Course Description

U.S. History from 1865 (HIST 1302) is a broad interdisciplinary course in the historical development of the United States and North America from 1865.

Since the breadth of American history during these years is too vast to completely document, we will explore those key markers of the American experience—technology, politics, industry, race, war, and the city, to name a few. These disparate, yet interrelated, themes will be analyzed with an eye towards current
trends in American society—and specifically, how we got from there to here. Through the use of PowerPoint demonstrations, video clips, audio recordings, primary sources, and a dialogue with contemporary materials, we will investigate the complexity of American society through its varied evolutions.

Student Learning Outcomes

Students will evaluate the ways in which war(s) impacted American society during the late nineteenth and twentieth century.

| **Attendance:** It counts, so it is in your best interest to attend class. Of course I realize that you have lives outside of the classroom, and therefore I encourage all who have special circumstances/needs to contact me. **7 or more absences = AUTOMATIC F FOR THE CLASS.** Each absence will reduce the attendance component of your grade by 1 point. (5% of total grade)

**Feedback Papers:** The assignment component of your grade includes 3, 3 page assignments. You will receive 0 - 3 based on your responsiveness to the question and the completeness of your answer. The first is based on a reading of Ayn Rand’s *Anthem*; the second assignment is based on a viewing of a documentary on Robert Moses; and the final assignment is a modest family history piece to be completed over Thanksgiving grub. Specific details of individual assignments will follow in class, so pay attention. **(3% each assignment (10% of total grade)) FAILURE TO COMPLETE ALL SHORT PAPERS WILL RESULT IN AN F FOR THE COURSE. 1 POINT OFF PER WEEK LATE. NO OUTSIDE SOURCES. PLAGIARISM = F AND IMMEDIATE EXPULSION FROM THE CLASS.**

**Long Paper:** Students are required to complete a 5 page paper. **SPECIFIC QUESTION TBA.** The paper will be based on a targeted question from Burton W. Folsom’s *The Myth of the Robber Barons: A New Look at the Rise of Big Business in America* (2007). I don’t want the essay to be a summarization of the book — I can read it myself! The object of the assignment is to state a firm argument, critically discuss your position, and argue for or against the points contained therein with VOLUMINOUS **CITED** EVIDENCE (35% of total grade). **NO LONG PAPER = F for the Course. NO OUTSIDE SOURCES. PLAGIARISM = F AND IMMEDIATE EXPULSION FROM THE CLASS.**

**Quizzes:** **4 QUIZZES, TOP 3 COUNT.** The quizzes will be 10 T-F, Multiple Choice and Fill-In-The Blank questions. The material will cover class discussion, ppt. presentations, and **the readings.** If you are absent, for whatever reason, that will be your tossed grade. Only compelling and supported excuses will be accepted if you should happen to miss 2 or more quizzes. **(10% each quiz (30% of total grade))**

**Final Exam:** The final exam **primarily** covers material after the last quiz, but **EVERYTHING** you learned during the semester is fair game. The test format is just like the quizzes except longer. There will be no left hooks but whether or not you attend class, pay attention and read the assigned material is critical for a satisfactory grade. **NO FINAL = F for the COURSE. (20% of total grade).**
TECHNOLOGY REQUIREMENTS

The following technology is required

A working email address on file with the university. **Be sure that your listed email is working and you regularly access it for updates.** When I send an email a presumption of delivery arises.

Internet connection (If you don’t have one at home use the school’s high speed connections)

Word Processor program (If you don’t have one try Open Office – it’s free and works just like MS OFFICE)

COURSE AND UNIVERSITY PROCEDURES/POLICIES

Course and University Procedures
Attendance: Attendance is mandatory. See Grading section for details.

Class Participation: Each week you are responsible for a group of readings. Students are expected to read the material, and actively participate in class discussion. I know this is a lecture based class and vigorous interaction will not always be possible. Nevertheless when I ask your opinion, I expect ALL of you to have one. If you are shy or awkward in public speaking situations I encourage you to speak up. The ability to formulate an argument and present it in public is critical to your development as a citizen, scholar, and member of the workforce. Sleeping, talking and/or general disinterest will lower your final class grade up to a full letter grade. Likewise, spirited debate, preparation and participation may raise your final class grade up to a full letter grade.

Plagiarism and Academic Honesty: Plagiarism, the use of the ideas, words, and theories of another author without proper attribution, is unacceptable and will not be tolerated. Students are expected to produce their own work on a timely basis. The tenets of academic honesty, and university policy, demand that any such infractions be met with severe penalties. IF you are caught, you will be immediately thrown out of the class and receive a grade of F. If you contest the matter, I will seek a permanent mark on your record noting a violation of the school’s honor code. DON’T DO IT! SEE http://gervaseprograms.georgetown.edu/honor/system/53377.html for details.

Civility, Decorum, and Good Conduct Policy: All students enrolled in the University shall follow the tenets of common decency and acceptable behavior conducive to a positive learning environment. Students are required to comport themselves in a way that is courteous and respectful to his/her fellow students and the instructor. Ad hominem attacks, disruptive conduct, and harassment will be met with the sternest possible sanctions including punishment assignments, seizure of cell phones, and/or expulsion from the class. THIS INCLUDES TURNING OFF/MUTING ANY AND ALL MP3 PLAYERS, CELL PHONES, COMMUNICATION, AND NOISE GENERATING DEVICES, AND STOWING THEM AWAY DURING CLASS.

Writing Center: Students are encouraged to take advantage of the resources of the Writing Center for assistance with drafting papers. The Writing Center is an open resource available to all. They will not write your paper; they will help you improve your writing skills. If you use the Writing Center, please plan ahead. They can only help you if you see them in advance and have time to incorporate their suggestions into the final paper.
