The 46th ACS DFW Meeting-in-Miniature (MiM) will be held at the Keith D. McFarland Science Building of Texas A&M University-Commerce on Saturday, April 27, 2013 (symposium location and direction).

All students are invited to present their research results. For each presentation, the Abstract is due by April 5, 2013. The abstract should be submitted using the attached format. The following are the guidelines for abstract submission. Please submit the abstract via e-mail as a MS Word attachment to Dr. Bukuo Ni, bukuo.ni@tamuc.edu. Posters will be judged based on the following guidelines.

Group Activities, including a Planetarium show or horse riding activities at the University Equine Center may be arranged depending on the interest. The schedule of the meeting contains more information about events and other activities.

Everyone attending the meeting—students, faculty, and judges—must register by completing the registration form then e-mail it to Dr. Allan Headley, allan.headley@tamuc.edu. There is no cost for registration, however attendees must register so that we can get an accurate count of attendees.

Further information on the meeting may be obtained from MiM Conference Chair: Dr. Allan Headley, allan.headley@tamuc.edu, (903) 886-5392 or FAX (903) 468-6020.
