COMMUNICATION AND SUPPORT

**Interaction with Instructor Statement:**

*Participation & Communication:* I expect each of you to be active and thoughtful participants within the learning environment and your learning community. You may expect the same of me.

1. **Email is the best way to reach me as I check it daily.** I am also a GA for the office of Greek Life on campus and can be found MWF in the SRSC 2nd floor Student Activities Suite, but again email is the best method to reach me.

2. You can expect any assignments to be graded and returned to you within one week of its submission. If there are any delays in grading, I will alert all students via email or the next class date.

COURSE AND UNIVERSITY PROCEDURES/POLICIES

**Course Specific Procedures**

**Attendance & Participation:** Participation in class is critical not only to your grade but the class dynamic as a whole, therefore I expect you to be in class and participating. If you have more than 3 absences during the semester you will automatically be dropped 1 letter grade, and another letter grade for each absence thereafter.

**Late Work:**
I do not accept late work since this is a speech class and our focus is on speaking, it is hard to make-up a speech. Therefore unless you are absent with a written excuse (athletics per university, Dr. note from sick, or death in the family) no later work will be accepted.

**Statement on Student Behavior:**
As stated in the Student Handbook: “All students enrolled at the University shall follow the tenets of common decency and acceptable behavior conducive to a positive learning environment.” (See Student’s Guide Handbook, Policies and Procedures, Conduct, for more information). Please refer to the section on “netiquette” for information about expected behaviors in online discussion boards.

**Academic Honesty:**
Academic honesty is fundamental to the activities and principles of a university. All members of the academic community must work to provide an environment in which each student has the opportunity to be evaluated fairly on the basis of his/her own performance. University regulations regarding academic dishonesty will be strictly enforced. **At a minimum, any student found to be in violation of academic honesty policies will receive a zero on the exam or assignment involved.** ALL instance of academic dishonesty will be reported to both the Department Head as well as the Dean of the College of Humanities, Social Science & Art. These offices may also wish to evaluate the case and decide punishment independent of this professor’s actions. In short, cheating, plagiarizing and engaging in unethical student behavior carries a high price for such short-term rewards—don’t do it!

***If in doubt, check with your professor on citing procedures, format and style. See notes above about the use of turnitin.com in this class. See also the handout “how to cite” in document sharing for guidelines. Feel free to use any citation style you are familiar with: APA, MLA, ASA, and Chicago are all acceptable.

**University Specific Procedures:**
**ADA Statement**
The Americans with Disabilities Act (ADA) is a federal anti-discrimination statute that provides comprehensive civil rights protection for persons with disabilities. Among other things, this legislation requires that all students with disabilities be guaranteed a learning environment that provides for reasonable accommodation of their disabilities. If you have a disability requiring an accommodation, please contact:
