**Electronic Gradebook:**
- All grades will be recorded in the online gradebook. This allows you to see how many points each assignment was awarded and what percentage score you have earned up to that point in time, 24 hours a day, seven days a week.
- Click on the score itself to see if the instructor has made any comments such as complementing various aspects of your work or making suggestions for improvement.

**Attendance/Participation:**
- Each class session is worth 10 points. If you are absent, you cannot participate and so you cannot earn attendance/participation points, therefore 10 points will be subtracted for every absence (EXCUSED OR UNEXCUSED).
- 3 points will be subtracted for each partial absence due to arriving late (includes breaks) or leaving early.
- If due to unusual circumstances such as an extended illness or unexpected work responsibilities, the student misses more than two sessions, he/she should contact the instructor to see if additional makeup assignments can be obtained and completed.

**Late turn-ins:**
- All assignments are to be completed and uploaded into the assigned dropbox by **8 a.m. on the day they are due**. A hard copy must also be provided on the due date to the instructor.
- **No late assignments will be accepted.**

**Written Assignments** (5% subtracted per item):
- Include a header (name, date, course) on all your written assignments. Put it all on one line.
- Font size must not exceed 12 point. Times Roman preferred.
- Margins should be no larger than 1” on all sides.
- Reports should be single-spaced with double spacing between sections.
- College level writing is expected in terms of organization, structure, and editing. Excessive spelling, grammar, punctuation, capitalization, etc errors will result in points deducted.

**Cite your Sources:**
- APA style should be used for all references. Include a citation in the body of your report (Author, Year) and a bibliography at the end. A complete guide to APA style is available at [http://owl.english.purdue.edu/owl/resource/560/01/](http://owl.english.purdue.edu/owl/resource/560/01/).
- See the section on plagiarism for the possible consequences of not giving credit where credit is due.
TECHNOLOGY REQUIREMENTS

Technologies Needed:
- Internet access/connection – high speed recommended (not dial-up)
- Microsoft Word and PowerPoint, 2003 or 2007
- Internet Explorer (6.0, 7.0, or 8.0) or Firefox (3.0)

It is strongly recommended that you perform a “Browser Test” prior to the start of your course. To launch a browser test, login in to eCollege, click on the ‘myCourses’ tab, and then select the “Browser Test” link under Support Services.

If your Internet access at home is not high speed, you may have difficulty uploading and downloading files, including your assignments. If this is the case for you, I suggest you use the computer labs on campus to send in your work.

ACCESS AND NAVIGATION

eCollege Access and Log in Information
This course will be facilitated using eCollege, the Learning Management System used by Texas A&M University-Commerce. To get started with the course, go to: https://leo.tamu-commerce.edu/login.aspx.

You will need your CWID and password to log in to the course. If you do not know your CWID or have forgotten your password, contact Technology Services at 903.468.6000 or helpdesk@tamu-commerce.edu.

How the Course is organized
Class meets once a week and there is an online unit for each class session. On each “Unit” page, there are links to supplementary readings and handouts for class activities. Students should print these out and bring them to class. The objectives for the current session and the homework for the next session, including links to the supplementary readings and handouts, are also listed on the “Unit” page. PowerPoint slides (in 2003 format) to accompany the instructor’s lectures and to provide interactive activities are also provided for each class session. These can be found in doc sharing, which is found in the tools listed at the top of each page. Click on Slides and you will see the list of slideshows provided.

Complete instructions for all written assignments are included in the online unit scheduled for the date the assignment is due. Check the Course Calendar for this date and its associated unit. Find each Assignment link by clicking on the appropriate “Unit” link on the left navigation bar which will then reveal the Assignment link below it. The online instructions provide step by step directions for how to accomplish the assignment, links to sample papers and other resources such as report templates, and links to rubrics and checklists that will be used to assess the assignment. Please review these instructions and all associated documents carefully before beginning your assignments.

A dropbox, clearly labeled using the name of the assignment, is set up for every assignment. The boxes are found under the dropbox tab on the top toolbar in eCollege. Upload all assignments electronically into the dropbox by 8 AM on the day they are due. Use Microsoft Word as your word processor and save your files with a .doc extension. Bring a hard copy of your work to class for turn-in.

A webliography with over 80 links of instructional websites of special interest to bilingual and ESL educators to facilitate your website reports assignment is provided. You are also invited to explore these websites to increase your knowledge of Internet resources available to you for your teaching.
COMMUNICATION AND SUPPORT

eCollege Student Technical Support
Texas A&M University-Commerce provides students technical support in the use of eCollege. The student help desk may be reached by the following means 24 hours a day, seven days a week.

☐ **Chat Support:** Click on 'Live Support' on the tool bar within your course to chat with an eCollege Representative.

☐ **Phone:** 1-866-656-5511 (Toll Free) to speak with eCollege Technical Support Representative.

☐ **Email:** helpdesk@online.tamuc.org to initiate a support request with eCollege Technical Support Representative.

☐ **Help:** Click on the 'Help' button on the toolbar for information regarding working with eCollege (i.e. How to submit to dropbox, How to post to discussions etc…)

Email
You can easily use the “Email” tab on the top toolbar of eCollege to email me, any one individual or the whole class if you like. I will only send email to your university email addresses using this system so please check your MyLeo email frequently. Feel free to communicate with me and your classmates via email if you have any questions or concerns (other than tech support issues). If, for example, you have to miss class, although not required, I appreciate a message telling me why you will not be with us. (You still won’t get any attendance points for the missed session, but I’ll worry about you less.) Another good way to use the email capabilities of eCollege is to communicate with your partner(s) about your team assignments.

DO NOT, however, send me your work as an email attachment. Send it to me via the dropbox as I have limits on my university email, and it could get blocked. Also, I am not looking for it in my email. I’m looking for it in the right dropbox, which is attached to the gradebook.

Dropbox
Your assignments are to be uploaded, as an attachment, to the appropriate dropbox. For team assignments, every person on the team needs to upload the work into his/her dropbox. I recommend you not wait until the last minute to upload your work to the dropbox as you may encounter technical difficulties and end up with lateness penalties. Do not type your work into the box that opens up or copy and paste text from your document into it. The box is for your comments to me about the work, eg. “Mrs. Armstrong, please grade this latest report, not the one I sent yesterday as I made some corrections.” I may send you comments via this box as well, so please click on the score to see my feedback to you.

eCollege Announcements
When you log on to the course via your myLeo, please check to see if there are any announcements. I often pass on announcements from the university as well as make my own about events such as BESO (Bilingual/ESL Education Student Organization) meetings. I may also post here such things as changes in the schedule such as when assignments are due or provide further clarifications for specific assignments.

Doc Sharing and Webliography
Often other students like to have access to your work such as the graduate student projects, the multicultural bibliographies and the language arts units. Consider (not required, optional) uploading your work into the doc sharing area, clicking on “Share with entire class. “If you find a great website, consider adding it to the webliography so that others can view it as well.

If you have a problem with a team member(s) and are unable to resolve it, let the instructor know early via email or private conversation.

- Cell Phones: Turn off all cell phones or put them on vibrate upon entering the classroom. If there is an emergency and you need to leave it on, please notify me before class.

- Plagiarism: Plagiarism will result in a grade of F for the assignment and possibly the course. Further infractions could result in dismissal from the teacher education program. Plagiarism consists of copying directly from a source without properly citing the source. It is also using someone else’s work and claiming it as your own.
