COURSE INFORMATION

Materials – Textbooks, Readings, Supplementary Readings:

*Textbook(s) Required:*

*Also required:*

Additional readings will be available online in full text through the TAMU-C databases or as Web-based resources.

*Course Description:*

This course covers principles and processes underlying the successful administration of a school library media center and focuses on the four major roles of the school librarian as teacher, information specialist, instructional partner and program administrator. In addition to building professional knowledge in traditional areas, this course explores accountability, administration, and advocacy aspects of the school librarian’s critical leadership role in the learning community.

*Student Learning Outcomes:*

This course focuses on competencies that are assessed for Texas school librarian certification in TExES Domain II: Program Management, Leadership, and Connections to the Community:

- **Competency 003 (Library Program Management)**
  The school librarian understands library program management and acquires, organizes, and manages resources.

- **Competency 004 (Library Program Leadership and Connections to the Community)**
  The school librarian exhibits library program leadership and collaborates within the school and community to promote the success of all students.

The student will identify and analyze the following through course assignments and course interaction:
• Function of the school library media center within evolving state and national educational contexts.
• Principles of management as applied to the school library media center, focusing on personnel, resources, facilities, and budget.
• Role of the school librarian in collaborating with classroom teachers to develop curriculum and provide instruction, learning strategies, and practice in using the essential learning skills as identified in the Standards for the 21st Century Learner.
• Effect of technology on instruction and administration of the school library media center.
• Connections between the school library media center and constituencies within the campus, district, and community.
• Important issues and research affecting school library media centers.

COURSE REQUIREMENTS

Instructional / Methods / Activities Assessments

This course requires reading of textbook and online material, interaction with school librarians and administrators for specific assignments, and online interaction with classmates and the instructor. All work will be assigned and submitted through eCollege, the TAMU-Commerce online platform, located at http://online.tamuc.org. All student work should be submitted following the directions given in the corresponding Assignment content area.

Grading

Assignments: 16 written weekly assignments, worth 10 points each, plus four discussion postings, worth 10 points each (a total of 200 points for all coursework) The grading scale is:

A: 90 – 100 %
B: 80 – 89 %
C: 70 – 79 %
D: 60 – 69 %

Be sure to complete the assigned readings as noted prior to beginning the assignments. Due dates are announced with each assignment and can be found in the course calendar located in the DocSharing link. Late work will be assessed a penalty: 10% reduction per day in the grade for that assignment for each day that it is late.

NOTE: It is very important to keep up with assignments, especially in the online environment.

TECHNOLOGY REQUIREMENTS

The following are basic requirements for this course:
• Access to a personal computer with word processing software and web browser
• Ability to do basic word processing and web navigation
• Internet access

ACCESS AND NAVIGATION

If you have not taken an eCollege online course before from TAMU-Commerce, it would be helpful for you to spend some time exploring the interface during the first days that you have access. Familiarity with the software helps students to feel comfortable when
completing assignments. Technical support also is available through the Tech Support tab at the top of the eCollege web page.

**COMMUNICATION AND SUPPORT**

**Interaction with Instructor Statement:**
The instructor will be online daily. Questions may be submitted via email (preferred) or by telephone as listed on this syllabus.

**COURSE AND UNIVERSITY PROCEDURES/POLICIES**

**University Procedures:**

**ADA Statement**

The Americans with Disabilities Act (ADA) is a federal anti-discrimination statute that provides comprehensive civil rights protection for persons with disabilities. Among other things, this legislation requires that all students with disabilities be guaranteed a learning environment that provides for reasonable accommodation of their disabilities.
