Course Description: SED 401 – This integrated curriculum course parallels the residency experience within the student teaching semester and emphasizes instructional design, instructional delivery, assessment, management strategies, professional development and instructional technology. University faculty will be responsible primarily for establishing the theoretical foundations and mentor teachers will assist the Resident in translating educational theory into actual classroom practices. Mentor teachers and university faculty will comprise a collaborative team who will guide the Resident. An overview of all competencies for the TExES PPR will be covered.

Student Learning Outcomes:
1. From PPR Competency 005  
The teacher knows how to establish a classroom climate that fosters learning, equity, and excellence and uses this knowledge to create a physical and emotional environment that is safe and productive.
2. From PPR Competency 006  
The teacher understands strategies for creating an organized and productive learning environment and for managing student behavior.
3. From PPR Competency 008  
The teacher provides appropriate instruction that actively engages students in the learning process.
4. From PPR Competency 009  
The teacher incorporates the effective use of technology to plan, organize, deliver, and evaluate instruction for all students.
5. From PPR Competency 010  
The teacher monitors student performance and achievement; provides students with timely, high-quality feedback; and responds flexibly to promote learning for all students.
6. From PPR Competency 011  
The teacher understands the importance of family involvement in children's education and knows how to interact and communicate effectively with families.
7. From PPR Competency 012  
The teacher enhances professional knowledge and skills by effectively interacting with other members of the educational community and participating in various types of professional activities.
COURSE REQUIREMENTS

Instructional/Methods/Activities Assessments: Details provided separately during early seminar sessions.
1. Journals 9-17 electronically submitted and meeting the criteria as indicated in the Student Handbook.
2. Final Prezi Presentation: (Project Description to be presented in Seminar)

COURSE AND UNIVERSITY PROCEDURES/POLICIES

Course Specific Procedures:

Please note numerous small group projects take place during seminar meetings requiring your punctuality and presence to complete and receive credit. Students are required to sign-in at each seminar. Absences, tardiness, stepping out and leaving Seminar early will result in a deduction of grade points. Please act in a professional manner. If a student teacher misses more than one (1) seminar class during the semester, he or she is considered at risk and may be placed on a growth plan.

ATTENDANCE POLICY FOR THE FIELD BASED EXPERIENCE: Both the bi-weekly seminar class meetings (SED 302 / 401) and the intern-residency days in the field (SED 404/405) are considered to be class days.

SEMINAR ATTENDANCE - Because of the length of the Seminar sessions, only one (1) excused absence is allowed for the eight seminar sessions for SED 302 / 401. Notify any one of the Seminar instructors of your absence immediately by telephone or email. You may also call the main office at 903.886.5537 and leave a message on the morning of Seminar. Missing more than one Seminar and/or continual tardiness can result in a lowering of your grade, being placed on a growth plan or removal from the program. You have a reached a level of professionalism that no longer tolerates a pattern of absences or tardiness. Please maintain your professional status. You are being observed daily and recommendations for employment will follow.

RESIDENCY ATTENDANCE - Only three (3) excused absences are allowed during the entire semester during your field-based student teaching (SED 404/405). Any missed day/s in excess of the three (3) absences will need to be made up during the week prior to Commencement in order to receive a passing grade. Tardiness is not acceptable in the field. You MUST arrive in your classroom on time. Again, your lack of attendance and/or punctuality will result in a poor evaluation, being placed on a growth plan, or removal from the program. An excused absence is one for which the Resident has the approval of his or her mentor
teacher(s), the university instructor, and the university liaison and follows the attendance policy stated in the college catalog and Student Handbook. Approval for absences must be obtained prior to the start of the school day to be missed. If you are ill and will be absent from the field, you must notify your liaison, assigned mentor(s), university instructor, and school prior to the start of the school day.

If the Resident has more than three absences, an ILT meeting will be held to determine the Resident’s status. Residents will be immediately removed from the program for any unexcused absences.
