**Course Description and Expectations**

Lessons will occur in the Music Building every week, unless prior arrangements have been made. Please be warmed up and on time. Lesson times will also be scheduled by the 2nd class day. Be fully prepared for each lesson: mentally, physically, technically. Please have all necessary materials. You will be expected to learn assigned repertoire and etudes.

**Objective**

Flute lessons are designed to improve the basic fundamentals of flute playing and to expose the student to all extremes of musicianship. Lessons will assist students in the development of:
1. tone, 2. technical & rhythmical accuracy, 3. scales, 4. etudes, 5. solo repertoire, 6. orchestral excerpts, 7. mind and body awareness (physical and mental), and 8. performance skills.

**Attendance**

Students are expected to attend all lessons. Absences from lessons will be made up at the discretion of the instructor. It is the student's responsibility to notify the instructor in advance of a legitimate absence, and to secure any assignments from instructor or other students. **If you know that you must miss a lesson, please give me advanced notice (24 hours minimum via email or phone call) so that we can reschedule** (if possible—make-ups are not guaranteed). **TEXT MESSAGING is not an appropriate way to cancel a lesson.** Lessons missed due to student vacations taken during the term will not be made up. The only excuses for missing a lesson are illness and family emergencies. If you do not give me notification in advance, you will receive a “0” for the missed lesson. After 1 absence, **your final grade will be dropped by one (1) full letter grade.**

**Required Materials**

1. A Flute in good working condition
2. A Metronome
3. A Tuner
4. Music: Any method books and solo pieces to be announced with the instructor.
5. A notebook and pencil

**Grading**

Grades are based on attendance, performance, preparedness, and progress. Students will be evaluated on a percentage basis from the following areas:

1. Weekly private lessons - Student will receive a grade for each lesson. This includes lesson prep, scales, tone production, technique, etudes, orchestral excerpts, solo repertoire, and any special assignments designated by myself. Lessons will count for 50% of the student’s final semester grade.
2. Scale Jury: 10% of the final semester grade. Students are required to play a scale jury at the discretion of the instructor.
3. Studio Class Participation/Recital Attendance/Assignments: 15% of the final semester grade.
4. Final Exam/Jury: 25% of the final semester grade.

Note: The instructor reserves the right to make exceptions and adjustments to the course policies on a case-by-case basis, to accommodate particular circumstances.
**Required Recitals**
If you are a music major, you are required to attend all flute recitals and masterclasses that are given on campus. There will be many other required woodwind recitals and masterclasses in the area that will be announced throughout the school year.
*Dates will be announced and posted at Room 219 as they become available.

The applied instructor selects literature and plans lessons in a logical sequence specifically designed to prepare each student to meet the stated student learning outcomes. Thus, the literature and skills addressed in each lesson will vary according to each student's experience in performance repertoire and technical strengths and weaknesses. In practice, after assessing a student's skills and needs in the early lessons, the applied instructor often provides a more detailed overview of the semester's activities; however, this overview is specific to that student and the sequential activities are contingent upon that student's continued progress.
