- ✓ Make an answer sheet for yourself and indicate your answer choice on the paper. At the end of the test there is a page with the correct answers. Check your answers and then go back to the missed test items and determine why you missed it, and go back to the items that you got correct and decide why you got it.
- ✓ Make a list of 5 example questions that were difficult and you did not know how to tackle in order to answer the question.

The state encourages students to self study independently (not part of course credit) in preparation for the TExES. This assignment will give students the advantage of early intervention in preparation for successful performance on the TExES 191 Generalist EC-6.
