STUDENT LEARNING OUTCOMES (SLO)

Applied Vocal Students will: 1) Accurately and expressively perform classic selections from the vocal repertoire including opera arias, German Lieder, French chansons, and English art songs; 2) Accurately and expressively prepare and perform without the assistance of an applied instructor classic selections from the vocal repertoire; 3) Demonstrate the capability of accurately pronouncing song texts in English, French, German, Italian, and Latin using the International Phonetic Alphabet; 4) Demonstrate the capability of accurately singing at sight a classic selection from the vocal repertoire.

COURSE CONTENT

The student's work will be directed to three general areas of study: Voice Production, Music Literacy, and Vocal Artistry/Creativity. In particular, attention will be given to Posture, Respiration, Phonation (including Registration and Resonation), Diction, Song Analysis, and Interpretation.

The applied instructor selects literature and plans lessons in a logical sequence specifically designed to prepare each student to meet the stated student learning outcomes. Thus, the literature and skills addressed in each lesson will vary according to each student's experience in performance repertoire and technical strengths and weaknesses. In practice, after assessing a student's skills and needs in the early lessons, the applied instructor often provides a more detailed overview of the semester's activities; however, this overview is specific to that student and the sequential activities are contingent upon that student's continued progress.

REPERTOIRE REQUIREMENTS

A student will study and memorize a minimum of three songs for each semester hour credit for which he is enrolled. Repertoire may include songs/arias in English, Italian, German, French, and Spanish, depending on the student's major, ability level, and other factors. Consideration will be given to the study of Musical Theater (i.e. "Broadway") literature, but on a limited basis.

FINAL PERFORMANCE EXAM (a.k.a. "Juries)

The student will perform a final "jury" exam for the vocal faculty during final exams week. The student will perform one song of his choice, then at least one song chosen from the remainder of the repertoire by the vocal faculty.

GRADING: The teacher's semester grading will be based on the following criteria:

1. Effort and Application

- a. Attendance – 40% (TAMU-Commerce attendance policies apply. See catalog)
- b. Attitude and Initiative
- c. Number and difficulty of songs studied and memorized
- d. Work on assignments
- e. Thoroughness of preparation of songs week by week

2. Progress

- b. Mastery over vocal problems
- c. Growth in musicianship

- A = Excellent
- B = Good

- D = Passing (Minimum)
