

Plano/Allen/Dallas Center Internship Semester Syllabus

ELED 436: Math in a Field-Based Setting

ELED 437: Science and Technology in a Field-Based Setting

ELED 438: Social Studies in a Field-Based Setting

RDG 448: Content Reading Methods for Teacher Candidates

Center Seminar Team: Heather Doyle, M.Ed. Clinical Instructor / Center Coordinator
Dr. Linda Medearis, Dr. Larkin Page, Dr. Agnes Stryker,
Dr. Tami Morton, and Sharon Guynes

Office Location: Collin Higher Education Center: 151

Office Hours Linda Medearis:

Before and after seminar by appointment

Online: Mon.-Fri. Checked until 10 p.m.

Office Phone: 214 215 2038

Office Fax: 903 886 5581

University Email Address: lcomedearis@gmail.com

COURSE INFORMATION

Materials – Textbooks, Readings, Supplementary Readings:

Textbook Required: Nath, J.L., & Ramsey, J. (2010). Preparing to Teach Texas Content Areas: The TExES EC-6 Generalist & the ESL Supplement (2nd Edition). Prentice Hall
Available through online bookstore www.tamu-commerce.edu

ISBN-13: 978-0137040285

Field-Based Teacher Education Program Handbook [revised July 2010].

Available on ECollege for our course and online at:

<https://www.tamuccommerce.edu/teacher/pdf/FieldBasedProgramHandbook.pdf>

Materials: Scissors, markers, tape, and glue.

Course Description:

This course explores the integrated nature of learning with science as content focus. Seminars are conducted in CPDT centers; field-based applications take place in public schools under the guidance of public school teachers and university personnel that comprise the Instructional Leadership Team. Prerequisite EEd 300; Rdg 350, 360, 370; admission to teacher education program; placement in a NETCPDT center; minimum overall GPA of 2.5 and must have passed certification requirements. (3 hours)

Student Learning Outcomes:

1. The student will be an active and engaged participant in class discussions and Field Based experiences by analyzing, constructing/creating, and evaluating information presented within the textbook, external readings/resources, and class discussion.
2. The student will be able to design appropriate activities and experiences; implementing them in seminar and Field Based settings for math, science, social studies, and reading through lessons that meet the state mandated Texas Essential Knowledge and Skills and the English Language Proficiency Standards.

3. The student will recognize and utilize technology in planning and appropriately implementing learning activities with children in math, science, social studies, and reading, as well as when communicating with parents.
4. The student will be able to identify, create, and apply a variety of teaching and classroom management strategies in seminar and Field Based setting that meet the individual, developmental, and diverse needs of young children.
5. The student will know the varied and appropriate assessments and assessment practices to monitor math, science, social studies, and reading content comprehension and learning.
6. The students will associate Early Childhood-Sixth Grade TExES and ELPS for math, science, social studies, and reading competencies with the course content and Field Based experience.

COURSE REQUIREMENTS

Instructional / Methods / Activities Assessments

This course consists of a series of activities, experiences/observations in the field, and assessments to assist you in achieving the outcomes/objectives for the course and instructional units. The student will consistently work on various combinations of assignments, activities, field experiences/observations, discussions, readings, research, etc.

Professionalism:

Student Learning Outcomes: 1, 2, 4 (see Student Learning Outcomes)

Assessment Method: Determined by the Instructional Leadership Team, weekly ITEPS/Journals, Professionalism self assessment, and lesson evaluations.

- Attendance and being on time at **ALL** university seminars, assigned campus days, school/university meetings, and staff development. You will be required to attend all seminar days and all assigned days in the field. Your grade will be lowered and a Growth Plan may be implemented if you are habitually absent or tardy. You are **required** to contact your liaison and mentor teacher if you will be missing your assigned campus day or seminar.
- Professionalism at the highest level to be demonstrated at all school and university functions. An educator demonstrates his/her professionalism in ways such as being on time, participating in, and contributing to class activities, accepting responsibility, and consistently demonstrating professionalism during seminar, on assignments, and in the field.

The Reflective Teacher:

Learning Outcomes: 1-6 (see Student Learning Outcomes)

Assessment Method: Instructional Leadership Team, ITEP's, Journals, and Portfolio

- Complete ITEPS weekly that should be the focal point of the ILT (Instructional Leadership Team) meetings that express your detailed activities in the field based setting. During this sharing time modifications can be made as agreed by the ILT. Have your mentor sign your ITEP.
- Teacher Inquiry Project. In groups students will develop and propose a problem for informal classroom research based on common interest. The problem will be developed with the assistance and support of the mentor teacher. The Center Team and an assigned research professor will also offer assistance and acceptance of the proposed

research. Once development and proposal have been accepted, the students will begin the research using informal research techniques. Searching professional literature for information pertinent to the problem can then begin.

- Daily journal writing in a Reflective Journal while in your placements and in seminar which will include reflections on teaching and learning strategies, organizational/management systems, effective instruction, and diverse learners. Reflection is essential to learning and addressing what you are seeing and areas that you need to address. Be sure to include routines, timing, children's responses to different situations, etc. This journal will be an invaluable reference, especially when you are a teacher of record. Your journal will be kept in ECollege.
- Professional portfolio. This should be an ongoing assessment of growth as a teacher based on the five state proficiencies. Keep it in a ready-to-go state and add to it during the semester. It needs to be thorough in a technology based status (Eportfolio, Weebly, etc.)

Lesson Plans and Evaluation:

Learning Outcomes: 1-6 (see Student Learning Outcomes)

Assessment Method: Documentation through lesson plans, evaluations, observations (Mentor/Liaison), Journals, ITEP's, etc.

- Demonstrate your knowledge of the typical stages of cognitive, social, physical and emotional development of your students by developing lessons appropriate for the children you are teaching.
- Demonstrate your knowledge of student diversity by planning learning experiences and assessments that are responsive to difference among students.
- Design effective and coherent instruction and assessment based on appropriate learning goals and objectives.
- Plan effective, engaging instruction and assessment based on learning processes and factors that impact student learning.
- Establish a classroom climate that fosters learning, equity, and excellence.
- Manage student behavior through organized strategies.
- Communicate effectively in varied teaching and learning contexts. .
- Actively engages students in all teaching and learning contexts. .
- Use effective technology to plan, organize, deliver and evaluate instruction for all students.
- Provide timely, high quality feedback to students through written and oral means.
- Six formal evaluations must be completed this semester from different content areas (science, math, social studies, and reading). Two formal evaluations from the school (mentor teachers and administrators) and one from the university liaison in each of your placements must be completed. At each evaluation you MUST have prepared for the evaluator the following items: your lesson plan, a

lesson evaluation form, a seating chart, all handouts to be used during your lesson, and your pre-lesson reflections. Your university liaison will expect it to be ready and in the location where you would like her/him to sit during your lesson. Plan and organize your time wisely. Once you have switched placements, you MAY NOT return to your first placement to teach a lesson.

- Midterm Evaluation
- **Final** Evaluation covering experiences in the field and seminar.

Content Area Lesson Reflections:

Learning Outcomes: 1, 3, 5 (see Student Learning Outcomes)

Assessment Method: Students discuss in seminar and Doc Share their reflections

- Observe a lesson in each one of the content areas (Math, Science, Reading, and Social Studies) performed by mentor or another teacher. The student will reflect on the teaching and learning strategies, technology, lesson delivery, manipulative usage, lesson cycle implementation, management, assessment, etc.

Strategies Notebook:

Learning Outcomes: 1, 4, 6 (see Student Learning Outcomes)

Assessment Method: Students will share sections of the strategies they have observed and/or implemented in their field experience.

- A section for each content area (math, science, social studies, and reading) in a strategies notebook. (minimum of five per content area). Write up strategies you have utilized (at least one per content area) and reflect on how implemented and assess the outcome.
- Section added to strategies notebook of professional materials. Keep a list of professional books, journals, articles, etc. that you encounter during the resident semester.
- Section added to strategies notebook listing all the outside activities and professional activities that you have participated in during this year. Attend a PTA meeting, a school board meeting, an ARD meeting, Open House, "Meet the Teacher" night and community functions and professional development. These need to be documented by creating a list of activities attended, the location, the date, and a brief summary of what you learned from the event.

Team Lessons:

Learning Outcomes: 1-6 (see Student Learning Outcomes)

Assessment Method: Presentation of lessons, formal lesson evaluation, and Doc Sharing of lesson.

- Design, present, and assess a lesson for each of the content areas (math, science, reading, and social studies).
- Topics and grade levels will be assigned and evaluated by the Center Team. Professional feedback will be given upon completion of the lesson in seminar.
- The lesson will be shared with the rest of the seminar group.

TeXes Study Groups:

Learning Outcomes: 1-6 (see Student Learning Outcomes)

Assessment Method: Documentation of study procedures and resources. Success on the EC-6 Generalist TeXes

- Students will be required to participate in TeXes study group outside of seminar meetings and will utilize multiple resources for their group meetings.
- The groups will share a plan of action for being studying for successful results on the TeXes with the other groups in seminar.
- Students are to log and turn in at least six hours of outside study activities.
- The seminar team will guide student on test taking strategies, resources, and review of previously learned material.

Grading (Determined by criteria shared below)

1. Professional growth as demonstrated by:
 - a. Professional growth portfolio
 - b. Anecdotal records kept by the mentor teachers, university liaisons and seminar instructors
 - c. ITEPs and/or weekly resident reports
 - d. Lesson Evaluations by mentor teachers and university liaison
 - e. Professionalism (major component)
2. Written assignments
3. Attendance at school and university seminars (Mandatory every scheduled day)
4. Final self-evaluations
5. Midterm and final conferences

REMEMBER: You are now a professional! These assignments are given to you as a professional, not a student. Be responsible, be precise, be a professional in everything that you do. You are modeling to your children, to your colleagues and to your mentors. We expect quality performance and timetables met. We are expecting from you what your future employer will expect from you. How do you want others to perceive you and your performance? The choice is yours.

TECHNOLOGY REQUIREMENTS

This course is web-enhanced for the purposes of accessing the course syllabus, rubrics for assignments, communication with instructor and classmates, and for online discussions. The following information has been provided to assist you in preparing to use technology successfully in this course.

- Internet access/connection-high speed recommended (not dial up)
- Word Processor (i.e. MS Word or Word Perfect)

ACCESS AND NAVIGATION

This course will be facilitated using eCollege, the Learning Management System used by Texas A&M University-Commerce. To get started with the course, go to: <https://leo.tamuc.edu/login.aspx>.

You will need your CWID and password to log in to the course. If you do not know your CWID or have forgotten your password, contact Technology Services at 903.468.6000 or helpdesk@tamuc.edu.

COMMUNICATION AND SUPPORT

Interaction with Instructor Statement:

The students will be able to communicate with Heather Doyle through:
Email: Heather.Doyle@tamuc.edu Checked frequently throughout the day.
eCollege Virtual Office: Checked once daily and answered the same day usually.
Office Voice Mail: Checked every other day.
Through her cell phone number which will be shared at the first seminar meeting.

The instructors will communicate to the student through:
Email, eCollege Virtual Office, and eCollege Announcements

COURSE AND UNIVERSITY PROCEDURES/POLICIES
--

Course Specific Procedures:

Attendance Policy:

Attendance at all class meetings is **required and is essential** to your success in this course. It is a requirement of this class to sign your name tent upon arrival to document your participation each class meeting. For each absence a written letter is required to be placed in your file. No excuses will be given without written documentation. If you miss three or more classes you may be asked to drop the course or be administratively withdrawn from the course for excessive absences. All absences will result in points taken off your professionalism grade. Participants are expected to be on time and stay for the entire time. If you choose to be late or leave early points will be deducted from your professionalism grade. If you miss class it is your responsibility to find someone who can give you notes for the previous class meeting. I will not bring additional copies of handouts to class. Select a buddy who will be willing to collect any material and take notes for you when you are out.

Technology Policy:

Please respect the instructor and your peers **by silencing or turning off** your cell phone upon entering our classroom. If there is an emergency you may leave it on silence mode. This should constitute only emergencies. Texting during class is unprofessional and will result in a deduction in your professionalism grade. Utilizing technology only for the purposes of the course the student is currently attending and at the appropriate times.

Assignment Policy:

All assignments are due on the date they are assigned which can be found in the Course Calendar and online in eCollege, unless otherwise approved by the instructor. All assignments that are late will have points deducted. Late means they are not turned in when class meets on the day they are due. If you forget your assignment, then points will be deducted. You are a professional and must present yourself in a way to show responsibility. Assignments will be either handed in during class meeting or submitted through eCollege dropbox and **must be** in .doc or .docx format. All completed/graded assignments must be picked up by the end of the semester or they will be discarded.

Written Assignments: All written assignments are to be **typed double-spaced in a legible 12 pt. font** with 1" margins and are expected to exhibit professional quality. You should demonstrate mastery of organizing, structuring, and editing (for all aspects of mechanics) in your writing. Excessive grammar, spelling, and vocabulary errors will result in a reduction of your score at the instructor's discretion. College level writing and higher order thinking must be evident in all written assignments. If you are unsure of your writing abilities, please visit the writing lab for help.

Academic Honesty Policy: Texas A&M University-Commerce does not tolerate **plagiarism** and other forms of academic **dishonesty**. Conduct that violates generally accepted standards of academic honesty is defined as academic dishonesty. "Academic dishonesty" includes, but is not limited to, plagiarism (the appropriation or stealing of the ideas or words of another and passing them off as one's own), cheating on exams or other course assignments, collusion (the unauthorized collaboration with others in preparing course assignments), and abuse (destruction, defacing, or removal) of resource material. Suggested sites for reference regarding what constitutes plagiarism and how to avoid it: <http://www.plagiarism.org/> or <http://www.unc.edu/depts/wcweb/handouts/plagiarism.html> or <http://www.indiana.edu/~wts/pamphlets/plagiarism.shtml>

Plagiarism will result in a grade of "F" for the course and may result in your dismissal from the program.

University Specific Procedures:

ADA Statement

The Americans with Disabilities Act (ADA) is a federal anti-discrimination statute that provides comprehensive civil rights protection for persons with disabilities. Among other things, this legislation requires that all students with disabilities be guaranteed a learning environment that provides for reasonable accommodation of their disabilities. If you have a disability requiring an accommodation, please contact:

Office of Student Disability Resources and Services
Texas A&M University-Commerce
Geer Library 132
Phone (903) 886-5150 or (903) 886-5835
Fax (903) 468-8148
StudentDisabilityServices@tamuc.edu
[Student Disability Resources & Services](#)

Student Conduct

All students enrolled at the University shall follow the tenets of common decency and acceptable behavior conducive to a positive learning environment. (See *Code of Student Conduct from Student Guide Handbook* <http://web.tamuc.edu/studentLife/documents/studentGuidebook.pdf>).

COURSE OUTLINE / CALENDAR**

*** This schedule is tentative and may be changed at any time by the seminar team.

Monday, January 14	Introductions, syllabus, assignments, and intern information	Lesson Assignments (Groups) TeXes Study Group Assignments
January 15 & January 16	1 st Days in Field	
Monday, January 24	Holiday!	No Seminar
January 25 & January 26	Field	
Monday, January 28	Seminar Portfolio Discussion	Study Groups Plan of Action for being TeXes successful ITEPS/Journals
January 29 & January 30	Field	Schedule Liaison Evaluation
Monday, February 4	Seminar Lesson Planning	Liaison Evaluation in 1 st Placement Due
February 5 & February 6	Field	
Monday, February 11	Seminar Reading Group 1 and 2	Reading Lesson Presentation ITEPS/Journals
February 12 & February 13	Field	
Monday, February 18	Seminar Reading Group 3 and 4	Reading Lesson Presentation ITEPS/Journals
February 19 & February 20	Field	
Monday, February 25	Seminar Social Studies Lesson Presentations Group 1 and 2	Social Studies Lessons ITEPS/Journals
February 26 & February 27		
Monday, March 4	Seminar Social Studies Lesson Presentations Group 3 and 4	Social Studies Lessons ITEPS/Journals All Mentor and Midterm Evaluations MUST be completed!
March 5 & March 6	Field – Last Days in 1 st Placement	Drop Box Content Area Lesson Reflections (2)
March 11-15	Spring Break!	
Monday, March 18	Seminar	Mentor Evaluations (2) Due Mid Term Evaluation Due ITEPS/Journals Inquiry Research Topics
March 19 & March 20	Field – First Days in New Placement	
Monday, March 25	Group 1 and 2 2 nd Placement this Week	Math Lesson Presentation ITEPS/Journals
March 26 & March 27	Field	
Monday, April 1	Seminar Group 3 and 4	Math Lesson Presentation ITEPS/Journals
April 2 & April 3	Field	Schedule 2 nd Liaison Evaluation
Monday, April 8	Group 1 and 2	Science Lesson Presentation Liaison Evaluation in 2 nd Placement Due ITEPS/Journals
April 9 & April 10	Field	
Monday, April 15	Seminar Group 3 and 4	ITEPS/Journals Science Lesson Presentation
April 16 & April 17	Field	
Monday, April 22		Strategies Notebook and Strategies Write Ups Due ITEPS/Journals
April 23 & April 24	Field	
Monday, April 29		Mentor Evaluations (2) in 2 nd Placement & Final Evaluation

		Due ITEPS/Journals
April 30 & May 1	Field – Last Days in Placement	Drop Box Content Area Lesson Reflections (2)
Friday, May 3	Seminar – Bill Martin Jr. Symposium	
May 6-May 10	Finals Week
