**Course Description:** A study of accounting as related to making decisions. Readings, cases and problems dealing with managerial accounting issues, accounting concepts, budgeting and cost control, using accounting information in planning and control.

**Course Objectives:** To develop knowledge about, and proficiency in the use of, accounting as an information system for measuring, processing and communicating information that is useful in making economic decisions. To gain knowledge of the generally accepted accounting principles and procedures essential to the preparation and analysis of various reports that aid in managerial decision making and be able to apply them to practical situations.

**Course Embedded Assessment Objectives:** Your achievement level for each objective will be measured by your success in completing the quizzes and examinations.

- Understand the role of managerial accountants in corporate governance and decision making;

- Provide information to managers to help them make decisions; and,

- Provide information to managers to control other managers and employees.

**Grading Policy**
Course grades will be based upon two exams (100 points each), three quizzes (33, 33 and 34 points each) and a paper (100 points). Grades for the course will be determined by converting each student’s points out of a possible 400 into a percentage and then applying the following ranges:
The above point spreads are guaranteed grades. In other words, if you score in a particular range you are guaranteed at least that grade. The instructor reserves the right to lower the range for a particular grade, at his discretion. **Cheating will not be tolerated. Anyone caught cheating will receive zero on that test or quiz and will be subject to academic sanction.**

**Examinations:**
The exams will be available in eCollege.

**Quizzes:**
The quizzes will be available in eCollege.

**Class Live Pro:**
This course will make use of Class Live Pro. During the first week of class information will be sent out regarding these sessions. You are required to either log in to the session or to watch it in the archives. This is a departmental policy and your attendance is mandatory.

**Academic Honesty Policy:**
All students must follow and conform to the University policy on Academic Honesty. A copy of this will be sent to you and you must sign and return it to the dropbox.

**ADA Policy:** Students requesting accommodations for disabilities must go through the ADA Compliance Committee.
