Other important notes:

- All students enrolled at the university shall follow the tenets of common decency and acceptable behavior conducive to a positive learning environment. (See current Student’s Guidebook) Use of Cell Phones: Common courtesy and professional behavior prohibit the use of cell phones (including for texting) during class. It is expected that all cell phones will be turned “off” during class time. If there is a personal emergency that necessitates keeping your cell phone on “vibrate” during class, notify the instructor prior to class that you may receive a call during the class period.

- Students with Disabilities: The Americans with Disabilities Act (ADA) is a federal anti-discrimination statute that provides comprehensive civil rights protection for persons with disabilities. Among other things, this legislation requires that all students with disabilities be guaranteed a learning environment that provides for reasonable accommodation of their disabilities. If you have a disability requiring an accommodation, please contact:
  Texas A&M University-Commerce - Office of Student Disability Resources and Services, Gee Library, Room 132
  Phone (903) 886-5150 or (903) 886-5835; Fax (903) 468-8148; StudentDisabilityServices@tamu-commerce.edu

- All assignments are due on the stated due dates. Late submissions will affect the number of points awarded or, depending on the situation, may not be accepted. Students should plan to communicate any extenuating circumstances to the instructor in a timely manner.

- Students are expected to attend all scheduled seminars unless they have an excused absence. You will need to sign in for each seminar meeting and indicate your arrival time. Punctuality and full participation until seminar is dismissed is expected. It is the responsibility of the student to contact the instructor regarding make-up work for excused absences and/or late arrivals and provide confirmation of the reason for being absent or tardy (for example, a doctor’s note). The student and instructor will agree on the content of the make-up work. Unexcused absences or absences for which make-up work is not completed will result in a 2-point deduction of total points earned for each absence. Plan ahead to ensure you are present when seminars begin at 4:30. Students will be responsible for recording late arrivals and the amount of seminar time missed as a result. This also applies if a student leaves seminar early for any reason. Unexcused tardies will lead to a deduction in the total points earned for the semester.

- You will need to arrange for child-care for your children on seminar dates. Children cannot be brought to seminar meetings.
