COURSE INFORMATION

Materials – Textbooks, Readings, Supplementary Readings:
Textbooks Required:

Course Description:
BLED 510: Selection, evaluation and design of means for assessing the oral and written language proficiency and academic achievement of bilingual and ESL students. Critical review of standardized tests as well as alternative and informal assessment techniques and instruments, consideration of relationships between first and second language proficiency and academic achievement and sociocultural dimensions of testing and assessment. Prerequisite: BLED 501 or consent of the instructor.

Course Objectives:
This course is aligned with the Bilingual and ESL Supplemental TExES tests required for certification. Specifically, it addresses the following standards from the frameworks for those tests:

The bilingual education teacher …
• knows the process of first and second language acquisition and development.
• has a comprehensive knowledge of the development and assessment of biliteracy.
The ESL teacher …
- understands the processes of first- and second-language acquisition and uses this knowledge to promote students’ language development in English.
- understands formal and informal assessment procedures and instruments (language proficiency and academic achievement) used in ESL programs and uses assessment results to plan and adapt instruction.

Student Learning Outcomes: The student will …
1. Discuss assessment issues that concern ELLs including the effects of accountability on bilingual and ESL program development and implementation, cultural and linguistic bias in testing and measurement in general, selection of the appropriate language to be used for assessment, and test accommodations that can increase the validity of testing of ELLs in their second language.
2. Review and report on the professional literature: assessing young ELLs, language and literacy assessment, assessment for special education placement, and national and state-mandated assessment.
3. Review and evaluate commercial tests and other instruments and methods designed to measure the first and second oral language development, biliteracy development, and content area achievement of ELLs.
4. Administer assessments to ELL students and reflect on the process of administration and the instructional implications of the results.

COURSE REQUIREMENTS

Total: 1000 points

1. Attendance/Participation: 3 sessions X 50 points each = 150 points (15% of total grade)
   Attend three face to face sessions, be on time, and stay the entire time. Contribute in a professional manner to all discussions and collaborative activities.
   Student Learning Outcomes: The student will …
   #1: Discuss assessment issues that concern ELLs…
   #2: Review and report on the professional literature: assessing young ELLs, language and literacy assessment, assessment for special education placement, and national and state-mandated assessment..
   Assessment Method: If all the above is done, you will get 50 points per session.

2. Discussion Forums 10 forums X 20 points each = 200 pts (20% of total course grade)
   Participate in ten online discussion forums on selected dual language assessment issues.
   Student Learning Outcomes: The student will …
   #1: Discuss assessment issues that concern ELLs…
   Assessment Method: At least three entries made for each forum, one to answer the questions posed by the instructor, two to respond to other students’ entries. Minimum of 150 words and one reference to ideas from the texts, the instructor or another authoritative source.

3. Chapter Quote Reflections: 9 chapters X 20 points each = 180 points (18% of total course grade)
   Read nine chapters in our Assessing English Language Learners textbook. Identify four quotes for each chapter that you found significant and reflect on each quote.
   Student Learning Outcomes: The student will …
   #1: Discuss assessment issues that concern ELLs…
   Assessment Method: Adherence to the required format and evidence that the student read and reflected on the assigned chapters (based on length and detail for the responses to each chapter)

4. Chapter Reflections: 8 chapters X 10 points each = 80 points (8% of total course grade)
   Read eight chapters in our Assessment Accommodations for Classroom teachers textbook. List three things you learned, two things you like and one thing you have a question about for each chapter. Discuss each briefly.

Electronic Gradebook:
- All grades will be recorded in the online gradebook. This allows you to see how many points each assignment was awarded and what percentage score you have earned up to that point in time, 24 hours a day, seven days a week.
- Click on the score itself to see if the instructor has made any comments such as complimenting various aspects of your work or making suggestions for improvement.

Attendance/Participation:
- Each class session is worth 50 points. If you are absent, you cannot participate and so cannot earn attendance/participation points, therefore 50 points will be subtracted for every absence (EXCUSED OR UNEXCUSED).
- 10-25 points will be subtracted for each partial absence due to arriving late or leaving early.
- If the student does not keep up with the online assignments in a timely manner or misses more than one face to face session, he/she can be dropped by the instructor from the course.

Late turn-ins:
- All assignments are to be completed and uploaded by midnight (11:59 PM) on the day they are due. A hard copy of all major assignments (one pagers and reports for individual and group projects) must also be provided at the next face to face session to the instructor. If either hard copy is not turned in or the electronic copy is not uploaded, 5% will be subtracted from the total grade.
- 10% of the points awarded for an assignment will be subtracted for the first day it is turned in late (after midnight (11:59 PM)) and 5% per day thereafter until it reaches 50%. Late assignments will be accepted for 50% credit up until the last face to face session.

Written Assignments (5% subtracted per item):
- Include a header (name, date, course) on all your written assignments. ALL ON ONE LINE.
- Font size must not exceed 12 point. Times Roman preferred.
- Margins should be no larger than 1” on all sides.
- Double space your group and individual project reports. philosophy statement. All other work should be single-spaced with double spacing between sections.
- College level writing is expected in terms of organization, structure, and editing. Excessive spelling, grammar, punctuation, capitalization, etc errors will result in points deducted.
- Powerpoint slides should follow the 7X7 rule, that is no more than 7 lines with 7 words each per slide. Relevant, not merely decorative, graphics should be included.

Cite your Sources: APA style should be used for all references. Include a citation in the body of your report (Author, Year) and a bibliography at the end. A complete guide to APA style is available at http://owl.english.purdue.edu/owl/resource/560/01/.

Example of citation in text:
The U.S. government states that educational agencies and schools are accountable for student success and that adequate yearly progress as determined by measurable objectives must be met (NCLB, 2001, p. 81).
Example of references to be included in a bibliography at the end of your work:

**TECHNOLOGY REQUIREMENTS**

Technologies Needed:
- Internet access/connection – high speed recommended (not dial-up)
- Microsoft Word (Do not use other word processors) and PowerPoint.
- Internet Explorer or Firefox
- Jing and Voicethread
- Microphone (required) and webcam (optional)

It is strongly recommended that you perform a “Browser Test” prior to the start of your course. To launch a browser test, login in to eCollege, click on the ‘myCourses’ tab, and then select the “Browser Test” link under Support Services. If your Internet access at home is not high speed, you may have difficulty uploading and downloading files, including your assignments. If this is the case for you, I suggest you use the computer labs on campus or some other computer with high speed access to send in your work.

The microphone and webcam will be used to participate in the discussion forums, using Voicethread, and to create Jing slide for your 3-2-1 reflections. A photo of yourself (preferred) or an avatar will be needed to identify yourself.

**ACCESS AND NAVIGATION**

*eCollege Access and Log in Information*

This course will be facilitated using eCollege, the Learning Management System used by Texas A&M University-Commerce. To get started with the course, go to: https://leo.tamuc.edu/login.aspx. You will need your CWID and password to log in to the course. If you do not know your CWID or have forgotten your password, contact Technology Services at 903.468.6000 or helpdesk@tamuc.edu.

**How the Course is Organized**

There are 13 units in the course: three face to face class sessions (beginning, middle and end of the semester) and ten online units. Attendance at the three face to face sessions is of critical importance. At the 1st face to face, an overview of the course requirements and website will be provided. Teams will be assembled and will select topics for their group projects. It is our experience that those who do not attend this first session fall behind on all their assignments.
thereafter and do not do as well in the course as others. At the 2nd session, all teams and individuals will give progress reports on their group and individual projects. At the final session, all teams will present on their group projects to the class. Reports for the group and individual projects are to be turned in as hard copy at the 2nd and 3rd sessions as well as being uploaded to the course website.

The assignments for the ten online units are due once a week, on Wednesdays at midnight (11:59 PM). Typically students are to 1) read a chapter in the two textbooks and respond to them in writing and 2) participate in a discussion forum focused on answering a set of questions for a topic. A couple of other assignments, the article review and the instrument trials report, are also due during the online units. Please consult the course calendar at the end of this syllabus. It is recommended you keep up with the weekly due dates to keep yourself on track for the course.

Complete instructions for all written assignments will be included in the unit scheduled for the date the assignment is due. Check the course calendar for this date and its associated unit. Find each Assignment link by clicking on the appropriate “Unit” link on the left navigation bar which will then reveal the Assignment link below it. Please review these instructions and all associated documents carefully before beginning your assignments.

A dropbox, clearly labeled using the name of the assignment, is set up for every assignment. The boxes are found on the top toolbar in eCollege. Upload all assignments into the dropbox by midnight (11:59 PM) on the day they are due. Use Microsoft Word as your word processor and save your files with a .doc or .docx extension. You will need to upload multiple files into some assignment dropboxes.

A webliography with links to websites that address the assessment of English language learners will be developed. You are invited to contribute to the development of the webliography by adding relevant links. Extra credit will be given to those who submit links of good quality that are pertinent to the topic.

COMMUNICATION AND SUPPORT

eCollege Student Technical Support
Texas A&M University-Commerce provides students technical support in the use of eCollege. The student help desk may be reached by the following means 24 hours a day, seven days a week. Do not contact me for tech support, please contact them:

- **Chat Support:** Click on 'Live Support' on the tool bar within your course to chat with an eCollege Representative.
- **Phone:** 1-866-656-5511 (Toll Free) to speak with eCollege Technical Support Representative.
- **Email:** helpdesk@online.tamuc.org to initiate a support request with eCollege Technical Support Representative.
- **Help:** Click on the 'Help' button on the toolbar for information regarding working with eCollege (i.e. How to submit to dropbox, How to post to discussions etc…)

eCollege Announcements
When you log on to the course via your myLeo, please check to see if there are any announcements. I often pass on announcements from the university as well as make my own about events such as BESO (Bilingual/ESL Education Student Organization) meetings. I may also post here such things as changes in the schedule such as when assignments are due or provide further clarifications for specific assignments.

Email
You can easily use the “Email” tab on the top toolbar of eCollege to email me, any one individual or the whole class if you like. I will only send email to your university email addresses using this system so please check your MyLeo.
email frequently. Feel free to communicate with me and your classmates via email if you have any questions or concerns (other than tech support issues). **DO NOT, however, send me your work as an email attachment.** Send it to me via the dropbox as I have limits on my university email, and it could get blocked. Also, I am not looking for it in my email. I’m looking for it in the right dropbox, which is attached to the gradebook.

**Dropbox**
Your assignments are to be uploaded, **as an attachment**, to the appropriate dropbox. I recommend you not wait until the last minute to upload your work to the dropbox as you may encounter technical difficulties and end up with lateness penalties. Do not type your work into the box that opens up or copy and paste text from your document into it. The box is for your comments to me about the work, e.g. “Dr. Green, please grade this latest report, not the one I sent yesterday.” I may send you comments via this box as well, so please click on the score to see my feedback.

**Doc Sharing**
Often other students like to have access to your work such as your individual project. Consider (not required, optional) uploading your work into the doc sharing area, clicking on “Share with entire class.” If you find a great website, consider adding it to the webliography so that others can see it as well.

**COURSE AND UNIVERSITY PROCEDURES/POLICIES**

**Professional Conduct Expected:** “All students enrolled at the University shall follow the tenets of common decency and acceptable behavior conducive to a positive learning environment” (*Student’s Guide Handbook, Policies and Procedures, Conduct*).

- **Attendance:** Attendance at all class sessions is **required and essential** to your success in this course. You are expected to arrive on time and return from breaks promptly.

- **In Case of an Absence:** **IT IS YOUR RESPONSIBILITY TO DETERMINE WHAT YOU MISSED.** Select a buddy who will be willing to collect any materials and take notes for you if you are out.

- **Collaborative learning:** You will be regularly assigned to work with one or more partners during class sessions. You are expected to do your share of the assigned work while not dominating the conversation/activities.

- **Cell Phones:** Turn off all cells phones or put them on vibrate upon entering the classroom. If there is an emergency and you need to leave it on, please notify me before class.

- **Plagiarism:** Plagiarism will result in a grade of F for the assignment and possibly the course. Further infractions could result in dismissal from the teacher education program. Plagiarism consists of copying directly from a source without properly citing the source. It is also using someone else’s work and claiming it as your own. For more information see [http://www.plagiarism.org/](http://www.plagiarism.org/) or [http://www.unc.edu/depts/wcweb/handouts/plagiarism.html](http://www.unc.edu/depts/wcweb/handouts/plagiarism.html).
