3. The student will demonstrate an understanding of an appropriate Early Childhood management system.
4. The student will demonstrate knowledge on building communication skills with parents and paraprofessionals.
5. The student will construct developmentally appropriate lessons that meet the state mandated Texas Essential Knowledge and Skills and the English Language Proficiency Standards.
6. The students will associate Early Childhood Education TExES competencies with the course content.

COURSE REQUIREMENTS

Instructional / Methods / Activities Assessments

This course consists of a series of activities and assessments to assist you in achieving the outcomes/objectives for the course and instructional units. Each week you will work on various combinations of assignments, activities, discussions, readings, research, etc.

Professionalism: 100 points

Student Learning Outcomes: #1 and #6

Assessment Method: The professionalism grade will be based on the students preparedness and participation in all discussions (class and online) through readings. This grade will also be determined by the students attendance and overall professionalism exhibited in class, online, and through communications.

Discussion Forums: 2 @ 25 points each

Student Learning Outcomes: #1, #2, and #6

Assessment Method: The discussion forums are related to the chapter readings, external resources and activities. Upon completion of the assigned readings and activities, you are expected to participate in an ongoing discussion with your classmates in an online forum. Your contributions to the discussion forums will be graded for quality not quantity, timeliness of your contributions, and a detailed analysis of linking together theory (readings) to application (activities).

Activity Pack: 50 points

Student Learning Outcomes: #2, and #4-6

Assessment Method: Rubric Provided (Doc Shared in eCollege)

The student will create an **Activity Pack** for sending activities home to foster parent/child interactions. **Sign-up** for a children's literature and create a hands-on activity or game to extend the concepts introduced in the book include **TEKS and the ELPS** that are covered. The student will keep in mind the variety of students learning styles, home environment, and English Language Learners.

Include in the backpack the following:

- A letter of instructions to the family explaining the activity, the steps to implement.
- The process (refer to lesson plan formats) of the activity that are covered with TEKS
- The piece of literature
- Activity or Game
- Share three additional activities or games that you could create for an activity pack that extends concepts in the book.
- A log sheet for parents to communicate with you regarding the activity

Integrated Lesson: 50 points

Learning Outcomes: #2-6

Assessment Method: Rubric Provided (Doc Shared in eCollege)

Create an integrated lesson plan (Language arts and at least two other content areas) and presented to the class as center activities. The student groups will provide a lesson plan with coordinated **TEKS** standards that are covered in a developmentally appropriate manner that address the variety of learning styles and backgrounds (ELL, children with special needs, etc.) of students.

Domain Presentation: 75 points

Learning Outcomes: #1-6

Assessment Method: Rubric Provided (Doc Shared in eCollege)

Assigned student groups will present the information on a chosen developmental domain through the reading, analysis, and evaluation of the developmental domain chapter selected. The students will present the chapter utilizing technology and will have classmates participate in an activity to aide and enhance the understanding of the domain being presented.

Final Project: 100 points each

Student Learning Outcomes: # 2-6: See above

Assessment Method: Comprehensive, reflective, application based final project

The final project will cover the required textbook readings and the content of the class and online discussions. The students will be required to prepare a comprehensive and application based project reflecting the learned material for each of the discussed chapters. The project will contain a detailed written reflection and application of the material with a visual representation. A rubric will be provided for further understanding and grading purposes.

Grading

The student's grade will be determined by points received on assignments, discussions, exams, and professionalism in this course. Grades can be viewed in eCollege, as assignments are completed and assessed.

COURSE AND UNIVERSITY PROCEDURES/POLICIES

Course Specific Procedures:

Attendance Policy:

Attendance at all class meetings is **required and is essential** to your success in this course. It is a requirement of this class to sign your name tent upon arrival to document your participation each class meeting. For each absence a written letter is required to be placed in your file. No excuses will be given without written documentation. If you miss three or more classes you may be asked to drop the course or be administratively withdrawn from the course for excessive absences. All absences will result in points taken off your professionalism grade. Participants are expected to be on time and stay for the entire time. If you choose to be late or leave early points will be deducted from your professionalism grade. If you miss class it is your responsibility to find someone who can give you notes for the previous class meeting. I will not bring additional copies of handouts to class. Select a buddy who will be willing to collect any material and take notes for you when you are out.

Technology Policy:

Please respect the instructor and your peers **by silencing or turning off** your cell phone upon entering our classroom. If there is an emergency you may leave it on silence mode. This should constitute only emergencies. Texting during class is unprofessional and will result in a deduction in your professionalism grade. Utilizing technology only for the purposes of the course the student is currently attending and at the appropriate times is appropriate.

Assignment Policy:

All assignments are due on the date they are assigned which can be found in the Course Calendar and online in eCollege, unless otherwise approved by the instructor. All assignments that are late will have points deducted. Late means they are not turned in when class meets on the day they are due. If you forget your assignment, then points will be deducted. You are a professional and must present yourself in a way to show responsibility. Assignments will be either handed in during class meeting or submitted through eCollege dropbox and **must be** in .doc or .docx format. All completed/graded assignments must be picked up by the end of the semester or they will be discarded.

Written Assignments: All written assignments are to be **typed double-spaced in a legible 12 pt. font** with 1" margins and are expected to exhibit professional quality. You should demonstrate mastery of organizing, structuring, and editing (for all aspects of mechanics) in your writing. Excessive grammar, spelling, and vocabulary errors will result in a reduction of your score at the instructor's discretion. College level writing and higher order thinking must be evident in all written assignments. If you are unsure of your writing abilities, please visit the writing lab for help.

Academic Honesty Policy: Texas A&M University-Commerce does not tolerate **plagiarism** and other forms of academic **dishonesty**. Conduct that violates generally accepted standards of academic honesty is defined as academic dishonesty. "Academic dishonesty" includes, but is not limited to, plagiarism (the appropriation or stealing of the ideas or words of another and passing them off as one's own), cheating on exams or other course assignments, collusion (the unauthorized collaboration with others in preparing course assignments), and abuse (destruction, defacing, or removal) of resource material. Suggested sites for reference regarding what constitutes plagiarism and how to avoid it: <http://www.plagiarism.org/> or <http://www.unc.edu/depts/wcweb/handouts/plagiarism.html> or <http://www.indiana.edu/~wts/pamphlets/plagiarism.shtml>

Plagiarism will result in a grade of “F” for the course and may result in your dismissal from the program.
