Course Description: RDG 360. Word Analysis Skills. Three semester hours.

This course studies word examination of word identification within the context of language. The focus of this course is an examination of how to implement TEKS when facilitating children's development of the phonological system through writing. Specific attention is given to strategies that are useful to readers in the areas of word knowledge and word analysis. Prerequisites: ELED 300, RDG 350; minimum overall GPA of 2.75; minimum Reading score of 250 on theTHEA.

RDG 360 course content is aligned with the Texas Essential Knowledge and Skills for Language Arts and Reading for grades K – 6. The specific TEKS headings are:

- READING/ Beginning Reading Skills/ Print Awareness/ Phonological Awareness/ Phonics/ Vocabulary Development
- ORAL AND WRITTEN CONVENTIONS/ Spelling

Student Learning Outcomes:**ENGLISH LANGUAGE ARTS AND READING GENERALIST EC–6 STANDARDS**

Standard II. Phonological and Phonemic Awareness: Teachers of young students understand the components of phonological and phonemic awareness and utilize a variety of approaches to help young students develop this awareness and its relationship to written language.

Standard III. Alphabetic Principle: Teachers of young students understand the importance of the alphabetic principle to reading English, know the elements of the alphabetic principle, and provide instruction that helps students understand that printed words consist of graphic representations that relate to the sounds of spoken language in conventional and intentional ways.

Standard V. Word Analysis and Decoding: Teachers understand the importance of word analysis and decoding to reading and provide many opportunities for students to improve word analysis and decoding abilities.

Standard IX. Writing Conventions: Teachers understand conventions of writing in English and provide instruction that helps students develop proficiency in applying writing conventions.

Course Objectives:

The critical components of THE STANDARDS that can be measured with an examination are known as the TExES COMPETENCIES. While Competencies 001 Oral Language, 004 Literacy Development and Practice and 012 Assessment of Developing Literacy will be studied during this course the competencies that are aligned specifically and primarily with this course are :

- **Competency 002: (Phonological and Phonemic Awareness).** The teacher understands phonological and phonemic awareness and employs a variety of approaches to help students develop phonological and phonemic awareness.
- **Competency 003: (Alphabetic Principle).** The teacher understands the importance of the alphabetic principle for reading English and provides instruction that helps students understand the relationship between spoken language and printed words.
- **Competency 005: (Word analysis and identification skills).** The teacher understands the importance of word identification skills (including decoding, blending, structural analysis, sight word vocabulary, and contextual analysis) and provides many opportunities for students to practice and improve word identification skills.

Reading/Vocabulary Development
English Language Arts and Reading Essential Knowledge and Skills
Related to Competency 007 (Reading Comprehension And Applications)

The beginning teacher: B. Knows how to provide instruction to help students increase their reading vocabulary. C. Understands factors affecting students' reading comprehension (e.g., oral language development, word analysis skills, prior knowledge, language background, previous reading experiences, fluency, vocabulary development, ability to monitor understanding, characteristics of specific texts).

Oral and Written Conventions/Spelling

§110. English Language Arts and Reading, Beginning with School Year 2009-2010.
The English Language Arts and Reading Texas Essential Knowledge and Skills (TEKS) are organized into five strands. The TEKS listed here are from the strand Oral and Written Conventions, where students learn how to use the oral and written conventions of the English language in speaking and writing.

Source: The provisions of this §110 adopted to be effective September 4, 2008, 33 TexReg 7162.

COURSE AND UNIVERSITY PROCEDURES/POLICIES

Course Specific Procedures: You are preparing for an exciting career in a profession that approves a high standard of personal integrity, honesty and positive attitude. You are expected to study to increase knowledge of effective teaching strategies, use Standard English in spoken and written communication, and demonstrate emotional and social maturity. Behavior during class should show respect to the instructor and fellow classmates. Visiting in class when instruction is occurring, use of cell phones or computers, and doing home work from other classes will negatively affect your understanding and interfere with the learning of other students; therefore, this should not be occurring. When you present a project, you will be expected to dress and act as you would in the classroom.

University Specific Procedures:*ADA Statement*

The Americans with Disabilities Act (ADA) is a federal anti-discrimination statute that provides comprehensive civil rights protection for persons with disabilities. Among other things, this legislation requires that all students with disabilities be guaranteed a learning environment that provides for

reasonable accommodation of their disabilities. If you have a disability requiring an accommodation, please contact:

Student Conduct

All students enrolled at the University shall follow the tenets of common decency and acceptable behavior conducive to a positive learning environment. (See *Code of Student Conduct from Student Guide Handbook*).

COURSE REQUIREMENTS

Instructional / Methods / Activities Assessments

Course Overview:

This course is designated as a lecture course by the Curriculum and Instruction Department; however there **will be a variety of presentation methods** to include: modeling instruction, group activities with instructor materials, group activities with student made materials, films, word sorting activities for guided practice and implementation of course content, and as appropriate lecture type instruction. Student's questions and reflections upon their study are encouraged. The course text was selected because of the strong match between text and course content. It is informative and a very useful resource. The optional handbook to accompany the course content is a beneficial tool and very useful to guide a student's learning. Students are expected to read carefully and study the text and additional resources.

Requirements and Activities:

Congratulations for your progress in your education!!! This is an exciting opportunity. You are preparing for an important profession and certain expectations for your continuing success are listed here.

1. Attendance: 5%

You are expected to attend **all** class meetings and act with attention to the instructor. Attendance and completion of reading assignments with participation in group discussions is expected. Excessive absences most often results in a lowered grade. Two (2) or Four (4) (Summer session) and Six (6) consecutive absences or a total of eight (8) (Fall or Spring semester) or more will result in being dropped from the course. Students are encouraged to contact the instructor by e-mail if at all possible when absent. Check email, Edmodo, and/or make contact with a fellow classmate to review the information that you missed if absent. (TAMU-Commerce considers 3 absences to be excessive.)

2. Textbook Reading/Homework/Participation: 5%

Read the required text and any other assigned material. Completion of homework activities and be prepared to participate as appropriate in class discussions/group activities. **Study outside of class is necessary and expected. You are in control of your positive attitude and desire to learn the skills needed to become a primary grade teacher. Often it is a great help to students to form study groups.**

3. Chapter Activities: 20%

At the end of chapters 4, 5, 6, 7, & 8 are activities for teaching skills needed at each of the developmental stages. Construct **one** activity from each of the chapters and supply an information sheet to all group members and instructor. The activities will be demonstrated and evaluated during class time in small groups. The activities will not be accepted at any time other than the scheduled due date. Take the information and directions from the text and produce it into a useable form. A second activity is to be chosen from each chapter to be explained to the other students in a group. The second activity does not require making anything. It gives an opportunity to learn about all of the activities in the text by sharing information.

4. Spelling Inventory Project: 30%

Administer Spelling Inventory to a child any age from 5 years to 11 years old and bring to class. You will learn how to evaluate a child's developmental stage in spelling after all stages have been taught. The culminating activity will be a Spelling Inventory Gallery Walk, which includes a Peer/Instructor Review. (Reference Chapter 2)

5. Exams: 30%

Three exams will be given: Exam 1-covers Part 1 of the course and will be an objective exam on the computer. Exam 2- covers Part 2 of the course and will be a subjective exam (reflection, take-home exam). Exam 3- cover Part 3 of the course and will be both objective/subjective (a portion on the computer and the other take home exam).

6. Binder check: 10%

You will keep a binder all semester. Please organize it according to the provided rubrics with additional information added to the back of the section. This will be a useful tool to prepare and be used as an aid when studying for the certification exam. There will be a total of three binder checks.

Methods of Student Evaluation/Assessment of Student Outcomes/Grading Scale

Grades: Will be posted on Edmodo.

Attendance/Participation: 10%

Textbook Reading/Homework/Participation: 10%

Chapter Activities: 20%

Spelling Inventory Project: 30%

Exams: 30%

Binder check: 10%

A=90-100%. B=80-89.5%. C=70-79.5%. D=60-69.5%. F=60% and below.
