Course Specific Procedures:

Please note numerous small group projects take place during seminar meetings requiring your punctuality and presence to complete and receive credit. Students are required to sign-in at each seminar. Absences, tardiness, stepping out and leaving Seminar early will result in lowering of your grade. Please act in a professional manner. If a student teacher misses more than one (1) seminar class during the semester, he or she is considered at risk and may be placed on a growth plan.

ATTENDANCE POLICIES AND PROCEDURES

ATTENDANCE POLICY FOR THE FIELD BASED EXPERIENCE: Both the seminar class meetings (SED 400 / 401) and the intern-residency days in the field (SED 404/405) are considered to be class days.

SEMINAR ATTENDANCE - Because of the length of the Seminar sessions, only one (1) excused absence is allowed for the eight seminar sessions for SED 400 / 401. Notify Susan Bishop of your absence immediately by email or text. Missing more than one Seminar and/or continual tardiness can result in a lowering of your grade, being placed on a growth plan or removal from the program. You have reached a level of professionalism that no longer tolerates a pattern of absences or tardiness. Please maintain your professional status. You are being observed daily and recommendations for employment will follow.

MISSED SEMINAR PROCEDURE FOR MAKE-UP WORK*

Your presence in the eight seminar sessions is mandatory. If an absence is unavoidable, you will have the opportunity to recoup 80% of points not earned. For an entire seminar, you can earn 160 of the 200 Attendance/Professional possible points.

Please make every effort to be present for all seminar sessions. You will earn credit for two, 3-credit courses through the seminar meetings. So missing ONE seminar is equivalent to missing over three weeks of a one-hour MWF class. In addition, an integral part of the seminar learning experience revolves around the interactions with your colleagues and instructors. This crucial component cannot be recreated.

Things you need to know:

- This opportunity to earn points may be used for one and only one seminar session during the semester.
- The make-up assignments must be completed and submitted on the specified due date.
- To be eligible to earn make up points, you must have notified Susan Bishop prior to the seminar session via email, or text, to document the necessity of your absence.
  - For schedule conflicts, this notification must occur 48 hours prior to the beginning of seminar.
- To earn make-up points, you must complete ALL assignments (e.g. you will not receive partial credit for completing half of the assignments).
To earn the one time make-up points for a missed seminar session:
1. You will create a thoughtful, write-up for each reading assignment that includes:
   a. 50 to 100 word summary of the important points of article/chapter
   b. 50 word reflection on how that reading applies to you and how it will impact your teaching practice
2. Contact Susan Bishop (susan.bishop@tamuc.edu) for additional assignments and requirements for the specific seminar session.
3. Submit all make-up assignments to Susan Bishop

*Please note that all students who miss a seminar session or portion of seminar, regardless of the reason, will have that absence reflected in the Attendance/Professionalism grade. Specifically, a student who misses an entire seminar session for any reason will have a zero posted in the grade book for the Attendance/Professionalism grade.

RESIDENCY ATTENDANCE - Only three (3) excused absences are allowed during the entire semester during your field-based student teaching (SED 404/405). Any missed day/s in excess of the three (3) absences will need to be made up during the week prior to Commencement in order to receive a passing grade. Tardiness is not acceptable in the field. You MUST arrive in your classroom on time. Again, your lack of attendance and/or punctuality will result in a poor evaluation, being placed on a growth plan, or removal from the program. An excused absence is one for which the Intern has the approval of his or her mentor teacher(s), and the university liaison and follows the attendance policy stated in the college catalog and Student Handbook. Approval for absences must be obtained prior to the start of the school day to be missed. If you are ill and will be absent from the field, you must notify your university liaison, and mentor teacher(s) prior to the start of the school day.

If the Intern has more than three absences, an ILT meeting will be held to determine the Intern’s status. Interns will be immediately removed from the program for any unexcused absences.
