7. The student will demonstrate the ability to be a reflective teacher.
8. The student will analyze, synthesize, and evaluate the five proficiencies applying to the field based setting.
9. The student demonstrates an understanding of legal and ethical requirements for educators.
COURSE REQUIREMENTS

Instructional / Methods / Activities Assessments
This course utilizes a practicum approach such as observations, small group/whole group instruction, co-teaching, and full-time teaching in the field. Seminars will be held about twice a month and uses an integrated approach to connect learning and experiences.

Lesson Plans and Evaluation:
Student Learning Outcomes: #1-9 See above
Assessment Method: Documentation through lesson plans, evaluations, observations (Mentor/Liaison), Journals, ITEP’s/Lesson plans, lesson evaluations, etc.

- Demonstrate your knowledge of the typical stages of cognitive, social, physical and emotional development of your students by developing lessons appropriate for the children you are teaching.
- Demonstrate your knowledge of student diversity by planning learning experiences and assessments that are responsive to difference among students.
- Design effective and coherent instruction and assessment based on appropriate learning goals and objectives.
- Plan effective, engaging instruction and assessment based on learning processes and factors that impact student learning.
- Establish a classroom climate that fosters learning, equity, and excellence.
- Manage student behavior through organized strategies.
- Communicate effectively in varied teaching and learning contexts.
- Actively engages students in all teaching and learning contexts.
- Use effective technology to plan, organize, deliver and evaluate instruction for all students.
- Provide timely, high quality feedback to students through written and oral means.
- Six formal evaluations must be completed this semester. Two formal evaluations from the school (mentor teachers and administrators) and one from the university liaison in each of your placements must be completed. At each evaluation please have prepared for the evaluator the following items: your lesson plan, a lesson evaluation form, a seating chart, and all handouts to be used during your lesson.
- Team Evaluation Report—documentation by the ILT of accomplishments at mid-term and end of the semester

Strategy Share:
Student Learning Outcomes: # 2, 5-7 See above
Assessment Method: Students will share sections of the strategies they have observed and/or implemented in their field experience. Pictures/description will be uploaded into eCollege in the appropriate folder under the docsharing tab.

Folders:
- Classroom management
- Organization
- Instructional
- Communication
- Strategies—ELL’s, Accommodations, G.T., etc.
- Bulletin Boards

Technology Documentation:
Student Learning Outcomes: #3-6, & 9 See above
Assessment Method: Rubric, lesson plan, and lesson evaluation documenting technology integration--turned in at final conference to liaison
The Reflective Teacher:
Student Learning Outcomes: # 2, 3, 5, 7-9 See above

Assessment Method:
- Weekly reflection journals, seminar news/agenda’s
- Growth summaries
- Philosophy of education. Update your philosophy of education
- Professional portfolio. This should be ongoing. Keep it in a ready-to-go state and add to it during the semester. It will be utilized during your mid-term and final conferences. Remember, it’s how you communicate and showcase yourself.

Final Grading

Grading will reflect a combination of seminar and field work derived from the Instructional Leadership Team (ILT). Field focus: prior preparation, strength and delivery of lessons, knowledge of subject matter, utilization of lesson design, and assessment of student progress.

The following holistic scoring will be utilized:

A = Commendable. Well above average in initiative, thought, organization, reflection, and implementing professional choices. Evidences extensive control of own decision-making and learning progresses. Monitors, adjusts, and manages independently. Excellent attitude, attendance, participation and completion of assignments completed by due date.

B = Developing. Functional—but in need of instruction—in initiative, thought, organization, reflection, and implementing professional choices. Evidences some control of own decision-making and learning processes. Monitors, adjusts, and manages—but requires intervention. Good attitude, attendance, participation and completion of assignments completed by due date.

C/D = Needs Improvement. Significant lack of initiative, thought, organization, reflection, and responsibility. Evidences little to no control of own decision-making and learning processes. Does not adequately monitor, adjust, and manage even with significant intervention. Poor attitude, attendance, participation and completion of assignments completed by due date.

Grading (determined by below criteria and ILT)

1. Professional growth as demonstrated by:
   a. Professional growth portfolio
   b. Anecdotal records kept by the mentor teachers, university liaisons and seminar instructors
   c. ITEPs or lesson plans, and/or weekly resident reports
   d. Lesson Evaluations by mentor teachers and university liaison
   e. Professionalism (major component)

2. Written reflections

3. Attendance at school and university seminars (Mandatory every scheduled day)

REMEMBER: You are now a professional! These assignments are given to you as a professional, not a student. Be responsible, be precise, be a professional in everything that you do. You are modeling to your children, to your colleagues and to your mentors. We are expecting from you what your future employer will expect from you. How do you want others to perceive you and your performance?

TECHNOLOGY REQUIREMENTS

This course is web-enhanced for the purposes of accessing the course syllabus, rubrics for assignments, communication with instructor and classmates. The following information has been provided to assist you in preparing to use technology successfully in this course.

The following technology is required to be successful in this web enhanced course:
