**COURSE AND UNIVERSITY PROCEDURES/POLICIES**

**Course Specific Procedures:**

Please note numerous small group projects take place during seminar meetings requiring your punctuality and presence to complete and receive credit. Students are required to sign-in at each seminar. Absences, tardiness, stepping out and leaving Seminar early will result in a deduction of grade points. Please act in a professional manner. If a student teacher misses more than one (1) seminar class during the semester, he or she is considered at risk and may be placed on a growth plan.

**ATTENDANCE POLICY FOR THE FIELD BASED EXPERIENCE:** Both the bi-weekly seminar class meetings (SED 302 / 401) and the intern-residency days in the field (SED 404/405) are considered to be class days.

**SEMINAR ATTENDANCE** - Because of the length of the Seminar sessions, only one (1) excused absence is allowed for the eight seminar sessions for SED 302 / 401. Notify any one of the Seminar instructors of your absence immediately by telephone or email. You may also call the main office at 903.886.5537 and leave a message on the morning of Seminar. Missing more than one Seminar and/or continual tardiness can result in a lowering of your grade, being placed on a growth plan or removal from the program. You have a reached a level of professionalism that no longer tolerates a pattern of absences or tardiness. Please maintain your professional status. You are being observed daily and recommendations for employment will follow.

**RESIDENCY ATTENDANCE** - Only three (3) excused absences are allowed during the entire semester during your field-based student teaching (SED 404/405). Any missed day/s in excess of the three (3) absences will need to be made up during the week prior to Commencement in order to receive a passing grade. Tardiness is not acceptable in the field. You MUST arrive in your classroom on time. Again, your lack of attendance and/or punctuality will
result in a poor evaluation, being placed on a growth plan, or removal from the program. An excused absence is one for which the Resident has the approval of his or her mentor teacher(s), the university instructor, and the university liaison and follows the attendance policy stated in the college catalog and Student Handbook. Approval for absences must be obtained prior to the start of the school day to be missed. If you are ill and will be absent from the field, you must notify your liaison, assigned mentor(s), university instructor, and school prior to the start of the school day.

If the Resident has more than three absences, an ILT meeting will be held to determine the Resident’s status. Residents will be immediately removed from the program for any unexcused absences.

Required for Residency in SED 404/405/452 when applicable

Formal Lesson Plan Format

ALL Resident-teachers are required to use the same lesson plan format based on the “Lesson Cycle” when developing lessons. During formal teaching observations, liaisons expect the lesson cycle and the formal lesson plan format to be followed. The lesson plan will be referenced during formal teaching evaluations. While one may not use such a formal lesson plan after years of teaching, this method will enable the resident-teacher to plan a well-developed lesson as a beginning teacher. Liaisons will ask for the weekly lesson plan objectives/activities during visits and expect a formal lesson plan during teaching evaluations. Please be organized in all subject areas! The resident is NOT expected to fly by the seat of his/her pants. Plan your work and work your plan!

Once the Residency begins (approximately February 28th, unless otherwise noted), Resident teachers are required to submit Weekly Lesson Plan Objectives/Activities for the classes they are teaching. When one’s teaching performance is being officially evaluated by the liaison, the Resident teacher is required to complete and submit a Formal Lesson Plan as provided in the Student Handbook. Both the Weekly Lesson Plan Objectives/Activities and Formal Lesson Plans will be calculated into the final grade for SED 404, SED 405, and ELED 452 for the all-level teachers. Following you will find the template for the Formal Lesson Plan and Weekly Lesson Plan Objectives/Activities.
