**Assessment:**
1. Each student will fill out a survey form to indicate skills and areas of interest. You will receive an assignment based on your responses, as well as the needs of the department/production. Please note that you are not guaranteed your preferred assignment. Students are rotated through various shops each semester (and within a given semester) to provide the student with a well-rounded education.
2. All assignments will be posted on the main call board, located across from the graduate student offices. It will contain all necessary information for the current production. *It is your responsibility to check the call board each day.* Pertinent information will be posted by noon, although sometimes emergencies to arise that may result in less time
3. Students will report to the appropriate supervisor, log in, and be ready to work on the project/duties assigned for the day. Your time sheet will be stapled to the inside of your journal. At the end of each day, the student will write a brief description of what was done that shift, then “clock out” on the time log. Supervisors will sign off on all journals and time. *If you do not clock in/out, you will not receive credit for the time worked.* Approval of time is at the discretion of the supervisor.
4. Students must be dressed in work clothes. This includes “paint clothes” (or, clothing you do not mind getting ruined), close-toed shoes, and any safety gear required for the particular shop or project. If you do not wear them in, please bring them with you. You cannot clock in until you are dressed appropriately ready to work. Failure to work due to lack of appropriate attire will result in zero hours for the day.
5. If you will be missing work for any reason you must notify your supervisor. Failure to do so may result in points being deducted from your total hours. Hours missed from excused absences may be made up with proper arrangements with the supervisor. Unexcused absences (no call/no shows) will not be eligible for make up work.
6. If a work call is made for your assigned shop, you will be required to work at least one of the three-hour time blocks for every work call posted. These are mandatory, and separate from your regularly scheduled work hours. They cannot be used to make up missed hours. (You may sign up for an extra work call shift for make up hours, but you must work the mandatory time first.) Sign-up sheets for work call shifts will be posted on the practicum call board. Failure to attend work calls will result in hours subtracted from your total hours.

7. Strike is mandatory for each student, for each production. Failure to attend strike will result in failure of this course.
