**COURSE REQUIREMENTS**

**Instructional / Methods / Activities Assessments**

**Instructional Methods:** Class consists of various styles of presentation and interaction. In UC 111, students will be active participants regardless of the mode of instruction. Students should come to class ready to participate, both in terms of preparation as assigned and with a positive attitude toward class and colleagues.

**Assignments:**

*Attendance:* Roll will be taken each class day and students are expected to attend all scheduled class periods. Each section of this course is scheduled for 16 weeks of one weekly meeting of 100 minutes each. Students should make arrangements to be in class on time and to stay until the class is dismissed. Attendance is part of your participation grade for UNCO 111.

For students with excused absences, which include participation in a University-sponsored event, illness accompanied by a doctor’s note, death in the student’s immediate family, a verifiable court appearance or any other similar circumstance in the view of the instructor, written documentation must be turned in to the instructor immediately upon return to class.

*Participation:* Students must attend all class sessions and participate to the extent possible in each class activity. The activities in this course are designed to help you improve your communication skills and increase your knowledge set in order to make you a more effective and successful college student. *(100 points)*

*AVID requirements:* Students must complete both the LASSI and PEEK on-line inventories during the third and twelfth class weeks as assigned by the instructor. This must be completed outside of class! Failure to complete this requirement will automatically drop course grade one complete letter grade. *(100 points)*

*Journal:* Students must complete 3 journal papers worth 60 points each. Students are required to go to the writing lab for help with each paper and turn in the writing lab form for 10 points. Details of required journal activities and their due dates are listed in the weekly plan for the course which will be handed out on the first day of class. *(180 points)*

*Event paper:* One page event paper covering three events, worth 60 points, documenting attendance/participation in three different types of university events (athletic, academic, cultural, etc.). *(60 points)*

*University success skills:* Document three (3) visits to University support centers. *(60 points)*

*Exams:* Students will have a mid-term and final exam, each worth 100 points, in this course over the materials presented. *(200 points)*

Cornell Notes and quick writes: Students will turn in a class set of notes in the Cornell format and quick writes. *(20 points)*
Grading

Students' course grade will be calculated according to the following scale:

A = 634-720 Points
B = 562-633 Points
C = 504-561 Points
D = 470-503 Points
F = 469 Points or less

I utilize the Grade book feature in eCollege, so students will be able to view grades for each assignment as soon as I post them. However, be mindful that the grading scale in the course (see above) DOES NOT correspond to the percentages of points displayed in eCollege. If you strive for a specific grade in the course, be sure to notice how many points you need to accumulate to achieve that grade rather than focusing on the percentage of points you have earned in eCollege.

TECHNOLOGY REQUIREMENTS

UC 111 is a web-enhanced course. Delivery problems can result if technological requirements are not taken into consideration.

The following information has been provided to assist you in preparing to use technology successfully in this course. [List those technologies needed for your course.]
- Internet access/connection – high speed recommended (not dial-up)
- Headset/Microphone (if required for synchronous sessions in an online course)
- Word Processor (i.e. MS Word or Word Perfect)

Additionally, the following hardware and software are necessary to use eCollege:
Our campus is optimized to work in a Microsoft Windows environment. This means our courses work best if you are using a Windows operating system (XP or newer) and a recent version of Microsoft Internet Explorer (6.0, 7.0, or 8.0). Your courses will also work with Macintosh OS X along with a recent version of Safari 2.0 or better. Along with Internet Explorer and Safari, eCollege also supports the Firefox browser (3.0) on both Windows and Mac operating systems. It is strongly recommended that you perform a “Browser Test” prior to the start of your course. To launch a browser test, login in to eCollege, click on the ‘my Courses’ tab, and then select the “Browser Test” link under Support Services.
