COURSE REQUIREMENTS

Reading Commentary and Questions
Students will write a 2-page reflection for each chapter of Cohen and Kisker’s The Shaping of American Higher Education. Reflections may be on any topic addressed in the reading. Reflections are due the day of the class discussion for the related chapter.

For each assigned ASHE Reader articles, students will supply a 1-page commentary for each of the assigned articles.

Student Led Article Discussion
Each student will lead several group discussions of selected readings. The purpose of this assignment is for individual students to gain a depth of knowledge about selected readings over the course of five weeks. Discussion sessions for each article will run 30-40 minutes. Discussants are to be prepared with at least six questions to ask their colleagues. Take about 20 minutes to outline the main points of the chapter. Then take about 10 to 20 minutes to lead the class in a discussion about the chapter.

The format of the presentation is as follows:

• Hand out a 1-page summary of the article

Research Paper
Students will write a 15 or 20-page historical research paper of any (instructor approved) higher education topic. Masters students will write a 13-15-page paper, and doctoral students will write a 20+ page paper. This assignment will be graded based in three segments: Proposal, research paper, and presentation. The proposal is a 1-3 page outline of:
• The general historical setting
• Possible application to a contemporary higher education issue

The final research paper format will include:
• An introduction of the topic and importance/relevance to the modern audience
• The history of an issue and the issue of the day
• Relevance and application of the historical events to the current higher education setting
• Conclusion
• APA Bibliography
The APA Level 1 Headings will be as follows:

- History of Issue
- Level II Heading
- Level II Heading
- Relevance to Today
- Level II Heading
- Conclusion

A research presentation will include:

- A 20-minute presentation of the research paper findings during the final course meeting.
  - Note: 20min of speaking, but presentations of up to 30min will be allowed if there is great discussion
- The presentation’s format will follow the outline of the paper.
  - Introduction
  - History of Issue
  - Relevance to Today
  - Conclusion
- The final presentation must have an accompanying Power Point presentation, or some other multi-media presentation format.
  - Use about 10 slides for the presentation.
  - Keep content on each slide to a bare minimum, and do not read off the slides.
  - Use of videos or photographs is encouraged.

**Exam**

A final exam will cover broad issues related to the history of American higher education. The exam questions will be discussed and outlined for the students during the course of the summer.

**Attendance Policy**

Class attendance is an integral part of the educational process. Students who miss class miss out on the dialectic process of exchanging ideas with the instructor and colleagues. Up to two absences will not affect a student’s grade. A third and forth absence will result in a 5% reduction of the total course grade. The fifth absence will result in a failing grade for the course.

**Participation**

Ten percent of the total course grade is dependent on individual students’ class participation. Every student is expected to contribute to class discussion every class period. One point is earned per day.

**Writing Requirements**

All papers are to follow APA format guidelines. Begin papers with an APA title page. Font is to be 12 point, New Times Roman, double-spaced. Normal margins: one inch left, right, top, and bottom. Secure the paper with one staple in the top left corner. No folders please. Written assignments will be graded according to the following criteria:

Appropriate grammar, punctuation, spelling: 10% of grade
Use of disciplinary format and citation style: Paper displays correct use of student’s
disciplinary format and citation style (APA, 6th Edition) for papers submitted for

### COURSE AND UNIVERSITY PROCEDURES/POLICIES

**Respect Differing Views**
As with all graduate courses, this course deals with ideas. Please be respectful of individuals with ideas and beliefs that differ from your own. If you disagree with someone then ask them why they believe as they do, and then listen to the answer. People can have complex reasoning for what is seen as, on the surface, a simple idea. Only civil and even-tempered discussions will be permitted in class.

**Academic Honesty**
Plagiarism within an assignment will result in a failing grade for that assignment. I expect all assignments for this course to be original works produced specifically for this course. At the instructor’s discretion, if the plagiarism may have been accidental, an assignment may be redone for a maximum grade of 80% of the original total.

Work produced, whether in part or in whole, from assignments for other courses will not be accepted for credit.

**Technology Use**
Personal use of computers, cell phones, or tablets is not permitted during the class session.

**Late Assignments**
An electronic and hard copy of each assignment is due at the beginning of class. Electronic copies must be emailed to my TAMU email address. Hard copies will be handed in at the beginning of class. Late assignments will lose one letter grade (10%) per day late. The measurement of days ends at 11:59pm the following day of class. A new day begins at Midnight (12 am) and continues to 11:59 pm. Late assignments may be turned in via email.

**Examination Policy**
Exams are timed and closed book.
