Texas A&M University – Commerce
Department of Nursing
2200 Campbell St.
Commerce, TX 75428

Dear Hiring Committee,

It is with great anticipation that I present my resume for the position of Full Time Professor in the School of Nursing at Joyce University. As a compassionate and committed individual with over 11 years of bedside experience and 16 years of teaching experience, I believe I am well suited for this position.

In my teaching career, I have taken on roles in a vocational nursing program, an associate nursing program, and a bachelor of science nursing program. These positions have given me a wide array of face-to-face, simulation, hybrid, and online educational experiences. Some of my greatest qualifications for the position include:

- Presenting well-prepared, organized, and clear lectures, as well as encouraging students on their academic progress.
- Providing students interesting and relevant assignments that demonstrate learning outcomes in a real-life setting.
- Coordinating lab activities and simulations in nursing skills required for basic and advanced nursing skill courses and assisting students in learning basic bedside care for patients.
- Serving as course coordinator in planning course curriculum and testing schedules in conjunction with other nursing course instructors.
- Serving on several committees as well as helping complete follow-up reports to the Texas Board of Nursing and reaccreditation reports to CCNE.

In addition to my professional qualifications as a registered nurse and nursing educator, I enjoy positive interaction with fellow employees and committee work. I have also enjoyed the opportunity to learn from other experts through educational & test-writing conferences in Minnesota and clinical simulation conferences in Florida.

I welcome the opportunity to meet with you to discuss how my experience and skills would be a beneficial addition to your institution and answer any questions you may have. Thank you for your time and consideration. I look forward to hearing from you soon.

Sincerely,

Melissa Vander Stucken

Melissa M. Vander Stucken, MSN, RN

MELISSA VANDER STUCKEN

133 Zengerle Rd., Cuero, TX 77954 | 361-648-5833 | mmvanderstucken@gmail.com
