

ECE 313.01W
Child Development: Early Years
COURSE SYLLABUS: Fall 2014

Jennifer Jeffus M.Ed.
Phone: 214-725-0381 (cell)
Email Address: j.jeffus@hotmail.com or you can email me through eCollege.

COURSE INFORMATION

Materials:

Required:

Trawick-Smith, J. (2014). Early Childhood Development: A Multicultural Perspective (6th ed.). Upper Saddle River, NJ: Pearson.

Optional:

National Association for the Education of Young Children. (2009). *Developmentally Appropriate Practice*. Washington, DC: NAEYC. Available online:
<http://www.naeyc.org/positionstatements/dap>

Course Description:

This course examines theoretical and empirical research along with practical experience relating to young children. Cognitive, physical, social and affective developmental domains are explored and implications for curriculum design and learning environments are drawn.

Student Learning Outcomes:

1. To identify developmental milestones and their implications during the early years
2. To explore the variations among young children's development
3. To apply developmental principles and theories to programs for young children
4. To observe and record the developmental behavior of young children
5. To examine the environmental effects on children of diverse cultural backgrounds
6. To associate ECE TExES competencies with course content

COURSE REQUIREMENTS

1. Complete the Midterm Exam and Final Exam. Exam will consist of multiple-choice, true/false and/or short answer questions. Students will demonstrate an understanding of the topics presented. (100 points each)
2. **Professional Behaviors:** Attendance online is expected; regular, consistent participation is important. We do important things every week of class – don't miss it. Excessive absences (less than 3 hours a week logged in to eCollege, or 5 days without logging into eCollege) may prompt an administrative withdrawal. (100 points)
 - **Read** textbook assignments, supplemental reading assignments, lecture notes and possible PowerPoint presentations.
 - **Check Leo eMail** frequently, at least twice a week.
 - **Discussions:** Participate in frequent online class discussions, whole class or small groups. Most are asynchronous – not live. Note the discussion board rubric in eCollege: Tools: DocSharing: **Discussion Board Rubric.pdf**.
3. Reaction Paper on Children's Media: Write a typewritten reaction paper after you have watched 2 hours of media produced for young children (i.e., cartoons, video games, or computer games). You should summarize and evaluate what you have observed. Include implications for the developing child and whether or not the media has any educational value for the young child. Using higher-level thinking skills (analysis, synthesis, and evaluation), your paper should be a minimum of 3 double-spaced typewritten pages. Be sure to submit your completed reaction paper to the appropriate dropbox by 11:59 PM on the due date on the syllabus. (100 points)
4. Complete **three observations** of children and write a case study on each one:
 - a. First, one child from the ages of **birth to 3 year of age**
 - b. Second, a child from **3 years old to 6 years old** (10% of final grade)
 - c. Finally, a kindergarten or primary grade student, from age **6 to 9 years old** (10% of final grade)

Explicit details for these three observations are available online in eCollege: DocSharing: **ObservationGuidelines.pdf**. These must be done in order (Infant/Toddler, Pre-K/Kinder, Primary), to align with our readings. It is better to do them with the children that are not your own. It is required that you **READ THE TEXTBOOK**, all the chapters related to the age of the child in your observation **BEFORE** you conduct the observation. You must have context and background to understand what you are observing. (100 points)

Grading

All assignments must be in the drop box on eCollege by Friday night at 11:59 PM. I will be grading each weekend. Any assignments not in the drop box on time will have points deducted for being late.

Your final grade will be determined by the number of points you earn for the semester.

A	450-500 points
B	400-449 points
C	350-399 points
D	300-349 points
F	348 points or less

TECHNOLOGY REQUIREMENTS

The following technology is required for success in this course.

- Internet access/connection – high speed recommended (not dial-up)
- Speakers or Headset/Microphone
- Webcam for AdobeConnect or ClassLive synchronous sessions)
- Word Processor (i.e. MS Word or Word Perfect) save all files in Rich Text Format .rft
- Adobe Reader <http://get.adobe.com/reader/>

Additionally, the following hardware and software are necessary to use eCollege:

Our campus is optimized to work in a Microsoft Windows environment. This means our courses work best if you are using a Windows operating system (XP or newer) and a recent version of Microsoft Internet Explorer (10.x or 11.x).

Your courses will also work with Macintosh OS X along with a recent version of Safari 2.0 or better. Along with Internet Explorer and Safari, eCollege also supports the Firefox browser (3.x) on both Windows and Mac operating systems.

It is strongly recommended that you perform a “Browser Test” prior to the start of your course. To launch a browser test, login in to eCollege, click on the ‘myCourses’ tab, and then select the “Browser Test” link under Support Services. Follow the operating system guidelines published here

<https://secure.ecollege.com/tamuc/index.learn?action=technical>.

ACCESS AND NAVIGATION

This course will be facilitated using eCollege, the Learning Management System used by Texas A&M University-Commerce. To get started with the course, go to <https://leo.tamuc.edu/login.aspx>. Use your CWID and password to log in to the course. If you do not know your CWID or have forgotten your password, contact Technology Services at 903.468.6000 or helpdesk@tamuc.edu.

COMMUNICATION AND SUPPORT

The most effective way of reaching me during the week is through email. I will check the email address listed on this syllabus daily. I will do my best to respond to you in a timely manner, within 24-48 hours. Please feel free in the event of an emergency to call me on my cell phone which is listed on this syllabus.

eCollege Student Technical Support (QM 6.6, 7.1)

Texas A&M University-Commerce provides students technical support in the use of eCollege. The student help desk may be reached by the following means 24 hours a day, seven days a week.

Chat Support: Click on '*Live Support*' on the tool bar within your course to chat with an eCollege Representative.

Phone: 1-866-656-5511 (Toll Free) to speak with eCollege Technical Support Representative.

Email: helpdesk@online.tamuc.org to initiate a support request with eCollege Technical Support Representative.

Help: Click on the '*Help*' button on the toolbar for information regarding working with eCollege (i.e. How to submit to dropbox, How to post to discussions etc...)

COURSE AND UNIVERSITY PROCEDURES/POLICIES

Course Specific Procedures:

Citizenship: All Students enrolled at the University shall follow the tenets of common decency and acceptable behavior conducive to a positive learning environment. (See Student's Guide Handbook, Policies and Procedures, Conduct).

Late Work: Late work is not accepted. You will have plenty of notification and time to complete course assignments. If you know you are going to be out of town and unable to access a computer, plan ahead. See course semester outline at the bottom of this syllabus. Also, make sure you read the note from me regarding assignment due dates at the end of this syllabus.

Plagiarism: Plagiarism will result in a grade of F for the assignment and possibly the course. Further infractions could result in dismissal from the teacher education program. Plagiarism consists of copying directly from a source without properly citing the source. It is also using someone else's work and claiming it as your own. Please cite your references in APA format.

Attendance

Attendance at all class meetings is **required and is essential** to your success in this course. It is a requirement of this class to sign your name tent upon arrival to document your participation each class meeting. For each absence a written letter is required to be placed in your file. No excuses will be given without written documentation. If you miss three or more classes you may be asked to drop the course. All absences will result in points taken off your professionalism grade. Participants are expected to be on time and stay for the entire time. If you choose to be late or leave early points will be deducted from your professionalism grade. If you miss class it is your responsibility to find someone who can give you notes for the previous class meeting. I will not bring additional copies of handouts to class. Select a buddy who will be willing to collect any material and take notes for you when you are out.

Written Assignments: All assignments must be **typed, double space, in legible 12 pt font.** College level writing is expected. If you feel insecure about your writing abilities you may want to seek assistance from the writing lab in the department of literature and languages. They will not assist with spelling. Please make sure someone proofs your paper.

Excessive grammar, spelling and vocabulary errors will result in a lower grade. You should demonstrate mastery of organizing, structure and editing.

University Specific Procedures:

ADA Statement

The Americans with Disabilities Act (ADA) is a federal anti-discrimination statute that provides comprehensive civil rights protection for persons with disabilities. Among other things, this legislation requires that all students with disabilities be guaranteed a learning environment that provides for reasonable accommodation of their disabilities. If you have a disability requiring an accommodation, please contact:

Office of Student Disability Resources and Services

Texas A&M University-Commerce
