

4. Group meeting. Each intern shall attend a minimum of one intern meeting scheduled by the university supervisor during the internship. The purpose of these group meetings is to share experiences, connect theory to practice, and reflect with other interns.

5. Self-Assessments. Each intern shall complete an initial and final self-assessment profile. (Attachment 1)

6. Collection of internship documents. Each intern shall collect artifacts (i.e. meeting agendas, notes, forms, e-mail, reports) that serve as evidence of several of the activities documented in the logs. These shall be presented to their university supervisor during visits and/or at the final submission date.

7. Required Standard-based activities. The following internship activities are a minimum requirement as part of the internship proposal unless one can document a complete understanding of the activity. These should be included in the proposal and documented in logs.

Updated Spring 2013
Standard I: Learner-Centered Values and Ethics of Leadership:
1. Model ethical conduct and integrity by participating in decision-making activities with students and teachers.
2. Provide the Code of Ethics and Standards Practices for Texas Educators to all faculty individually or in a group.

Standard II: Learner-Centered Leadership and Campus Culture:
1. Chair, plan, and implement a school activity.
2. Participate in the meetings and activities of the site-based committee.
3. Review the campus vision. In the log, discuss awareness and strategies that could be used to implement the vision.

Standard III: Learner-Centered Human Resources Leadership and Management:
1. Review the hiring process and participate in the selection of staff.
2. Provide leadership regarding staff development planning or delivery for your campus.
3. Observe a classroom teacher and provide feedback in a post-observation conference.

Standard IV: Learner-Centered Communications and Community Relations:
1. Review the process for collecting community feedback as it relates to school improvement.
2. Prepare written communication for internal and external constituents.

Standard V: Learner-Centered Organizational Leadership and Management:
1. Supervise a school event
2. Organize and participate in campus administrative team activities
3. Participate in planning or managing the campus budget.
4. Review custodial services, maintenance, or food services on your campus. Participate in a custodial or maintenance building inspection.
5. Follow the purchasing process at the campus level from the initial request to completion of the transaction.
6. Plan and submit a timeline of intern activities to the university supervisor.
7. Create and/or evaluate your campus safety plan suggesting changes, additions, or practice opportunities.
8. Organize an evacuation drill.

Standard VI: Learner-Centered Curriculum Planning and Development:
1. Assist in planning the campus master schedule.
2. Review the use of technology as an instructional tool.
3. Participate and provide leadership with planning, implementation, or supervision of curriculum.
4. Participate in campus co-curricular and extracurricular programs.

Standard VII: Learner-Centered Instructional Leadership and Management:
1. Assist in student discipline by working actual student discipline cases.
2. Provide leadership for assembly programs, graduation, new student orientation programs, or other student programs.
3. Review the process for selection and distribution of textbooks or other instructional materials.
4. Evaluate one of the following: instructional program, an instructional practice, a delivery method.
Proposal Format
The internship proposal will consist of objectives, activities, timeline, and evaluation for each of the following seven areas:

a. Values and ethics of leadership;
b. Leadership and campus culture;
c. Human resources leadership and management;
d. Communications and community relations;
e. Organizational leadership and management;
f. Curriculum planning and development; and
g. Instructional leadership and management.

The intern will choose activities based on his or her self-assessment, assessment by the campus supervisor, and collegial assessment. The following is an example of what the proposal might look like:

Standard III:
Learner-Centered Human Resources Leadership and Management:

<table>
<thead>
<tr>
<th>Objective</th>
<th>Activities</th>
<th>Timeline</th>
<th>Evaluation</th>
</tr>
</thead>
</table>
| 1. Assist with the selection of faculty and staff for the operation of school. | 1. Review the campus hiring process with principal  
2. Assist with developing interview questions  
3. Assist with the recommendation of a teacher | February  
March | Interview questions used  
Flow chart of campus selection process  
(Note: Evaluation refers to the documentation of an activity in a portfolio. Not every activity will be documented.) |
| 2. Observe a classroom teacher | 1. Review observation checklist & questions to ask in conferences  
2. Conduct a pre-observation conference  
3. Observe  
4. Conduct a post-observation conference | February | Questions asked in the pre & post conference |

Internship Log and Reflections
Internship logs must be submitted to your A&M-Commerce Internship Supervisor at six-week intervals during the entire internship experience. Examples of suggested hour completion & deadlines are as follows:

- Log 1: October 1 or Feb 1, 60 hours complete
- Log 2: November 1 or March 1, 100 hours complete
- Log 3: December 1 or May 1, 160 hours complete

Attachment 3 contains a format for the hourly log. In the past many students have exceeded the clock hour requirement because they view the internship as a valuable learning experience and because they have an opportunity to complete an ongoing project. It is suggested that you begin the internship in late July or early August before the school year; however the internship proposal must be completed and sent to the A&M-Commerce Internship Coordinator prior to beginning any internship activity.

In addition to the log entries, submit a bi-weekly reflection. The reflection is separate from the log and is designed to allow the intern to reflect and assess his/her experiences in an unstructured manner. The intern should examine what occurred during the two-week timeframe and decide what went well, what didn’t go well, and what might have been done differently to resolve the issues successfully; i.e. assess your actions and faculty and staff actions with parents, students, and colleagues. This written narrative should include a free flow of thoughts and feelings about what you have been involved with during the timeframe covered. In the reflection narrative, do not repeat what you said in the log. Dissect and evaluate what occurred. You will want to reference professional reading you have completed in the reflection. This reflective writing does not need to be shared with anyone except the university supervisor.

Updated Spring 2013
Internship Evaluation

A final grade of A, B, or C must be assigned at the end of the semester. Input from the campus supervising administrator, the A&M-Commerce supervisor, and the intern will be used in determining a grade. The factors used in the evaluation are:

1. The quality and extent to which learning activities have been conducted and documented in the log/reflections. This requires that these documents be submitted on-time to the supervising professor.
2. The quality of the internship plan.
3. The quality of any projects completed as part of the activities.

Self-Assessment Profile

The intern will complete a copy of the Assessment Profile (Attachment 1) prior to creating the internship proposal. The intern will present the results of the profile to the campus supervisor prior to discussing the internship proposal with the campus supervisor. The Assessment Profile (Attachment 1) should also be completed by the intern at the end of the semester. This process provides the intern, the campus supervisor, and the A&M-Commerce supervisor with a basis for evaluating the intern’s progress during the internship. All completed assessment profiles should be submitted to the A&M-Commerce supervisor as part of the intern’s final submission.

Attachment 1  Self-Assessment Profile
Attachment 2  Examples of Field experience/Internship Activities
Attachment 3  Log Format
Attachment 4  Internship Application
Attachment 5  Internship Campus Supervisor Permission Form
Attachment 6  Required Internship Activities
Attachment 7  Suggestions for Campus Supervisor
**ATTACHMENT 1**

**Self-Assessment Profile**

- **Preliminary Self-Assessment**
- **Final Self-Assessment**

Use these forms to complete the periodic assessment of your level of administrative competency in regard to the seven (7) Texas Certification Standards. Share your initial assessment with your university and campus supervisors as you plan for your internship in the Texas A&M University-Commerce Principal Preparation Internship.

### Measures of Competence

1. Beginning status: inadequate competency
2. Limited experience; marginal competency
3. Satisfactory competency
4. Very competent
5. Outstanding competency

<table>
<thead>
<tr>
<th>(1) PROACTIVE ORIENTATION</th>
<th>(5) INFORMATION SEARCH AND ANALYSIS</th>
</tr>
</thead>
<tbody>
<tr>
<td>Assumes responsibility when appropriate</td>
<td>Knows who to go to for answers</td>

Updated Spring 2013
ATTACHMENT 2
Examples of Internship Experiences / Activities

The following internship experiences are offered not as an all-inclusive listing but as a guide to be used in planning individual field-based experiences during the internship.

Standard I: Learner-Centered Values and Ethics of Leadership
A principal is an educational leader who promotes the success of all students by acting with integrity and fairness, and in an ethical manner.

- Review and analyze the campus ethics
- Participate in ethical decision-making
- Review district and school’s policies and procedures
- Make report to faculty on a recent legal decision
- Review school responsibilities involved with federal programs
- Assist in conducting review and submission of all necessary reports of accidents
- Review safety/health procedures and reports disaster plans

Standard II: Learner-Centered Leadership and Campus Culture
A principal is an educational leader who promotes the success of all students by collaborating with families and community and shaping campus culture by facilitating the development, articulation, implementation, and stewardship of a vision of learning that is shared and supported by the school community.

- Participate in the development of a campus vision
- Participate in the selection and survey of a campus culture
- Create a process for recognizing faculty and students

Standard III: Learner-Centered Human Resources Leadership and Management
A principal is an educational leader who promotes the success of all students by implementing a staff evaluation and development system to improve the performance of all staff members, selects and implements appropriate models for supervision and staff development, and applies the legal requirements for personnel management.

- Sit in on interviews with prospective faculty and staff
- Review resumes to select interview candidates
- Conduct a study personnel turnover for the past five years
- Develop a conference or staff development program
- Analysis/revision of non-certified staff job description
- Development and revision of rules, requirements and policies

Standard IV: Learner-Centered Communications and Community Relations
A principal is an educational leader who promotes the success of all students by collaborating with families and community members, responding to diverse community interests and needs, and mobilizing community resources.

- Attend PTA and booster meetings where appropriate
- Assist in conducting a needs assessment
- Plan activities to increase parent involvement
- Prepare a monthly newsletter to staff and parents
- Prepare news releases or articles for various media
- Prepare a plan to market your campus to the community
- Prepare written communication for faculty, students, parents and community

Standard V: Learner-Centered Organizational Leadership and Management
A principal is an educational leader who promotes the success of all students through leadership and management of the organization, operations, and resources for a safe, efficient, and effective learning environment.

- Organize and supervise a school event
- Assist in coordinating and supervising testing
- Participation in administrative team activities

Standard VI: Learner-Centered Instructional Leadership and Management
A principal is an educational leader who promotes the success of all students by facilitating the design and implementation of curricula and strategic plans that enhance teaching and learning; alignment of curriculum, curriculum resources, and assessment; and the use of various forms of assessment to measure student performance.

- Attendance at meetings of curriculum committee
- Assist in preparing a master schedule
- Participation in scheduling activities
- Discussion of curriculum development with administrators
- Review tardy and absentee policies
- Participate in implementation of a curricular change
- Participate in student conduct interventions and hearings
- Participate in the location and utilization of computers
- Review school/district management information systems
- Develop a positive reward program for improving tardy and absentee rates

Standard VII: Learner-Centered Curriculum Planning and Development
A principal is an educational leader who promotes the success of all students by advocating, nurturing, and sustaining a campus culture and instructional program conducive to student learning and staff professional growth.

- Participate in long range planning
- Participate in the development of action research
- Participate in the co-curricular and extracurricular programs

Department of Educational Leadership Texas A&M University-Commerce
Campus Supervisor/Site Administrator Permission Form

has enrolled this semester in Educational Administration 614, the internship for the mid-management or principal certificate. The department requests that the intern select from the seven standards outlined in the internship brochure and from the additional suggested activities (attached) and record at least 150 hours of activities. The intern is asked to spend a minimum of ten hours per week in the internship, actively participating in campus-level and other mid-management experiences. These hours may be arranged at the convenience of the public school cooperating administrator and the intern.

I, the undersigned cooperative administrator, do hereby accept the above-named intern. I will assist in supervising his/her activities for the required amount of time this semester. I understand my responsibilities as outlined in the Internship Packet and agree to meet with him/her periodically to assess and guide the internship activities.

Cooperating Administrator

Complete and return with internship packet by July 1 for the Fall or November 1 for the Spring to:

Internship Coordinator Educational Leadership Department Texas A&M University-Commerce Commerce, TX 75429-3011 903.886.5520

Preferred method of submittal is to PDF completed application and email to EducationalLeadership@tamuc.edu with:

Required Internship Activities for Semester

<table>
<thead>
<tr>
<th>Intern Name:</th>
<th>Semester</th>
<th>University Supervisor</th>
</tr>
</thead>
</table>

☐ Initial proposal submitted and approved

☐ Intern documents experience at a second campus. (at least 8 hrs)

☐ Intern attends one off-campus staff development per semester.
(Related to campus administrator responsibilities)

☐ University supervisor visits intern.

☐ Intern attends internship meeting(s) organized by university supervisor.

☐ Intern submits final self-assessment profile.

☐ Intern submits final professional resume (or portfolio).

☐ Intern meets total hour requirement

☐ Each of 7 standards is documented with artifacts.

☐ Required activities are documented in logs:

**Standard I: Learner-Centered Values and Ethics of Leadership:**
- Model ethical conduct and integrity by participating in decision-making activities with students and teachers.
- Provide the Code of Ethics and Standards Practices for Texas Educators to all faculty individually or in a group.

**Standard II: Learner-Centered Leadership and Campus Culture:**
- Chair, plan, and implement a school activity.
- Participate in the meetings and activities of the site-based committee.
- Review the campus vision. In the log, discuss awareness and strategies that could be used to implement the vision.

**Standard III: Learner-Centered Human Resources Leadership and Management:**
- Review the hiring process and participate in the selection of staff.
- Provide leadership regarding staff development planning or delivery for your campus.
- Observe a classroom teacher and provide feedback in a post-observation conference.

**Standard IV: Learner-Centered Communications and Community Relations:**
- Review the process for collecting community feedback as it relates to school improvement.
- Prepare written communication for internal and external constituents.

**Standard V: Learner-Centered Organizational Leadership and Management:**
- Supervise a school event
- Organize and participate in campus administrative team activities
- Participate in planning or managing the campus budget.

Updated Spring 2013
• Review custodial services, maintenance, or food services on your campus. Participate in a custodial or maintenance building inspection.
• Follow the purchasing process at the campus level from the initial request to completion of the transaction.
• Plan and submit a timeline of intern activities to the university supervisor.
• Create and/or evaluate your campus safety plan suggesting changes, additions, or practice opportunities.
• Organize an evacuation drill.

**Standard VI: Learner-Centered Curriculum Planning and Development:**
• Assist in planning the campus master schedule.
• Review the use of technology as an instructional tool.
• Participate and provide leadership with planning, implementation, or supervision of curriculum.
• Participate in campus co-curricular and extracurricular programs.

**Standard VII: Learner-Centered Instructional Leadership and Management:**
• Assist in student discipline by working actual student discipline cases.
• Provide leadership for assembly programs, graduation, new student orientation programs, or other student programs.
• Review the process for selection and distribution of textbooks or other instructional materials.
• Evaluate one of the following: instructional program, an instructional practice, a delivery method.
ATTACHMENT 7
Suggestions for Campus Supervisor / Site Administrator

The quality of the internship is related to support provided by the campus site administrator and university professor. The following are suggestions for you, the campus site administrator, based on prior successful internships.

☐ Be willing to make the internship a valuable experience for the aspiring administrator.

☐ Explain to the faculty the role and responsibilities of the intern.

☐ Allow the aspiring administrator a variety of experiences in the areas of budgeting, curriculum improvement, scheduling, facilities, transportation, food services, supervision, and public relations.

☐ Many past aspiring administrators have benefited from the opportunity to work in the office substituting in the absence of the principal or assistant principal. Many have allowed the student to use professional business days.

☐ Be honest with your feedback. Constructive feedback will help the aspiring administrator address areas of growth.

☐ Allow the intern to participate in parent conferences and teacher evaluations to the extent possible. It is appropriate to reinforce ethics involved in school administration.

☐ When assigning projects, assist the aspiring administrator with planning the outcomes, deadlines, and needed resources.

☐ Share professional reading and important news with the aspiring administrator.

☐ While the aspiring administrator is available to assist you with a variety of tasks, please try to vary the assignments so that the intern gets diverse experience.

☐ The aspiring administrator is required to obtain at least eight hours in a second assignment and attend at least one off campus staff development that relates to principals.

☐ Allow the aspiring administrator to shadow you during a full day. They should observe and assist you in all your activities. Be sure and ask them to be present for your entire day (i.e. 7am- 7pm) so that they can get a realistic view of the job. While it may be awkward to have someone with you throughout the day, shadowing is very valuable and not replicable in a university setting.
