COURSE AND UNIVERSITY PROCEDURES/POLICIES

According to University rules, students may be dropped from the class for excessive unexcused absences. That will be considered for this course. Participants are expected to be present, on time, and to actively and consistently participate at all class meetings. Lack of participation will impact your grade, especially if you are on the borderline of a grade. Each student should not pack up their belongings early and prior to the instructor’s dismissal. For an absence to be excused, you must submit a note to the instructor from your physician or your child’s physician. It is very important that in the event of an emergency and you must miss a class, you are responsible for obtaining class materials, assignments, and/or notes from one of your classmates. At our first class meeting, exchange phone numbers and email addresses with 2 of your classmates in our class.

**Classroom Etiquette:** Each student is expected to be polite and engage in civil interactions with all members of the class (Student’s Guide Handbook, Policies, Procedures, Conduct, pages 67-73). Each student is expected to turn OFF all cell phones, pagers, texting devices, emailing, laptops, and all other electronic devices before entering our classroom. The instructor will deduct points from your overall grade for having electronic devices turned ON and/or in use during class meetings. All students are expected to conduct themselves in a professional manner at all times. Discriminatory, rude, and/or inappropriate language will not be tolerated in this class and students will be asked to leave or drop the class. If a student continues to act in the same manner during future classes, the instructor reserves the right to drop the student from the course.

**Class Attendance Policy:** Attend ALL class meetings for the entire class period; you must be present during each entire class meeting period and actively participating in order to receive credit for attendance, so be sure to sign in at the end of each class meeting on the Sign In Sheet for that specific date. You may have (1) unexcused absence in this course. After that, any absence from class without a written documented excuse from a physician or clinic for your illness or the illness of your child, an Order of Service from the memorial service of an immediate family member (husband/wife, child, parent, brother/sister, or grandparent), a written documented excuse from your employer that you had to work during class time in an emergency situation on the job, or an official University closing due to inclement weather and/or driving conditions, will not be excused and will result in 5 course points being deducted for each absence from class that is unexcused (Again, you must attend the entire class period for your attendance to be counted, so be sure to sign in at the end of every class meeting.).

**Late Assignments:** Assignments and course requirements are due on specific dates as assigned by the instructor. These will be accepted after the due date; however, points will be deducted for those submitted after the due date.

**Academic Integrity:** Academic integrity is the pursuit of scholarly work free from fraud and deception and is an educational objective of this institution. TAMU Commerce has explicit rules and regulations governing academic dishonesty and academic misconduct, including plagiarism, copyright violations, and cheating. Each student is expected to read the Student’s Guide Handbook.
