**COURSE REQUIREMENTS**

**Instructional / Methods / Activities Assessments**

A wide variety of instructional methods will be utilized to provide meaningful learning experiences, including online lectures, independent research, writing assignments, and interactive discussion boards.

**Assignments**

**Participation & Attendance**

Demonstration of work ethic, responsibility, and integrity related to course objectives: This area is a holistic score based on demonstrated effort, attendance, and participation. Students shall earn points per class for attendance and participation. Participation includes the reading of course materials, completing written assignments and actively participating in class discussions through online posts.

**Discussion Boards & Writing Assignments**

Each student will make at least 3 meaningful discussion posts/voicethreads per unit interacting with the other students in the class. Make sure you use more than one sentence when responding to a post. Using, “I agree or I disagree” to your classmates ideas on a topic is a great way to promote more lively interaction and discussion.

- Post #1 - Answer the discussion question  
- Post #2 - Respond to one of your classmates posts  
- Post #3 - Respond to one of your classmates posts

The student will work on the writing assignments according to the course schedule on
the course calendar and submit these in a Word Document to the Dropbox.

- Interactive Discussion Board Posts/Voicethreads (20 points per posted comment x 3 per unit x 7 units = 420 points)

- Writing Assignments (100 points per module x 5 modules = 500 points)

- Webliography Posting w/ brief description (20 points per module x 4 modules = 80 points)
