COURSE DESCRIPTION:

MUS 127 is the second of a four-course sequence that examines the aural and singing skills of the notation, structure, and development of Western Music.

STUDENT LEARNING OUTCOMES:

Upon completion of the course, students will:
- Develop and enhance skills in music reading and writing.
- Provide training in the ability to sing diatonic and chromatic melodies, including the use of solfeggio.
- Develop the ability to hear, identify, correct, and reproduce harmonic and melodic concepts after a few hearings.
- Demonstrate the same ability in accurately transcribing tonal music from repeated hearings.
- Utilize all these skills so as to improve performance skills for lessons and ensembles.
**COURSE REQUIREMENTS**

**INSTRUCTIONAL METHODS:**

This course is a lab course. Instruction will vary for each student but include lectures by the instructor, listening examples, class discussions, class singing, as well as dictation.

**ASSIGNMENTS, GRADING POLICIES, AND CALCULATION OF FINAL AVERAGE:**

1. **READING THE TEXTBOOKS/HANDOUTS AS ASSIGNED ON THE COURSE SCHEDULE**

   It is imperative that students read the textbook as assigned. Sight singing and practicing interval training daily will dramatically enhance classroom and exam performance.

2. **ATTENDANCE / CLASS PARTICIPATION (5 POINTS)**

   The University attendance policy states that students “are expected to be present for all class meetings.” Refer to “Attendance” in the Course and University Procedures/Policies Section below. Each student in this course is allowed unexcused absences amounting to **three** class periods. Unexcused absences require no explanation. After a student accrues more than 3 unexcused absences, the instructor has the prerogative to reduce the final letter grade for each additional absence.

   The instructor will close the door at the designated starting time. Attendance will be taken at that time. NO ONE will be admitted after the door has been closed.

3. **HOMEWORK (10 POINTS)**

   The student will have regular assignments from the textbook, and the accompanying workbook. Homework will be collected at the beginning of class for a grade. Late papers will not be accepted. If you do not turn in homework that is taken up, you will receive an assignment grade of 0%.

   Only assignments that are neat, legible, and completed IN PENCIL will be graded for credit; all others will be returned with a grade of 0%.

4. **LISTENING/DICTATION EXAMS (60 POINTS)**

   There will be **FOUR** listening exams throughout the course. These exams will test the students’ aural skills. Exams may include melodic dictation, harmonic dictation, interval drills, error detection of melodies and rhythms, and chord inversions. NO MAKE-UP EXAMS WILL BE GIVEN (**See note for attendance policy above).

   Only assignments that are completed IN PENCIL, neat, and legible will be graded for credit; all others will be returned with a grade of 0%.

   *Because this is a class that builds on previously learned material, each exam will be weighted increasingly: Exam 1 – 7 pts; Exam 2 – 13 pts; Exam 3 – 17 pts; Exam 4 – 23 pts*
5. SIGHT-SINGING EXAMS (25 POINTS)

Students will sign up for a time during the class period to complete the sight-singing exam. Material of each exam will differ. Overall, students will be required to sing rhythms, intervals, sight-sing, and/or melodies while conducting a basic pattern. If a time conflict arises, the instructor and student may meet to take the exam BEFORE the next class period.

*Because this is a class that builds on previously learned material, each exam will be weighted increasingly:

Exam 1 – 3 pts; Exam 2 – 5 pts; Exam 3 – 7pts; Exam 4 – 10 pts

**CALCULATION OF FINAL GRADE**

All quizzes, exams and assignments must be completed if the student is to pass the course.

**COMMUNICATION AND SUPPORT**

I encourage classes to interact with me as much as possible, especially if a student feels challenged by the academic content of a course or has missed classes. My office and conference hours are indicated at the top of the syllabus. If you cannot see me during my regular office hours, I will make every effort to set up an appointment at a time that is mutually convenient. Apart from speaking to me before or after class, e-mail is usually the best means of getting in touch with me.

**COURSE AND UNIVERSITY PROCEDURES/POLICIES**

**ATTENDANCE**

Students are expected to attend classes regularly and to stay abreast, without prompting, of all readings, assignments and exams. Participation in class meetings will provide an opportunity for explanation of difficult concepts, discussion of solutions to homework assignments, and answering of questions. University guidelines on attendance are outlined in *The Student Guidebook*, available through the Office of the Dean of Students and by searching the University’s web site, but the specific policies for this course are as follows.

Each student in this course is allowed unexcused absences amounting to **two** class periods. Unexcused absences require no explanation.

Excused absences are defined in *The Student Guidebook* and various university policies, but the policy employed in this class is confined to the following: (1) Participation in pre-approved University activities such as athletic events, sponsored field trips, and travel for specific University related academic reasons; (2) Verifiable legal proceedings; (3) Documented cases of illness, injury, or emergencies.
All such excuses must be provided in original, written, documentary form within 5 days of the absence(s). In lieu of documentation, the absences become unexcused and counted as such. **When a student accrues more than four unexcused absences the instructor has the prerogatives (1) to reduce the final letter grade for each additional absence, and, for excessive absences, (2) to expel the student from class, drop the student from class, or assign the student a final grade of F.**

**ACADEMIC DISHONESTY**

Academic dishonesty has zero tolerance in this class. Be sure that you understand what constitutes academic dishonesty (e.g., plagiarism, cheating on exams, theft of instructional material or exams, representing the work of someone else as one’s own, misrepresenting absences or tardiness on sign-in sheets or roll calls, etc.).

Academic dishonesty is a severe transgression in college and may result in referral to the Dean of Students, expulsion from class, and /or the University, and a failing grade.
