COURSE DESCRIPTION: The purpose of this course is to assist students in the development of skills in managing behaviors of students with disabilities at school, at home with parents and family, in the community, and in employment. Professional training in working with parents in the ARD process, professional organizations, and referral agencies is included.

COURSE COMPETENCIES - Students will demonstrate understanding and will apply knowledge of:

- instructional classroom management and the application of Positive Behavior Support
- special education terminology and definitions as it relates to behavior management
- procedures of assessment for planning classroom management
- the necessity of assessing and teaching social skills
- the role of punishment in instructional classroom management
- how persistent behavior problems develop and the implementation of appropriate intervention strategies
- a continuum of behavior support
- effective communication and collaboration in a variety of professional settings
- Functional Behavior Assessment and Behavior Intervention Plans

COURSE REQUIREMENTS:

1. Attendance and Assignments. Professional behavior includes being punctual and attending all class sessions. Activities and discussions in class will be utilized to promote understanding of course content. Students are expected to attend ALL classes. Excessive absences will result in course failure or in being dropped from class. Assignments are due on the date indicated; points will be deducted for late assignments.

2. In-class Activities. Students will participate in small group activities during class throughout the semester. In-class activities cannot be made up. (7 activities @ 10 pts. each = 70 pts.)

3. Internet Resource. Students will develop a resource of a minimum of five internet web sites that provide information about assessment of students with behavior problems (due 2/7) and a minimum of five internet sites that provide strategies for working with students with behavior problems (due 3/21). A short written discussion should contain information regarding contents of the web site and a critique of how effective and useful the site appears. (50 pts. each = 100 pts.)
4. **Social Skills Lesson Plan.** Students will develop a social skills lesson plan and will share this in class. (due 4/9, 30 pts.)

5. **Research Articles.** Students will research two articles.

   1. An article that describes ways reinforcement is effectively used with students with behavior problems. (due 4/18)
   2. An article on chronic/persistent misbehavior. (due 4/25)

   The journal article must be current (2009 or more recent), must be from an **educational journal**, and should follow the attached format. Abstracts are limited to one page and must be typed. A copy of the article (or the front page if it is lengthy) should be turned in with the abstract. (25 pts. each = 50 pts.)

6. **Behavior Intervention Plan.** Students will work in a small group to design a behavior intervention plan for a student with chronic/persistent misbehavior. (due 5/1, 50 pts.)

7. **Exams.** Two exams will be given during the semester. Each exam will be worth 100 pts.

**GRADING:** Grades for the course will be determined using the following scale:

- A = 450 - 500 pts.
- B = 400 - 449 pts.
- C = 350 - 399 pts.
- D = 300 - 349 pts.
- F = below 300 pts.

**CONDUCT:** All students enrolled at the University shall follow the tenets of common decency and acceptable behavior conducive to a positive learning environment. (See Student's Guide Handbook, Policies and Procedures, Conduct).

**USE OF ELECTRONIC DEVICES:** Common courtesy and professional behavior prohibit the use of electronic devices, including cell phones, during class. It is expected that all cell phones and other electronic devices will be turned off during class time. If there is a personal emergency that necessitates keeping your cell phone on “vibrate” during class, notify the instructor prior to class that you may receive a call during the class period.

**ACCOMMODATIONS:** The Americans with Disabilities Act (ADA) is a federal anti-discrimination statute that provides comprehensive civil rights protection for persons with disabilities. Among other things, this legislation requires that all students with disabilities be guaranteed a learning environment that provides for reasonable accommodation of their disabilities. If you have a disability requiring an accommodation, please contact:
