Student must have complete all courses including SWK 422 and SWK 425 and be enrolled concurrently in SWK 426.

**REQUIRED TEXTS:**

*(pre-test materials are provided with the above text)*

**CLASS ATTENDANCE AND PARTICIPATION:**

- The expectation is that students will attend class, reflecting responsibility, which is inherent in the development as a social work professional. Roll is taken regularly. Students are expected to be on time and prepared to participate when class begins as well as be present throughout the entire class meeting.

- Classroom exercises, discussions, role plays, guest speakers and other in-class experimental exercises are essential for a student's professional learning and continued development of self-awareness. Tardiness (or early departure) of more than 15 minutes will count as a .5 absence (2 tardies/early departures = 1 absence).

- A student is absent if he/she arrives more than 30 minutes late to class, leaves 30 minutes early or does not come to class.
The following penalties for absences (unexcused, or excused, according to university policy) will be administered:

<table>
<thead>
<tr>
<th>Weekly (class meets 1X week)</th>
<th>Up to 2 absences: No Penalty</th>
<th>3 absences: 1 letter grade drop</th>
<th>4 absences: Class grade of &quot;F&quot;</th>
</tr>
</thead>
<tbody>
<tr>
<td>Bi-Weekly (class meets 2X week)</td>
<td>Up to 3 absences: No Penalty</td>
<td>4 absences: 1 Letter grade drop</td>
<td>5 absences: 1 Letter grade drop</td>
</tr>
<tr>

<td>6 absences: Class grade of &quot;F&quot;</td>

</tr>
<tr>
<td>Summer 10-week</td>
<td>Up to 1 absence: No Penalty</td>
<td>2 Absences: 1 Letter grade drop</td>
<td>3 absences: Class grade of &quot;F&quot;</td>
</tr>
</tbody>
</table>

ONLINE OR WEB-ENHANCED CLASSES: Just as students are required to attend face-to-face classes, students are required to log in and participate in online components. To receive credit for attendance online via eCollege, students must log in and complete assignments in a timely manner. Not logging in to eCollege (monitored by the instructor) and completing assignments online during the appropriate time is the equivalent of an absence for each week this occurs.

FINAL EVALUATION AND GRADES DEPEND ON BOTH PRESENCE AND PARTICIPATION. Students' grades will be significantly impacted by inadequate participation or lack of required time commitment each week. Students are expected to spend a comparable amount of time in the online learning environment as they would in class (3 hours a week in the classroom). In addition, just as in traditional F2F classrooms, expectation is that students will spend time reading and studying class materials.

POLICY ON PLAGIARISM AND ACADEMIC DISHONESTY

Every student is expected to do his/her own work. Law, ethical standards, university policy, and departmental policy demand that students refrain from plagiarism and any form of cheating. Plagiarism is the "Act of appropriating the literacy composition of another, or parts of passages from of his [or her] writings, or the ideas or language of the same, and passing them off as the products of one's own mind." (Black's Law Dictionary, Abridged Fifth Edition, 1983). When using others' words, phrases, or ideas in writing, the original author should be given proper credit.

Cheating may take different forms. These include, but are not limited to, copying others' answers during an exam, using notes or other forms of help during an examination or quiz, except when explicitly permitted by the instructor, giving or receiving help on exams or assignments, or submitting work for one class which has already been submitted for another class for credit. Use of citations from the Internet without paraphrasing content AND proper referencing is regarded as
plagiarism. Professors have the right to use electronic review programs (such as Turn It In”) to identify plagiarism.

The department does not tolerate plagiarism or cheating. A student found to be engaging in such illegal and unethical conduct may receive a failing grade in the course and may be subjected to further disciplinary proceedings. Any assignment or exam that lacks honesty will be given a grade of "0".

**ACCEPTABLE CLASSROOM BEHAVIOR:**

“Students at Texas A&M University-Commerce are expected to obey all federal, state, and local laws, in addition to the regulations of the University. The standards of Student Conduct including disciplinary rules and procedures are designed to provide and conform to the basic tenets of due process, as developed by institutions of higher education. As such, the University distinguishes these procedures and regulations as an educational and growth process which is not intended to conform to adversary proceedings as in a court of law. (Student’s Guide Book, 2011, p. 35).

**CODE OF CONDUCT FOR SOCIAL WORK STUDENTS:**

The Department of Social Work expects all social work students to conduct themselves in an ethical, professional manner. Professional ethics are at the core of social work. The profession articulates its basic values, ethical principles, and ethical standards as set forth in the *NASW Code of Ethics* to guide social workers’ conduct. The *Code* is relevant to all social workers and social work students, regardless of their professional functions, the settings in which they work, or the populations they serve. Accordingly, we expect social work students to demonstrate courtesy, respect and support for fellow students, instructors, clients, and all other persons.

All students enrolled in BSW or MSW classes are expected to observe the tenets of the NASW Code of Ethics and the Social Work Student Code of Conduct. Our Code of Conduct is reflective of professional and academic expectations – a student who cannot demonstrate appropriate behaviors will not be appropriate for practice in the social work profession. Students who violate these Codes may be asked to meet with appropriate Social Work faculty (instructors or Program Directors). In addition, the department’s Academic and Professional Issues (API) Committee is responsible for dealing with student issues when requested by faculty.
OVERVIEW OF ASSIGNMENTS

**Integrative Paper** (200 pts)  
This paper is an exercise for each student to write a scholarly paper, integrating practice theories supporting a specific social work intervention carried out at his/her field practicum site. In this assignment, a student must demonstrate the ability to use critical thinking as evidenced in his/her ability to present information in a clear and concise manner supporting their understanding and position on the topic chosen. Supporting evidence from previous texts and empirical, peer reviewed publications must be integrated into this assignment.

*Specific Instructions are located in Appendix A of this syllabus and on eCollege under Doc Sharing*

**ACAT Test** (100 pts)  
Area of Concentration Achievement Test. Each student is required to take and obtain a passing score (at least 50%) on the ACAT test as part of the final grade. Students obtaining 50-75% accuracy on the test will receive the full 100 points allotted. Students who achieve a score greater than 75% will receive bonus points for total course grade calculation.

This test assesses individual knowledge in Human Behavior, Social Policy, Social Work Practice, Research Methods, Diversity, Populations at Risk, Social and Economic Justice and Values and Ethics. These are core areas of knowledge required to successfully pass the state licensure exam and move into an entry-level social work professional position.

**Comp Exam** (100 pts)  
A comprehensive final exam administered at the end of the course to assess knowledge across all areas of the social work curriculum. This test reflects the content presented throughout the course and prepares students for taking the state license exam.

**POLICY ON DUE DATES:**
NO ASSIGNMENTS ARE ACCEPTED LATE
GRADING SCALE:

A   90-100% of total points
B   80-89%  of total points
C   70-79% of total points
D   60-69% of total points
F   Below 60% the course must be repeated

A course grade of "C" represents an acceptable level of work; while a course grade of "B" represents a substantial effort and achievement. To obtain a "B" a student must demonstrate better than average products and level of effort. An "A" is awarded only to those students who have demonstrated a high level of quality and outstanding efforts as reflected in the assignments for this course.

The Integrative Paper

Generalist practitioners in the social work profession utilize various theoretical frameworks within their practice settings. The integrative paper is a culmination of what content across the BSW curriculum. This assignment provides an opportunity for each student to explore and develop a personal practice theory from existing frameworks and apply that theoretical perspective to his/her field of practice.

Entry-level professional social work is a broad, generalist perspective of helping client systems and using a single, integrated theoretical framework may not be possible. Therefore, generalist practitioners in the social work profession utilize various theoretical frameworks within their practice settings.

Figure 1: Theoretical frameworks employed by practitioners include:

- Ecological
- Person-in-Environment
- Cognitive
- Community Organization
- Bio-Psycho-Social
- Psychodynamic
- Behavioral
- Social/Open Systems
- Developmental
- Family and Group
- Oppression
- Organizational
Specific models of practice intervention include:

- Social Skills Training
- Problem-Solving
- Cognitive Behavioral Therapy
- Cognitive Restructuring
- Task-Centered Approach
- Gestalt Therapy
- Crisis intervention
- Client-Centered Therapy
- Structural Family Therapy
- Case (or care) Management
