COURSE REQUIREMENTS

Instructional / Methods / Activities Assessments

Instructional Methods:
Class consists of various styles of presentation and interaction. In UNCO 111, students will be active participants regardless of the mode of instruction. Students should come to class ready to participate, both in terms of preparation as assigned and with a positive attitude toward class and colleagues.

Assignments:
Attendance: Roll will be taken each class day and students are expected to attend all scheduled class periods. Each section of this course is scheduled for 16 weeks of twice weekly meetings of 50 minutes each. Students should make arrangements to be in class on time and to stay until the class is dismissed. Attendance is part of your grade for UNCO 111. (100 points) Students who are more than 10 minutes late to class will be counted absent for that class period and may not be permitted to enter the classroom (enforceable by the instructor's discretion).

For students with excused absences, which include participation in a University-sponsored event, illness accompanied by a doctor's note, death in the student's immediate family, a verifiable court appearance or any other similar circumstance in the view of the instructor, written documentation must be turned in to the instructor immediately upon return to class.

Each absence in this course will result in a point reduction on your final attendance grade according to the chart below.

</tr>
<tr>
<td>D</td>
<td>510-573</td>
</tr>
<tr>
<td>F</td>
<td>509 Points or less</td>
</tr>
</tbody>
</table>

NOTES:
Please be aware of the grading scale and the percentages utilized in the grade distribution. For example, a student does not need to earn 90% of the points in the course to earn an “A” (722/820= 88%), but a student must earn 70% of the points to receive a “C” in the course. The moral of the story is that students will be rewarded for working a little more diligently in the course, while students who seek to “survive” in the course will actually have to work harder to earn a lower grade. Due to these allowances, I do not curve grades at the end of the semester.

I utilize the Gradebook feature in eCollege, so students will be able to view grades for each assignment as soon as I post them. However, be mindful that the grading scale in the course (see above) DOES NOT correspond to the percentages of points displayed in eCollege. If you strive for a specific grade in the course, be sure to notice how many points you need to accumulate to achieve that grade rather than focusing on the percentage of points you have earned in eCollege.
