presentation with a variety of graphics designs. You will be required to understand how participate with others in a Google + Hangout, on SKYPE or Adobe Connect.

**Instructional Methods**

The instructor will create a learning environment and provide guidance for engagement with the content and learning activities. The instructor will provide learner-learner, learner-content, and learner-instructor opportunities for each student to be actively engaged in the learning. It is my desire that you experience a quality learning environment as you master the skills and knowledge needed to accomplish each of the student learning objectives.

**Student Responsibilities or Tips for Success in the Course**

This course is fully online. It is instructor led with a course schedule. The course content is presented in learning modules in LearningStudio (eCollege). Each module contains instructions, and the course schedule outlines the due dates. In each module you will work on various combinations of assignments, activities, discussions, readings, research, etc., which will be made available to you on the first day of the Module. As a graduate-level course the instructor expects quality work from each student supported by adequate preparation and involvement.

ACCESS AND NAVIGATION

Pearson LearningStudio (eCollege) Access and Log in Information

This course will be facilitated using Pearson LearningStudio, the learning management system used by Texas A&M University-Commerce. To get started with the course, go to myLeo and from the top menu ribbon select eCollege. Then on the upper left side of the screen click on the My Courses tab. http://www.tamuc.edu/myleo.aspx

You will need your campus-wide ID (CWID) and password to log into the course. If you do not know your CWID or have forgotten your password, contact the Center for IT Excellence (CITE) at 903.468.6000 or helpdesk@tamuc.edu.

Note: It is strongly recommended you perform a “Browser Test” prior to the start of your course. To launch a browser test login to Pearson LearningStudio, click on the My Courses tab, and then select the Browser Test link under Support Services.

Pearson LearningStudio Student Technical Support

Texas A&M University-Commerce provides students technical support for the use of Pearson LearningStudio.

The syllabus/schedule are subject to change.
Technical assistance is available 24/7 (24 hours, 7 days a week).

If you experience LearningStudio (eCollege) technical problems, contact the LearningStudio helpdesk at 1-866-656-5511 (toll free) or visit Pearson 24/7 Customer Support Site  http://247support.custhelp.com/

The student help desk may be reached in the following ways:

- **Chat Support**: Click on ‘Live Support’ on the tool bar within your course to chat with a Pearson LearningStudio Representative.

- **Phone**: 1-866-656-5511 (Toll Free) to speak with Pearson LearningStudio Technical Support Representative.

**Accessing Help from within Your Course**: Click on the ‘Tech Support’ icon on the upper left side of the screen inside the course. Then you will be able to get assistance via online chat or by phone.

**Note**: Personal computer and internet connection problems do not excuse the requirement to complete all course work in a timely and satisfactory manner. Each student needs to have a backup method to deal with these inevitable problems. These methods might include the availability of a backup PC at home or work, the temporary use of a computer at a friend's home, the local library, office service companies, Starbucks, a TAMUC campus open computer lab, etc.

**Policy for Reporting Problems with Pearson LearningStudio**

Should students encounter Pearson LearningStudio based problems while submitting assignments/discussions/comments/exams, the following procedure must be followed:

1. Students must report the problem to the help desk. You may reach the helpdesk at 1-866-656-5511.
2. Students must file their problem with the helpdesk and obtain a helpdesk ticket number
3. Once a helpdesk ticket number is in your possession, students should email me to advise me of the problem and provide me with the helpdesk ticket number.
4. I will call the helpdesk to confirm your problem and follow up with you

**PLEASE NOTE**: Your personal computer and internet access problems are not a legitimate excuses for filing a ticket with the Pearson LearningStudio Help Desk. Only Pearson LearningStudio based problems are legitimate reasons to contact the Help Desk.

The syllabus/schedule are subject to change.
You strongly are encouraged to check for your internet browser compatibility BEFORE the course begins and take the Pearson LearningStudio tutorial offered for students who may require some extra assistance in navigating the Pearson LearningStudio platform.

**myLeo Support**
Your myLeo email address is required to send and receive all student correspondence. Please email helpdesk@tamuc.edu or call us at 903-468-6000 with any questions about setting up your myLeo email account. You may also access information at myLeo. https://leo.tamuc.edu

LearningStudio Notifications

Students can be alerted to course activities via text on their mobile phones or up to two email addresses.

Based on their preferences, students can automatically receive a push notification with every new: course announcement, threaded discussion post, grade, and/or assignment without having to login to the course. Enrolled students will automatically receive email notifications for announcements and can opt out of this feature. To receive text notifications, students must opt in.

To begin setting up notifications, go into your course in LearningStudio and click on the bell-shaped Notifications icon on the main menu ribbon.

By default the student’s university email address will appear. This cannot be changed in LearningStudio. Additional email addresses may be added by clicking the Add button. After all of the other selections are completed be sure to click the Save and Finish button.

COMMUNICATION AND SUPPORT

Interaction with Instructor Statement

Assignments and discussion board threads will be graded either during the assignment period or no later than 2-3 days after the due date. Constructive feedback will be provided on all assignments. The instructor expects students to review feedback and make corrections to the assignments. The instructor does not want to see the same errors in future assignments. The preferred mode of communication is via email at Julia.ballenger@tamuc.edu. If there is a need for a telephone conversation, you may call me via my cell phone at 936.554.9300. Response time to students will be within 24 hours unless there are extenuating circumstances (i.e., illness or conference attendance).

The syllabus/schedule are subject to change.
