Course Specific Procedures:

Please note numerous small group projects take place during seminar meetings requiring your punctuality and presence to complete and receive credit. Students are required to sign-in at each seminar. Absences, tardiness, stepping out and leaving Seminar early will result in lowering of your grade. Please act in a professional manner. If a student teacher misses more than one (1) seminar class during the semester, he or she is considered at risk and may be placed on a growth plan.

ATTENDANCE POLICY FOR THE FIELD BASED EXPERIENCE: Both the seminar class meetings (SED 302 / 401) and the intern-residency days in the field (SED 404/405) are considered to be class days.

SEMINAR ATTENDANCE - Because of the length of the Seminar sessions, only one (1) excused absence is allowed for the eight seminar sessions for SED 302 / 401. Notify any one of the Seminar instructors of your absence immediately by telephone or email. You may also call the main office at 903.886.5537 and leave a message on the morning of Seminar. Missing more than one Seminar and/or continual tardiness can result in a lowering of your grade, being placed on a growth plan or removal from the program. You have reached a level of professionalism that no longer tolerates a pattern of absences or tardiness. Please maintain your professional status. You are being observed daily and recommendations for employment will follow.

RESIDENCY ATTENDANCE - Only three (3) excused absences are allowed during the entire semester during your field-based student teaching (SED 404/405). Any missed day/s in excess of the three (3) absences will need to be made up during the week prior to Commencement in order to receive a passing grade. Tardiness is not acceptable in the field. You MUST arrive in your classroom on time. Again, your lack of attendance and/or punctuality will result in a poor evaluation, being placed on a growth plan, or removal from the program. An excused absence is one for which the Intern has the approval of his or her mentor teacher(s), and the university liaison and follows the attendance policy stated in the college catalog and Student Handbook. Approval for absences must be obtained prior to the start of the school day to be missed. If you are ill and will be absent from the field, you must notify your university liaison, and mentor teacher(s) prior to the start of the school day.

If the Intern has more than three absences, an ILT meeting will be held to determine the Intern’s status. Interns will be immediately removed from the program for any unexcused absences.
