COURSE REQUIREMENTS

Instructional / Methods / Activities Assessments

This course consists of a series of activities and assessments to assist you in achieving the outcomes/objectives for the course and instructional units. Each week you will work on various combinations of assignments, activities, discussions, readings, research, etc.

Exams: 100 points each

Student Learning Outcomes: 2-5 See above

PPR Standards/Competencies: Based on individual student reflection and application

Assessment Method: Reflection and Application Based Assessment/Rubric Provided

Assessment will cover the required textbook readings and the content of the class discussions. The student will apply the learned material to their future education profession in each exam.

Professionalism:100 points

Student Learning Outcomes: 1 and 6

Assessment Method: The professionalism grade will be based on the students preparedness and participation in all discussions through readings. This grade will also be determined by the students attendance and overall professionalism exhibited in class, online, and through communications.

Parent/Teacher Night Presentation: 50 points

Learning Outcomes: 1, 3, 5, and 6

PPR Standards/Competencies: 1.7k, 1.18s, 2.6s, 2.14s, 2.17s, 4.1k

Assessment Method: Rubric Provided (Doc Shared in eCollege)

Students will create and present a presentation utilizing technology that informs parents about you and the school, your classroom management, expectations, state curriculum (TEKS) and state/district assessment (STAAR, MAPS, etc), special projects and the importance of family involvement and volunteer opportunities. Students will also research and apply how to accommodate and be sensitive to ELL families when presenting.

Mini Workshops: 2@ 25 points each

Student Learning Outcomes: 1-6

PPR Standards/Competencies: 1.7k,1.9k,1.12k-1.29k,3.4k-3.6k, 3.6s-3.11s, 3.13s, 3.14s

Assessment Method: Rubric Provided

The student will create a lesson plan for a specific grade level with the appropriate **TEKS** and **ELPS** that are covered in two mini workshops. One of the mini workshops will be on the choice

of an art project or musical instrument and piece of music or readers theatre. The second mini workshop will be a cooking workshop.

The mini workshops will be planned and presented to the class.

Lesson Plan Analysis: 100 points

Learning Outcomes: 1-6

PPR Standards/Competencies: 1.7K, 1.12k-1.14k, 1.16k, 1.19k, 1.20k,1.1s-1.5s

Assessment Method: Outlined in Activity Below/Blooms Taxonomy

Analyze a pre-written lesson plan from an educational website to:

- a) Determine if the activities are appropriate for all learners, especially English Language Learners, Special Education Students, and Gifted Students or if scaffolding is needed;
- b) Identify the levels of Bloom's Taxonomy (located in Doc Sharing) evident in the activities.

The student will submit their analysis on the assigned date. The submission will include the following information per the guidelines for written assignments in they syllabus:

- 1. The URL where the lesson plan was located.
- 2. A summary of the strengths of the lesson. Is the lesson appropriate for the age level? Does it meet curriculum standards (TEKS) for the grade level? Is it challenging enough for the grade level?
- 3. The levels of Bloom's Taxonomy covered in the activity; specifically addressing the activities by name and the Bloom's category they go with.
- 4. A critique of how the lesson addressed ELL, Special Needs, and Gifted Learners
- 5. Does the lesson appropriate assess the learner for understanding of the objectives?

Content Lessons: 100 points total (25 points each)

Learning Outcomes: 1-6

PPR Standards/Competencies:1.7k,1.9k,1.12k-1.29k,3.4k-3.6k, 3.6s-3.11s, 3.13s, 3.14s

Assessment Method: Rubric Provided (Doc Shared in eCollege)

Students will create content area lessons (Math, Science, Language Arts, Social Studies) based on a selected theme and appropriate grade level TEKS and ELPS. The lessons will be in formally written lesson plans (approved format) for each of the content areas and integration should be present. Technology must be utilized in the preparation, presentation, and assessment. The lesson plans will address differentiated learning, ELL, and children with special needs. The lesson plan cycle will be evident and how you will assess the students on the chosen objectives should include formal and informal. Specific requirements for the lessons can be found in the Rubric. The lessons will be presented in class and will be graded by the professor using a rubric.

Grading

Your final grade will be determined by the number of points you earn for the semester.

A	540-600 points
B	480-539 points
C	420-479 points
D	360-419 points
F	359 points or less

TECHNOLOGY REQUIREMENTS

The following information has been provided to assist you in preparing to use technology successfully in this course.

- Internet access/connection-high speed recommended (not dial up)
- Word Processor (i.e. MS Word or Word Perfect)

COURSE AND UNIVERSITY PROCEDURES/POLICIES

Course Specific Procedures:

Attendance Policy:

Attendance at all class meetings is **required and is essential** to your success in this course. It is a requirement of this class to sign your name tent upon arrival to document your participation each class meeting. For each absence a written letter is required to be placed in your file. No excuses will be given without written documentation. If you miss three or more classes you may be asked to drop the course or be administratively withdrawn from the course for excessive absences. All absences will result in points taken off your professionalism grade. Participants are expected to be on time and stay for the entire time. If you choose to be late or leave early points will be deducted from your professionalism grade. If you miss class it is your responsibility to find someone who can give you notes for the previous class meeting. I will not bring additional copies of handouts to class. Select a buddy who will be willing to collect any material and take notes for you when you are out.

Cell Phone Policy:

Please respect the instructor and your peers **by silencing or turning off** your cell phone upon entering our classroom. If there is an emergency you may leave it on silence mode. This should constitute only emergencies. Texting during class is unprofessional and will result in a deduction in your professionalism grade.

Assignment Policy:

All assignments are due on the date they are assigned which can be found in the Course Calendar. All assignments that are late will have points deducted. Late means they are not turned in when class meets on the day they are due. If you forget your assignment, then points will be deducted. You are a professional and must present yourself in a way to show responsibility. Assignments will be handed in during class meeting and **must be** in .doc or .docx format. All completed/graded assignments must be picked up by the end of the semester or they will be discarded.

Written Assignments: All written assignments are to be **typed double-spaced in a legible 12 pt. font** with 1" margins and are expected to exhibit professional quality. You should demonstrate mastery of organizing, structuring, and editing (for all aspects of mechanics) in your writing. Excessive grammar, spelling, and vocabulary errors will result in a reduction of your score at the instructor's discretion. College level writing and higher order thinking must be evident in all written assignments. If you are unsure of your writing abilities, please visit the writing lab for help.

Academic Honesty Policy: Texas A&M University-Commerce does not tolerate **plagiarism** and other forms of academic **dishonesty**. Conduct that violates generally accepted standards of academic honesty is defined as academic dishonesty. "Academic dishonesty" includes, but is not limited to, plagiarism (the appropriation or stealing of the ideas or words of another and passing them off as one's own), cheating on exams or other course assignments, collusion (the unauthorized collaboration with others in preparing course assignments), and abuse (destruction, defacing, or removal) of resource material.
