

ECE 561.01W  
Early Childhood Curriculum  
Spring, 2015

Instructor: Donna McCrary, Ph. D.

Office: Ed South, 221

Office Hours: 7:30-9:30 M-F (online)

Office Phone: 903-468-8627

Email: [donna.mccrary@tamuc.edu](mailto:donna.mccrary@tamuc.edu)

COURSE INFORMATION

This course is designed to examine the relationships among development, experiences and practices in early childhood education. Emphasis is placed upon the investigation of theoretical influences on early childhood education—PreKindergarten, Kindergarten, Grades 1,2,3.

STUDENT LEARNING OBJECTIVES

Participation in the class will enable students to:

1. Identify the concepts and principles of child development.
2. Identify the child development theories and stages of development.
3. Review research associated with child development.
4. Describe the interdependency of young children's development (physical, social and cognitive).
5. Discuss the nature of developmental changes in children and their implications for Early Childhood Education programming.
6. Investigate the interactive contexts and culture on the development of young children and their families.

TEXTBOOK

*Infants and Children: Prenatal through Middle Childhood* by Laura Berk (latest edition)

## COURSE SPECIFIC POLICIES

### 1. Assignment Due Dates

All assignments are due by the date listed on the course outline.

A 30 point deduction will be applied for each class day that an assignment is submitted past the assignment date.

### 2. Written Assignments

All assignments must be computer generated (preferably Times New Roman) 12 point font. College level graduate writing is expected. If you feel insecure about your writing abilities you may want to seek assistance from the writing lab on campus. Excessive grammar, spelling, and vocabulary errors will result in a lower grade.

## UNIVERSITY PROCEDURES/POLICIES

### **Withdrawal Policy**

Every student has the right to drop the course without penalty until the drop-date. Students dropping the course during this period will be given a DP (drop while passing). A grade of DP is GPA neutral, but a grade of DF counts as an F on your transcript.

If you choose to stop attending class, you may be dropped from the course due to excessive absences. If you are not satisfied with your grade in the course and wish you to drop, it is YOUR responsibility to drop the course. Once a grade of DP or DF has been submitted, it cannot be changed.

A student may drop a course by logging into their myLEO account and clicking on the hyperlink labeled 'Drop a class' from among the choices found under the myLEO section of the Web page.

### **Student Conduct**

All students are expected to conduct themselves in a professional manner at all times. You are adults and will be treated as such. Discriminatory, rude, and inappropriate language will not be tolerated in this class and students will be asked to leave or drop the class (these same rules apply for online discussions). If a student continues to act in the same manner during future classes, the instructor reserves the right to drop the student from the course.

## **Academic Integrity**

Academic integrity is the pursuit of scholarly work free from fraud and deception and is an educational objective of this institution.

Texas A&M University-Commerce has explicit rules and regulations governing academic dishonesty and academic misconduct. As the University states, "All students enrolled at the University shall follow the tenets of common decency and acceptable behavior conducive to a positive learning environment." These policies are stated in detail in the Student's Guide Handbook. Each student is expected to read this document and abide by the contained policies. These university policies will be followed in this class. The minimum penalty for an act of academic dishonesty will be the assignment grade of 0 on the examination or homework assignment. The maximum penalty is expulsion from the University.

Texas A&M University-Commerce further does not tolerate **plagiarism** and other forms of academic **dishonesty**. Conduct that violates generally accepted standards of academic honesty is defined as academic dishonesty. "Academic dishonesty" includes, but is not limited to, plagiarism (the appropriation or stealing of the ideas or words of another and passing them off as one's own), cheating on exams or other course assignments, collusion (the unauthorized collaboration with others in preparing course assignments), and abuse (destruction, defacing, or removal) of resource material.

If you are unsure what constitutes plagiarism and how to avoid it. Visit the following websites:

## **Requests for Special Accommodations**

Requests from students with disabilities for reasonable accommodations must go through the Academic Support Committee. An individual instructor cannot decide to make accommodations for you without that Committee's approval.

## ***ADA Statement***

The Americans with Disabilities Act (ADA) is a federal anti-discrimination statute that provides comprehensive civil rights protection for persons with disabilities. Among other things, this legislation requires that all students with disabilities be guaranteed a learning environment that provides for reasonable accommodation of their disabilities. If you have a disability requiring an accommodation, please contact:

**A&M-Commerce will comply in the classroom, and in online courses, with all federal and state laws prohibiting discrimination and related retaliation on the basis of race, color, religion, sex, national origin, disability, age, genetic information or veteran status. Further, an environment free from discrimination on the basis of sexual orientation, gender identity, or gender expression will be maintained.**

## TECHNOLOGY REQUIREMENTS ACCESS AND NAVIGATION

The following information has been provided to assist you in preparing to use technology in your web-enhanced course.

The following technology is required to be successful in this course.

Internet connection – high speed recommended (not dial-up)

Word Processor (Microsoft Office Word – 2003 or 2007)

Access to University Library site

Access to an Email

Additionally, the following hardware and software are necessary to use eCollege:

Our campus is optimized to work in a Microsoft Windows environment. This means our courses work best if you are using a Windows operating system (XP or newer) and a recent version of Microsoft Internet Explorer (6.0, 7.0, or 8.0).

Courses will also work with Macintosh OS X along with a recent version of Safari 2.0 or better. Along with Internet Explorer and Safari, eCollege also supports the Firefox browser (3.0) on both Windows and Mac operating systems.

It is strongly recommended that you perform a “Browser Test” prior to the start of your course. To launch a browser test, login in to eCollege, click on the ‘myCourses’ tab, and then select the “Browser Test” link under Support Services.

## COMMUNICATION AND SUPPORT

Texas A&M University-Commerce provides students technical support in the use of eCollege. The student help desk may be reached by the following means 24 hours a day, seven days a week. If you experience issues while taking your exams or at any other point, feel free to contact the support desk.

- **Chat Support:** Click on '*Live Support*' on the tool bar within your course to chat with an eCollege Representative.
- **Phone:** 1-866-656-5511 (Toll Free) to speak with eCollege Technical Support Representative.

- **Email:** [helpdesk@online.tamuc.org](mailto:helpdesk@online.tamuc.org) to initiate a support request with eCollege Technical Support Representative.
- **Help:** Click on the '*Help*' button on the toolbar for information regarding working with eCollege (i.e. How to submit to dropbox, How to post to discussions etc...).

## GRADING

Grading in this class will include only points so that students can determine at any time in the class where they stand. The grade book will be available through eCollege and students may access it at anytime they wish.

Grades will be determined as follows:

Grading Scale	
A = 90 - 100%	
B = 80 - 89%	
C = 70 - 79%	
D = 60 - 69%	
F = below 60%
