Students Requesting Accommodations Due to Disabilities

The Americans with Disabilities Act (ADA) is a federal anti-discrimination statute that provides comprehensive civil rights protection for persons with disabilities. Among other things, this legislation requires that all students with disabilities be guaranteed a learning environment that provides for reasonable accommodation of their disabilities. If you have a disability requiring an accommodation, please contact:
Musician Health and Safety

Valuable information and resources are provided on the Music Education website to assist the musician in the prevention of injury and to provide a resource for discovering information about injury assessment and injury recovery.

Attendance Policy

Class meetings will be determined by the student and the instructor. Attendance is expected at every class meeting.

Classroom Expectations

All students are expected to follow the Tenets of Common Decency and acceptable behavior conducive to a positive learning environment. These tenets are outlined in the Student’s Guide Handbook under “Policies and Procedures: Conduct.” The tenets also apply to all communication to me outside the classroom.

Texas A&M-Commerce will comply in the classroom, and in online courses, with all federal and state laws prohibiting discrimination and related retaliation on the basis of race, color, religion, sex, national origin, disability, age, genetic information or veteran status. Further, an environment free from discrimination on the basis of sexual orientation, gender identity, or gender expression will be maintained.

Developing Musicianship

You will need to have excellent musicianship skills as a music educator. During this course, you will work daily on singing and sight-singing technique.
One of the highest priorities of the semester will be developing an excellent singing voice, with good vocal tone, clarity, articulation, and intonation. If singing is not a strength for you, vocal exercises are available on our class Dropbox so that you can practice daily.

Throughout the semester, you will be evaluated on sight-singing with solfege and hand signs. Practice these exercises with staff notation AND stick notation. You will encounter both as a teacher of young children. In order to receive full credit, hand signs must be placed in the correct position in front of the body:

- do': arms above head
- ti: hands at forehead
- la: hands eye level
- sol: hands at chest
- fa: hands at diaphragm
- mi: hands waist level
- re: just below waist
- do,: arms at abdomen

Gathering Resources

For this course you will begin to gather a collection of songs and other activities for children. You will categorize them in several ways, melodically, rhythmically, and according to other skills taught. This will be a valuable resource for you as you begin teaching, one that you will continue through your career.

Borrowing Materials

Students have free access to all my personal books, CDs, and teaching materials. Several of these items will be placed under reserve in the library. These items are for use in the library only. Simply present your student ID card at the front desk.

If you would like to borrow a resource overnight that I keep in my office, simply sign the Resource Checkout book in my office. Since other students may need the same item, please return any item you borrow the following class session.

If a resource checked out to you is lost or damaged, you are expected to replace it as soon as possible. If you fail to do so before the end of the semester, a hold will be placed on your account and you will receive an Incomplete for this course.

Please take care that you observe the copyright laws, and the limits of fair use.
