Jackie.Henke@tamuc.edu  
314.609.9624

## **SUMMARY**

Data analyst, criminal justice researcher, and applied sociologist. PhD in Sociology. Skilled in database management, data dashboard design, and the analysis of performance metrics and data trends to inform institutional and public policymaking.

## **EDUCATION**

**Ph.D. in Sociology**      Purdue University | 5/2019 | Concentration: Law and Society  
**M.S. in Sociology**      Purdue University | 12/2014 | Concentration: Law and Society  
**M.A. in Sociology**      Arkansas State University | 8/2013 | Concentration: Family and Gender Studies  
**B.A. in Sociology**      Duquesne University | 8/2012 | Minor: Psychology

## **PROFESSIONAL EXPERIENCE**

### **Adjunct Faculty**

Texas A&M University-Commerce | Spring 2022

(HIGHER EDUCATION, INFORMATION DESIGN)

- Teaching one section of SOC 597: Applied Sociology

### **Senior Data Analyst**

Judicial Council of California | November 2021 – Present

(DATA ANALYTICS, DASHBOARDS, JUSTICE SYSTEM RESEARCH)

- Proposing and recommending data governance policies for Judicial Branch Statistical Information System data collection and reporting
- Providing analytic support to the California Court Executives Advisory Committee

### **Management Data Analyst**

Superior Court of Alameda County | October 2019 – September 2021

(SQL, DATA ANALYTICS, DASHBOARDS, JUSTICE SYSTEM RESEARCH)

- Wrote over 200 SQL queries and procedures to extract and format data from the Court's case management systems
- Analyzed court data using SQL, Stata, and M; developed data dashboards; created data exports for public information requests; and provided analytical interpretation support to court management and executive teams
- Served as a member of the California Judicial Branch ITAC Data Analytics Workstream

### **Administrative Data Analyst**

Superior Court of Santa Barbara County | April 2018 – October 2019

(SQL, DATA ANALYTICS, DASHBOARDS, JUSTICE SYSTEM RESEARCH, INFORMATION DESIGN)

- Developed automated reports and data dashboards using SSMS and Power BI to monitor and evaluate court operational trends, pilot program metrics, and judicial workload
- Designed a series of maps and informational resources for court staff and visitors
- Created VBA procedures in Excel to assist with data entry, syncing, and quality assurance for a project involving sensitive data

### **GIS Research Assistant**

Center on Religion & Chinese Society | January 2016 – May 2018

(GEOSPATIAL RESEARCH, INFORMATION DESIGN)

- Produced and formatted ~150 maps (point, density, choropleth, terrain, binned, heat, proximity) in ArcGIS for research presentations and an academic atlas
- Designed uniform style guide for Center reports, presentations, and visualizations

**Instructor/Teaching Assistant**

Purdue University | January 2014 – August 2017

(HIGHER EDUCATION, INFORMATION DESIGN)

- Developed and taught two sociology courses: Introduction to Sociology and Social Problems
- Assisted with teaching sociology and criminal justice courses

**Evaluation Research Assistant**

Discovery Learning Research Center | September 2014 – December 2016

(HIGHER EDUCATION, PROGRAM EVALUATION)

- Collaborated with other researchers to measure and evaluate experimental education program outcomes
- Assisted with the collection and analysis of education-related survey, interview, participant observation, and focus group data

**Restorative Justice Fellow**

Transportation Alternatives | Summer 2016

(JUSTICE SYSTEM RESEARCH, PROGRAM EVALUATION)

- Led an evaluation of a restorative justice pilot program at the Red Hook Community Justice Center
- Conducted literature reviews on restorative justice programs and deterrence policymaking to inform organizational legislative positions

**Graduate Research Intern**

Vera Institute of Justice | Summer 2015

(JUSTICE SYSTEM RESEARCH)

- Conducted ~30 phone interviews with families of incarcerated people for a study on prison communication policies
- Assisted with literature reviews, data collection, and data analysis for research on solitary confinement, NYC victim support services, pretrial risk assessment, and US jail population trends

**TEACHING**

SOC 597: Applied Sociology

Texas A&M University-Commerce | Spring 2022

SOC 220: Social Problems

Purdue University | Summer 2017

SOC 100: Introduction to Sociology

Purdue University | Spring 2014

**RESEARCH PRESENTATIONS**

“New ICTs and the Incarcerated Workers Movement”

2017 MSS Annual Meeting – Session: Identities and Agencies of Life Inside US Prisons
