COURSE INFORMATION

Readings will be assigned as handouts or reviews of image collections and readings online or in library holdings.

Course Description:
Students will explore traditional and contemporary approaches to documentary photography through five individual photography assignments, lectures and readings, and a semester long photography project. Students will be encouraged to photograph in unfamiliar environments and required to research their subjects carefully. The capstone of the course is a semester long, final project on a self-defined theme. Students will work with their own DSLR, 35mm cameras unless special arrangements are made with the instructor. Prerequisite: Photography 112.

Student Learning Outcomes:
1. Students will demonstrate an understanding and appreciation for the various historical and contemporary practices of documentary approaches to photography.
2. Students will demonstrate the ability to communicate effectively through documentary photography and to evaluate and discuss documentary images.
3. Students will demonstrate a facility for researching and interacting with an unfamiliar environment and developing creative responses through photography.
4. Students will demonstrate critical reflection on the documentary photographic practice in familiar and unfamiliar social contexts and environments.
5. Students will demonstrate basic technical competence in digital photography and printing and will display their work for critique.

COURSE REQUIREMENTS

Students should have basic competency in use of 35mm DSLR cameras set on manual mode before taking this class. Students should bring their own DSLR cameras on the first day of class and to every subsequent class unless otherwise noted. Students are required to supply their own paper for digital photographic printing. This course requires organized and motivated student research and photographic work outside of class time. Students should be prepared to work independently and seek additional help as needed.
Grades will be assigned according to the following scale:

- **A** Work well above the general class level, evidence of participation in related activities outside of the classroom, thoughtful participation in classroom discussion and critique
- **B** work above the general class level, participation in classroom discussion and critique
- **C** average work, minimal requirements met
- **D** work below class average, lack of participation and/or poor attendance
- **F** inferior work, work not submitted, failure to attend class

**TECHNOLOGY REQUIREMENTS**

Students are required to have their own 35 mm DSLR camera for use in this course. Very limited university photography equipment is available for checkout. Access to photo editing software such as Adobe Lightroom or Camera Bits Photomechanic on personal Macintosh laptops is advised. University computing resources are also available. There is a cost for printing on University printers of $1.00 per square foot for printing, plus a cost of $1.50 per square foot for heavyweight photo matte paper or $2.00 per square foot for photo satin paper. Prices may vary during the semester.

**COMMUNICATION AND SUPPORT**

A printing lab assistant will be available on Fridays at the UCD campus from 10am-1pm and printing must be done at this time. Students should schedule all of their printing appointments at the start of the semester during these hours. Post-production work may be done in computer labs at any time. Instructor assistance is available by appointment only.

**COURSE AND UNIVERSITY PROCEDURES/POLICIES**

**Attendance:** You may be absent from class twice. On your first absence, you will receive an e-mail from Myranda Staten and it will be copied to the instructor and Lee Whitmarsh and filed. On your second absence you will receive an e-mail from Myranda Staten and it will be copied to the instructor and Lee Whitmarsh and filed. On your third absence, you will receive an F in the course. If you wish to drop the course you will receive a drop/fail. Two tardy arrivals of 30 minutes or more equal an absence.

**University Specific Procedures:**

**ADA Statement**

The Americans with Disabilities Act (ADA) is a federal anti-discrimination statute that provides comprehensive civil rights protection for persons with disabilities.
