COURSE REQUIREMENTS/GRADING:

1. **Video Taping of Clients.** All students are required to videotape (VHS or digital format) counseling sessions with clients from their field sites. Three videotaped counseling sessions will be submitted to the instructor for supervision feedback. You will turn in a detailed self-evaluation of your counseling skills with your tape. A handout will be provided with specific instructions for this requirement. In addition to these graded tapes, you will need to turn in a videotape of you with a friend or classmate. This tape is to demonstrate your basic skills including paraphrasing, using open questions, and reflection of feeling. **Due 9/15.**

2. **Group counseling.** Students are required to lead one psycho-educational or counseling group (minimum 6 sessions) in their setting. If you are in a community setting and are not allowed to lead a group, please let me know as soon as possible. Videotaping of two group sessions is required. Students will be required to submit a
detailed summary of the group, which includes an analysis of content and process, individual member progress evaluations, and a self-evaluation of new learning. A detailed instruction sheet will be provided for this requirement.

3. **Theory summary.** Students are required to write a summary describing your theory of choice. A handout will be provided with specific instructions for this assignment. **Due 11/07**

4. **Attend all individual supervision sessions.** One of the most important requirements and benefits of practicum is to meet individually with the doctoral student who will serve as your individual supervisor. You must keep your appointments with your supervisor. **If you miss more than two appointments with your supervisor, you will not pass the course.** In addition to keeping your appointments, it is very important for you to be open and receptive to supervision. You will bring a videotape to each of your sessions with your supervisor beginning the week of 9/05. Failure to bring a tape will adversely affect your grade. If you have not had play therapy or currently taking play therapy, you will not bring tapes of any client younger than third grade. If you are currently taking play therapy, it will be up to me to decide when you are ready for play sessions with clients.

5. **Group supervision.** You will be asked to bring a tape and handouts to class during the semester. One of your tapes will be of a group counseling session. The class or small group will listen to your tape and use the tape as a stimulus for group discussion and supervision. These group supervision tapes will begin on 9/12.

**Grading**

This class is pass/fail. You must have a minimum of 240 points to pass the course.

If you know that you are going to miss a class, email or call me 24 hours prior to class. More than 2 absences from class will result in a deduction of 30 points from your final grade. As stated previously, missing more than one supervision session will result in a deduction of 30 points from your grade and missing more than two individual supervision sessions will result in a failing grade in the class. Make every attempt to be on time. Arriving late will affect your grade.

**In class, it is inappropriate and disrespectful to check email or text during class.**
Do not bring laptops to class and turn off cell phones. If you have an emergency situation in which you must be contacted during class, bring it to my attention prior to class and set your phone on vibrate.
