COURSE INFORMATION

Materials – Textbooks, Readings, Supplementary Readings:

Textbook(s) Required:  

Course Description:  
This course is a comprehensive study of the early childhood pedagogy, research and curriculum, including the area of instruction, experience, and use of materials. A special emphasis will be given to planning curriculum that will help make learning meaningful for young children. The focus will be on integrated curriculum, child-centered philosophy, the role of play, and attention to the individual child’s needs and interests. Reflecting and supporting diversity in addition to utilizing assessment tools and processes will also be emphasized.

Student Learning Outcomes:  
1. To investigate theories and practices associated with ECE curriculum.  
2. To examine techniques used in authentic assessment and evaluation of young children.  
3. To create instructional materials, activities, and experiences used to teach the curriculum in all areas.  
4. To plan activities for an active hands-on approach to the curriculum where children can learn specific skills and concepts.  
5. To demonstrate methodology for teaching an integrated curriculum to young children.  
6. To develop curriculum sensitive to cultural pluralism and children with special needs.

COURSE REQUIREMENTS

Instructional / Methods / Activities Assessments  
1. Complete the Midterm Exam and Final Exam.  
2. Read all assigned chapters from the textbook prior to the due date and actively participate in discussion online and in class.  
3. Classroom Design: Design your ideal preschool classroom. Justify the arrangement you have made based on your study of the subject. Specify what furniture and
equipment you would use and why. The completed assignment should consist of one
page for the diagram of the classroom and one page of your answers.

4. **Interview with an Early Childhood Educator**: Interview an early childhood teacher or
administrator. Write a detailed overview of the interview. Include what they feel are the
challenges facing new teachers today along with tips they could give to ensure your
success. Let me know who you interviewed and why you selected that person. Make
sure and check your grammar, spelling, and punctuation before submitting it. A rubric
will be provided with the questions.

5. **Lesson Plans**: Develop and submit 5 lesson plans around one integrated theme that
reflect developmentally appropriate practice for the age or grade level you are most
interested in teaching in the EC-2 age/grade range. A rubric will be provided. Develop
a lesson plan for each of the following subject areas:

   Reading/Language Arts (Chapters 9 & 10)
   Math (Chapter 11)
   Science (Chapter 12)
   Creative Arts (Music, Drama, Movement, or Visual Art—Chapter 13)
   Social Studies (Chapter 14)

**TECHNOLOGY REQUIREMENTS**

The following information has been provided to assist you in preparing to use technology
successfully in the course whether it is web-enhanced or online.
- Internet access/connection—high speed recommended (not dial-up)
- Headset/microphone (if required for synchronous sessions in an online course)
- Word Processor (i.e. MS Word or Word Perfect)

Additionally, the following hardware and software are necessary to use eCollege: Our campus is
optimized to work in a Microsoft Windows environment. This means our courses work best
if you are using a Windows operating system (XP or newer) and a recent version of
Microsoft Internet Explorer (6.0, 7.0, or 8.0). Your courses will also work with Macintosh
OS X along with a recent version of Safari 2.0 or better. Along with Internet Explorer and
Safari, eCollege also supports Firefox browser (3.0) on both Windows and Mac operating
systems.

It is strongly recommended that you perform a “Browser Test” prior to the start of your course.
To launch a browser test, log in to eCollege, click on the ‘myCourses’ tab, and then select
the “Browser Test” link under Support Services.
This course will be facilitated using eCollege, the Learning Management System used by Texas A&M University-Commerce. To get started with the course, go to: https://leo.tamu-commerce.edu/login.aspx. You will need your CWID and password to log in to the course. If you do not know your CWID or have forgotten your password, contact Technology Services at 903.468.6000 or helpdesk@tamu-commerce.edu.

Interaction with Instructor Statement:
You may contact me by calling my cell phone at 972.746.5774 between the hours of 8 a.m. until 5 p.m. Monday through Friday or by email. Online classes should communicate in the course shell. Virtual Office hours will be 2-4 p.m. on Mondays and Thursdays, or by appointment.

Course Specific Procedures:
Attendance at all class meetings is required and is essential to your success in this course. Participants are expected to be on time and to actively participate. Please refer to the catalog for information on absences.

Cell phones/Beepers/Text Messaging/Emailing: These are all prohibited during class, so please turn all electronic devices off before entering the classroom. If you have a critical family situation or emergency, please inform the instructor before class.

Assignment due dates: All assignments are due by the specified date. An automatic ten-point reduction will be taken for late work. After an assignment is one week late, it will not be graded.

Written assignments: All written assignments are to be typewritten, double-spaced, in a legible standard 12 point font (no script fonts), with 1 inch margins (top, bottom, and sides). They are expected to exhibit professional quality, including mastery of organization, structuring, and editing (for all mechanics) in your writings. Poor grammar, spelling errors, and inappropriate vocabulary usage will result in a deduction of points.

Plagiarism of Writings: Be sure to cite your references. Plagiarism will result in a grade of “F” for the course and may result in your dismissal from the program.

Class Participation: This course is based upon a high level of participation.

University Specific Procedures:

Attendance
It is the prerogative of the instructor to drop students from courses in which they have accrued excessive absences (three or more). However, a student wishing to drop the course should do so. Failure to do so may result in a failing grade.
Academic Honesty Policy

Texas A&M University-Commerce does not tolerate plagiarism and other forms of academic dishonesty. Conduct that violates generally accepted standards of academic honesty is defined as academic dishonesty. "Academic dishonesty" includes, but is not limited to, plagiarism (the appropriation or stealing of the ideas or words of another and passing them off as one's own), cheating on exams or other course assignments, collusion (the unauthorized collaboration with others in preparing course assignments), and abuse (destruction, defacing, or removal) of resource material.

Disciplinary action for these offenses may include any combination of the following:

1. Point deduction on an assignment.
2. Failure for an assignment.
3. A grade of zero for an assignment.
4. Failure for the course.
5. Referral to the Academic Integrity Committee or department head for further action.
6. Referral to the Dean of the College of Education and Human Services, Business and Technology, Arts and Sciences, or Graduate School as appropriate.
7. Referral to the University Discipline Committee.
8. Communication of student's behavior to the Teacher Certification Office and/or Dean of the College of Education as constituting a reason to bar student from entering into or continuing in a teacher certification program. Procedures, A 13.04, 13.12, 13.31, and 13.32

ADA Statement

The Americans with Disabilities Act (ADA) is a federal anti-discrimination statute that provides comprehensive civil rights protection for persons with disabilities. Among other things, this legislation requires that all students with disabilities be guaranteed a learning environment that provides for reasonable accommodation of their disabilities.
