ATTENDANCE/PARTICIPATION:

Attendance is encouraged, but not required. Given the difficulty of this material, you will NOT pass this class without regular reading (prior to class), class attendance, and participation.

TEACHING PROCEDURES:

The class will be conducted in a lecture/discussion format. Be prepared to discuss and ask questions about the material assigned for each class period. This will require that you read the material prior to the class period during which it will be discussed. Although many of the issues covered in the readings will be discussed in class, all the areas covered in the readings will not be part of class discussion. You are encouraged to participate in class. Participation is based on volunteering for class activities and exhibiting a positive attitude, demonstrated by attentive, courteous, and respectful behavior at all times. The nature of this course encourages an interactive forum, and everyone has something valuable to contribute. Disruptive or rude behavior will not be tolerated.

EXAMS:

There will be ONE midterm exam and a comprehensive final. You will be responsible for information from class discussion, required readings, and any guest speakers. There will be no “cheat sheets” allowed during the exams unless otherwise noted by the instructor. No makeup exams will be given unless for a university allowed excused absence. For an excused absence, the make-up exam will be administered prior to the scheduled exam. If you need to miss an exam for an excused absence let me know in advance so we can make arrangements. Anyone missing an exam (unexcused) will fail the course.

ASSIGNMENTS/QUIZZES:

You will receive quizzes during the semester; these quizzes are solely for your benefit, at your discretion, and will not count towards your grade. These assignments and quizzes will include text questions and/or supplemental activities.

PARTICIPATION:

This course is based on the belief that mastery of the subject matter occurs through taking an active role in the learning process. Students are expected to attend class regularly and punctually. Lectures will be most beneficial when you complete assigned readings before topics are discussed in class. Assignments should be read prior to the appropriate class meeting.

ACADEMIC INTEGRITY/PLAGERISM:

All academic work must meet the standards contained in A Culture of Honesty: Policies and Procedures on Academic Honest. Students are responsible for informing themselves about those standards and for observing the University Honor Code. Plagiarism occurs when a student submits work that is not his or her own. This includes copying from printed materials, websites, or from other people. All students are expected to turn in work that has been completed individually, unless otherwise informed by the instructor. Any assignment containing plagiarized material will automatically be graded as zero.

Students with Disabilities:
The Americans with Disabilities Act (ADA) is a federal anti-discrimination statute that provides comprehensive civil rights protection for persons with disabilities. Among other things, this legislation requires that all students with disabilities be guaranteed a learning environment that provides for reasonable accommodation of their disabilities. If you have a disability requiring an accommodation, please contact:

Students are expected to assist in maintaining a classroom environment that is conductive to learning. In order to assure that all students have an opportunity to gain from time spent in class, students are prohibited from using cellular phones or beepers, making offensive remarks, chatting, reading newspapers, sleeping, or engaging in any other form of distraction. Inappropriate behavior in the classroom shall result in “minimally” a request to leave class.

POLICY ON LATE WORK:

Late work WILL NOT BE ACCEPTED without a university excused absence as defined by Texas A&M – Commerce Rules and Procedures 13.99.99.R0.01. Note: keep a copy of your work - this protects you in the event of questions about missing assignments.

Excused absences include and are limited to:
